SOUTH CAROLINA GOVERNOR’S SCHOOL
for Science & Mathematics

Student Handbook
2019-2020
Welcome to the 2019-2020 Academic Year!

At the South Carolina’s Governor’s School for Science & Mathematics, we are committed to developing the total person, focusing on our students’ intellectual and emotional growth. Our goal is to assist students in becoming responsible citizens and ethical leaders. Opportunities to support leadership and character development are offered throughout the GSSM journey. The experience for our students is greatly enhanced when GSSM families embrace academic and community standards and partner with GSSM educators who are committed to ensuring students’ success.

The faculty and staff at the Governor’s School are committed to promoting and encouraging the values of accountability, commitment, compassion, fairness, honesty, respect, responsibility, safety, trust, and wellness. As a member of this community, we ask that you embrace these ideals. To support student success and an effective partnership, students (and their parents/guardians) must be familiar with the policies, procedures, and practices that govern our community. In addition to academic talent, cooperation, consideration, and civility are necessary for success at GSSM and in life.

We ask all students and their families to read this handbook thoroughly and in its entirety. We also recommend that you discuss it as a family and contact us if you have questions. This document is the foundation of the three prong partnership that exists between students, their families, and the school, and several departments contribute to its content. Students are responsible for all of the material in this book, and they are expected and required to follow all guidelines and policies contained within its pages. These policies have been designed for students’ benefit and safety, and they support the best possible learning environment for all community members. All students are bound by the Honor Code of GSSM while enrolled at the Governor’s School and when participating in school sponsored activities.

This is an important document so keep it close for reference. Also note that GSSM reserves the right to revise, create, and clarify policies and procedures as warranted.

Best wishes as we begin the school year. Please do not hesitate to let us know how we can be of assistance to you.
# TABLE OF CONTENTS

## I. INTRODUCTION AND STATEMENT OF PRINCIPLE ............................................... 1
   A. Mission Statement........................................................................................................ 1

I. INTRODUCTION AND STATEMENT OF PRINCIPLE

GSSM was established by an Act of the South Carolina General Assembly in 1987. The first class of juniors (approximately 65 students from across the State) began their journey in the fall of 1988. We are now at full capacity in our residential program with the ability to accommodate 288 students.

This Student Handbook is the official manual for GSSM students and families. GSSM is committed to providing a safe and healthy environment for its students. The policies and processes included are designed to support community and students’ safety and well-being. The school’s Honor Code and discipline system and responses are intended to assist students in safely and successfully navigating GSSM’s rigorous program always mindful of their developmental needs. Our community standards strive to support the best possible learning environment and clearly communicate expectations for members of the campus community. The values of accountability, commitment, compassion, fairness, honesty, respect, responsibility, safety, trust, and wellness are important in students’ development. As leaders in the GSSM community, our faculty and staff are expected to model the behavior we ask of our students.

The Governor’s School encourages students to consider how our community standards facilitate opportunities that support their success. Discipline responses include appropriate consequences intended to encourage good judgment and sound decision making. Our community standards are designed to be educational and to encourage reflection.

A. Mission Statement

The mission of the South Carolina Governor's School for Science & Mathematics (GSSM) is to seek out and advance our state’s most academically motivated students, offering a transforming education in science, mathematics, and engineering that cultivates joy in learning and builds the confidence to engage as ethical leaders with the world’s most significant issues.

B. Student Development Mission

The Division of Student Development’s mission is to establish and maintain a community and living environment that is safe, comfortable, enjoyable, and accepting of diversity with an emphasis on ethical decision making. The division supports GSSM’s academic goals, while focusing on the wellness and holistic development of students; nurturing them intellectually, emotionally, and ethically. Through its various departments and activities, the units that comprise student development work to make the out-of-class experience as educationally purposeful as the in-class experience.

C. Curriculum and the Educational Experience

Combining rigorous class work, directed laboratory investigation, and independent research, GSSM fosters in its students the ability to create and develop ideas. In a supportive and disciplined learning environment, students are challenged to think critically and independently. The school cultivates the uniqueness of each student while encouraging the development of a community of scholars. Students learn from and teach each other in an intellectual atmosphere, which encourages the synthesis of newly-acquired knowledge and individual experience.

