Ever wonder what it would be like to live on GSSM’s campus and dive deep into your favorite STEM topic? **NOW IS YOUR CHANCE!**

GoSciTech provides an unmatched opportunity for campers to explore the endless possibilities of science, technology, engineering, and math. For one week, rising 8th, 9th, and 10th graders will live on GSSM’s Hartsville campus and experience an entire camp devoted to their favorite subject. Can’t pick just one topic? Come for up to four weeks!
