THE SOUTH CAROLINA GOVERNOR'S SCHOOL FOR SCIENCE & MATHEMATICS IS POISED FOR GROWTH.

**BUT BEFORE WE CAN RECRUIT A LARGER STUDENT BODY,
WE NEED TO GROW OUR OUTSTANDING FACULTY.**

WHAT IS GSSM?

Established nearly 24 years ago, GSSM is one of only 12 public, residential high schools in the nation specializing in the advanced study of science, technology, engineering and math (STEM).

With a brand new Economics & Finance Institute, a thriving Center for Science Education & Outreach and a distinctive international student research exchange program, GSSM boasts a host of innovative opportunities grounded in highly effective teaching and learning.

Year after year, GSSM is ranked among the top high schools in the nation by *The Washington Post* and *Newsweek*. Our SAT scores exceed the national average by almost 500 points, and we celebrate nearly 25% of our seniors as National Merit Semifinalists.

WE NEED YOU!

With strong public and private support, GSSM is aiming to grow its student body, faculty and staff by at least 70 percent.

We see a bright future ahead and need top-notch academic professionals to help take us there. We are seeking individuals in the following fields:

Biology
Chemistry
Computer Science
Economics
Engineering
English
History
Math
Physics