While emphasizing intellectual growth and maturity in science and mathematics, the curriculum also encourages thoughtful development in the Humanities. Students complete an independent mentored science research project, which focuses on laboratory research or field work at university and industrial laboratories throughout the state. They also have access to advanced laboratories for biology, chemistry, physics, and computer science. Independent study courses under faculty guidance are also available and economics and finance are highlighted through GSSM’s latest academic initiative.

Academic excellence, enthusiasm, and dedication characterize the unique faculty (about 3/4 of whom hold doctorates in their field) of GSSM. Experienced in high school and college teaching, faculty and staff
members recognize the value of creative, stimulating classroom experiences supplemented by individual contact and support. Students discover to their amazement that science and humanities teachers echo each other in their demand for clear, logical thinking and in their emphasis on integrity and ethical concerns in academic pursuits. Faculty and staff continue to develop professionally as recipients of grants for summer study and research and as participants in professional conferences.

Administrative staff working with students also reflects concern for the whole student. For example, in order to help them realize their potential; students receive professional guidance on finding colleges that are the right “fit” academically, personally, and socially. Student are guided through the college search process, how and when to apply for merit and need-based financial aid, and how to tie their college planning to their individual aptitudes and abilities. Career exploration is also a focus.

D. Philosophy and Expectations

A residential school is a community. Contributions made by those who reside and work in such a setting will ultimately benefit everyone through the creation of a climate that promotes purposeful learning and living. GSSM was created to provide such an opportunity. This community of scholars allows all to contribute to and learn from others the joy of discovery and the stretching of one’s limits. Each member of the GSSM community is expected to respect the rights and support the responsibilities of every other person here.

The living and learning environment of GSSM is based upon the following principles and expectations, which correspond with the Civitas values noted in the Statement of Principle:

1. **Privilege and Right**: Attending GSSM is a privilege and not a right. While we are glad you chose the Governor’s School, this privilege must continue to be earned while in attendance. The two primary criteria for continuing at GSSM are academic performance and personal citizenship in the GSSM community, which includes compliance with community standards.

2. **Responsibility**: While students have the freedom to make a number of important individual choices, they must understand that with this freedom goes responsibility. At the most basic level, students are responsible for learning and teachers are responsible for teaching. Students are expected to prepare for, attend, and participate in all of their classes and labs. Students will be held accountable for the decisions they make and for their behavior in and out of the classroom, as well as off campus.

3. **Motivation and Commitment**: We expect each member of the community to strive for excellence in his/her academic, social, and personal development. Students are expected to exercise self-discipline and to meet their commitments, both in and out of the classroom.

4. **Fair Play and Civility**: Everyone at GSSM deserves to be treated with respect and courtesy. Concern for one's fellow students and mutual enforcement of standards of conduct are essential in the GSSM community.

5. **Safety and Security**: We expect students to take appropriate responsibility to care for themselves, their campus, their environment, and each other.

6. **Health and Hygiene**: We advocate good physical and mental health for all members of our community. Students are expected to exhibit care for personal hygiene and community cleanliness.

7. **Honor and Truth**: We expect students to be honest with themselves, with each other, and with faculty and staff members. **Integrity is critical in one's overall success.**

8. **Personal Accountability**: It is an expectation that members of the GSSM student body will exercise a high degree of personal responsibility and accept accountability for their choices.
In their studies and in their conduct, students are expected to understand the correct course of action and to follow it without relying on excuses for falling short. They should understand and practice ethical decision-making and seek guidance before acting when the best course is unclear.

Students at this level are expected to meet all imposed deadlines without prompting. This responsibility is required just as much outside the classroom as it is inside. It pertains to all academic assignments, scheduled meetings and appointments, college and scholarship deadlines (internal and external), as well as areas of daily life. Failure to meet deadlines in any area of individual responsibility will always result in consequences that can vary from making a negative impression, a missed opportunity, a disciplinary sanction, or more formal penalties.

9. **GSSM Email**: We expect every member of the GSSM community to check and read their school email account regularly, at least twice a day.

