

IMPORTANT INFORMATION, PLEASE READ

GSSM Rising Senior Health Services Checklist

We are requesting that you and your child's physician complete the enclosed forms and return to Health Services by **Wednesday, August 1, 2018**. It may be helpful to schedule your son or daughter's medical appointment as soon as possible to ensure the appointment does not conflict with other summer plans and commitments. We have to receive updated information on our students each year they are enrolled. August 1st is our deadline, but if the documents are not received before Senior Move-In Day, the check-in process may be impacted. The **asterisks** indicate that the Health Care Provider must sign, date, and stamp those documents. We ask that you keep this checklist for reference and that you also keep copies of all forms once completed.

Below is a list of the enclosed documents:

- Carolina Pines Regional Medical Center (CPRMC) Medical Release Form (form must be signed and initialed by parent/guardian)
- GSSM Medical Consent/Release Form (form to be signed and initialed by parent/guardian)
- GSSM Medication Policy(to be signed by parent and student)
- Self-Administering Medications form (signed by parent twice)
- * GSSM Medical Exam (includes sections for family and physician)
- * Authorization for Non-prescription Medication (requires physician's signature)
- * Prescription Authorization Form (a form is required for each prescription needed as applicable and requires the physician's signature)
- * Permission for Flu Vaccine (optional, requires physician's signature only if want administered)
- * PPD Documentation if student has been out of the country any time since May 2018
- * Pre-Participation Physical Exam (required for all GSSM students) and concussion forms
- New Copy of Immunization Records if an additional vaccine has been given since summer of 2017
- Copy of Insurance Card (front and back). Medical insurance is required. If there are different cards for dental, vision, and prescriptions, please provide copies of those (front and back) also.

Please return completed documents to Health Services via US mail, email at nurses@gssm.k12.sc.us or hand delivery. Know that we appreciate your attention and understanding.