E. **Importance of Community**

At the South Carolina Governor’s School for Science & Mathematics, we recognize the importance of building a community within our school to promote the success of the school and its members. Because of its residential environment, the community embodies values similar to those of a family. Such a community fosters consideration, compassion, collective responsibility, support, and personal accountability. Communication within the community, leading to transparency in the functioning of the school, allows for a sense of trust and mutual understanding among the students, faculty, staff, and administration that we strive to achieve. These goals cannot be compromised, as above all, the success of the student in academics, the quality of education, and cooperation between the educator and the students command priorities of all associated with the school. With the help of all members, regardless of race, color, ethnicity, socio-economic status, sexual orientation, geographic location, religion, and/or other distinguishing expressions, we show respect for each other as we show respect for ourselves. As we consider diversity at GSSM, integrity should guide us in our deportment and interactions. Mutual respect requires that we acknowledge the reasonable requests of others and that we understand that our rights should not impose on those of other community members. GSSM welcomes diversity and is inclusive within the context of a residential high school with underage students.

F. **Honor Code and Honor Statement**

Each member of the Governor’s School community is responsible for acting with honor and integrity in every facet of academic and residential life. Every member benefits from the self-respect and pride of living in an environment of honorable people whose focus is on learning. Individuals within the community have the obligation to invoke personal responsibility and insist upon a similar manner of conduct from others. Certain actions are considered a breach of this mutual trust inherent within the system. Students are expected to adhere to the GSSM Honor Code at all times. Faculty, per their discretion, will also require the Honor Statement to be included on assignments.

1. **Honor Code**
   I will not commit any act of lying, cheating, stealing, academic dishonesty, vandalism, illegal Intervisitation, or action in violation of South Carolina or federal law (such as possession or use of alcohol or other drugs). If I witness a violation of the honor code, I am encouraged to report the violation to a member of the administration, faculty, or staff and express either:

   a. Willingness to go before the administration or Judicial Council as a witness, or
   b. A desire for confidentiality.

2. **Honor Statement**
   On my honor, I have neither given nor received help on this test/assignment.
The honor statement may be modified by individual instructors for particular assignments. Instructors will inform students when the statement is to be written and signed on assignments. Each faculty member should include on the syllabus or other class document the standards of working together for his/her class so students know when they are and are not permitted to work together. Penalties for Honor Code violations are serious and are treated in accordance with other disciplinary issues at GSSM. Please refer to the Discipline/Honor Code Section of this Handbook for details.
II. STUDENT RECORDS, RESIDENCY, AND FEES

The Governor’s School is committed to operating within state and federal laws regarding student records and ensuring that families understand our positions on these matters. Students who attend GSSM must be residents of South Carolina. There are also policies that govern the way records are managed, processes for withdrawing from the school, and fees and deposits. These important topics will be discussed in this chapter.

A. Notification of Rights Under the Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to students’ educational records. These rights are outlined below:

1. Parents and eligible students have the right to inspect and review the student’s education records within 45 days of a written request made to the President of GSSM. The request must identify the specific record(s) they wish to inspect. The President will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. Parents or an eligible student have the right to request the amendment of the student’s education record that is believed to be inaccurate or misleading. They should write the President of GSSM, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. Should the President of GSSM decide not to amend the student’s record, the parents or eligible student will be notified of their right to a hearing regarding the request for an amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. Upon request, GSSM will disclose education records without consent to officials of another school in which a student seeks or intends to enroll. Except to the extent that FERPA authorizes disclosure without consent, the parent or eligible student has the right to have personally identifiable information not disclosed.

   a. If requested, GSSM will disclose without parental or eligible student consent, Directory Information (student’s name and home address, photograph, weight and height of athletes, previous schools attended, date and place of birth, dates of attendance, and awards and activities) to appropriate sources unless the parent or eligible student withdraws consent to disclose Directory Information within 30 days of the issuance of this notice. Withdrawal of consent must be written.

   b. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by a District or school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Board of GSSM, a person or company with whom the District or school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. Unless consent has been withdrawn, directory information will be shared with the GSSM Foundation.
c. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

d. A parent or eligible student has the right to file a complaint with the U.S. Department of Education concerning alleged failures by GSSM to comply with the requirements of FERPA. Such complaints should be forwarded to:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, S.W.
Washington, DC  20202-4605

B. Policy for Maintenance, Retention and Disclosure of Student Records

The institution’s President is the legal custodian of all student records for the Governor’s School for Science & Mathematics. School records for each student shall include, at a minimum, the Student Permanent Record file and the Student Discipline Record.

Information in the Student Permanent Record file shall include the student’s name, permanent address, date of birth, Social Security number, name(s) of parent(s), academic records of GSSM and sending high school (showing courses taken, grades, standardized test information, type of diploma issued, graduation or separation date). This file may also include other types of educational records or material such as photographs, health and immunization records, birth certificate (copy), admission application, general correspondence to/from parents/guardians and school personnel, and legal documents.

Information in the Student Discipline Record file shall be cumulative and will be maintained separately from the Student Permanent Record file while the student is enrolled at GSSM.

Upon receipt of a request for records from a secondary or post-secondary institution or entity, the Student Permanent Record shall be sent. Information from a Student Discipline Record shall be sent only upon receipt of a specific request from a secondary or post-secondary institution to which the student has applied.

The educational records of students shall be maintained pursuant to state and federal law, specifically, the Family Educational Rights to Privacy Act (FERPA). The retention of students’ records shall be in accordance with the requirements set forth in Title 30, Public Records, S.C. Code Ann. sect. 30-1-10 et seq. (1991 & Supp.) and S.C. Code of Regulations sect. 12-906.1 et seq. (1996 & Supp.) and federal law, where applicable.

In accordance with State Law, records pertaining to expulsions from GSSM shall be retained for 75 years following separation from GSSM. Records pertaining to suspensions are retained for one year after the date of separation from GSSM. All other records in the Student Discipline Record file are destroyed upon graduation.

C. State and United States Residency Requirement

It is the policy of GSSM to consider only students whose parent(s) or legal guardian(s) have established permanent legal residency in South Carolina by January 1 of the school year in which the student applies for admission. Applicants must meet all other admission criteria of the school. The parent/guardian of a student must still be a legal resident of South Carolina and the United States on the date the student enters school for their junior and senior year. **A copy of a current state issued driver’s license or identification card and/or utility bill must be provided as proof of residency.** The parent/guardian must notify the school immediately of any change in residency.
Legal residency is established when one’s principle domicile is maintained in the state. One is considered a legal resident by establishing physical presence in a location determined as his/her permanent home for a period of indefinite duration.

D. Fees and Deposits

GSSM’s Board of Trustees and the school’s administration are committed to the policy that “No student will be denied entrance to GSSM because of an inability to pay the Student Fee.” Financial assistance is available to those who qualify.

In order to maintain its high quality programs, GSSM students pay an annual Student Fee which goes directly to help offset meal expenses for each student. This fee, combined with a subsidy from the school to make up the difference in providing meals, is reviewed and set annually by GSSM’s Board of Trustees.

The exact amount of the annual Student Fee, along with time payment and Financial Aid options, based on family income, will be made available before the start of each school year. Financial Aid is based on the Federal Government’s Free and Reduced Lunch family income scale.

Please remember: No student will be denied participation in the GSSM residential program for inability to pay fees. Other GSSM fees may be assessed for particular activities or special services.

E. Room Security Deposit

GSSM requires a $100 room security deposit. Any damages incurred during the year(s) will be itemized and billed. The deposit, less any unpaid expenses for damages, etc., will be refunded to the parent of a student not returning to GSSM in the fall semester.

Damages to student rooms and suites will be charged to the occupants of the room or suite. All damages done on the hallways and to lounges will be charged to the residents of that hall. Damages to stairwells will be charged to the residents of the respective sides. All common areas downstairs (including, but not limited to, the lobby, dining hall, and classrooms) will be assessed to the entire student body.

A 24-hour time period for investigation and for the individual(s) responsible for the damages to come forward will be allowed before charges are assessed. If no one accepts responsibility for the damages, appropriate assessments will be charged. Most damage billing will be deducted from the $100 security deposit each student paid upon enrolling at GSSM. However, some charges may be collected immediately as a form of restitution for intentional damages or those beyond normal “wear and tear.” Students will be notified when damage charges are assessed. Parents will receive a statement of room deposit deductions at the end of each year from the Business Office.

F. Withdrawing from GSSM

Occasionally, a student may wish to withdraw from GSSM. The decision to withdraw concludes all activities sanctioned by GSSM, including Research and January interim courses. Since such a decision is an irrevocable one, it should be thoroughly reviewed. Anyone wishing to withdraw must:

1. Review the matter with the Senior Vice President for Residential and/or the Vice President for Student Development.

2. Return all library books, textbooks, pay any outstanding fees, and return his or her room key and identification card to the Residence Life Coordinator who is on duty.

3. Complete the withdrawal form available from the Senior Vice President for Residential and/or Vice President for Student Development before leaving the campus.
III. ACADEMICS

GSSM is committed to the school’s mission of cultivating the joy of learning and building ethical leaders. Students at the Governor’s School have the privilege of being taught by faculty who are passionate and ignite that passion in the classroom. Students interact with their teachers outside of classes during office hours and by individual appointments. The comprehensive curriculum and teachers’ commitment to working with students to ensure success in their classes are important features of a GSSM education.

Collaboration with others in the school and local community is also important in the GSSM journey. To support the school’s mission, academic departments work with others across the campus to encourage a holistic educational experience fostering intellectual and principled excellence.

A. Academic Requirements

GSSM awards both State of South Carolina and GSSM diplomas. While at GSSM, all students must be working toward earning a State of South Carolina diploma and a GSSM diploma. Students must complete, at GSSM, a minimum of five (5) courses each semester, a January Interim course each year, and the Research and Inquiry Program summer component between the junior and senior years. Some students may need to take more than the minimum credits to meet state and/or GSSM graduation requirements. The academic advisor’s approval is required to take an overload (more than the minimum).

The table below outlines the minimum number of credits that must be completed for a GSSM diploma and State of South Carolina diploma. With the exception of the January Interim requirement, course credits may be completed before enrolling at GSSM.

Credits are defined as follows: 0.5 credit for a semester course and 1.0 credit for a year-long course or a two-semester course. If one high school unit is awarded for a semester long dual enrolled course, GSSM reserves the right to review the curriculum to determine if the material covered meets the GSSM 1.0 credit (i.e. year-long or two-semester course) requirement listed below.

### Additional Graduation Requirements

| Research and Inquiry Program - six week of mentored research is required for the Class of 2020. This includes summer research, a fall semester course during the senior year that culminates with presentations at Colloquium and SCJAS. | Required for all student to pass. |
| Junior Seminar Series – one hour per week per seminar. Fall Semester: Life & Leisure and Academic Transition; Spring Semester: College Planning Seminar I and three-part mini seminar series | Required for all juniors to attend and pass. |
| Senior Seminar Series – one hour per week in the fall semester: College Planning Seminar II | Required for all seniors to attend and pass. |
| Community Engagement | All students are must complete 50 hours during the junior and senior years for a total of 100 hours by graduation. |

### B. Academic Concentrations

GSSM offers students the opportunity to concentrate study in one of several disciplines. In this manner, students may pursue academic areas of particular interest to them. Students are cautioned that in most cases, they will have to have completed some advanced coursework prior to enrolling at GSSM for a concentration to be feasible. Concentrations are recognized during the Academic Awards Program at the end of the spring semester. A student should never pursue a concentration as a mark of academic excellence; breadth in academic pursuits is fully as desirable as depth, especially for students just beginning their academic careers.

1. **Biology**
   An incoming student with no Advanced Placement score will need to earn a grade of B or above in Biology 201 and 202 plus at least two other biology courses at the 300 level. An incoming student with an Advanced Placement score of 5 who skips Biology 201 and 202 will need to earn a grade of B or above in at least three courses at the 300 level.

2. **Physics**
   For a GSSM diploma with a physics concentration, a student must take Physics 101-102, 151-152, or 201-202 in the junior year and at least one of the following each subsequent semester: Physics 203, Physics 204, Physics 210, and Physics 301. A 5 on the Physics C AP test will be accepted in lieu of 201 or 202 as appropriate.

3. **Chemistry**
   The student will complete the following chemistry courses while at GSSM: the advanced Chemistry sequence (Chemistry 201 and 202) and at least one of the following: Chemistry 150 (Molecular Spectroscopy), Chemistry 300 (Introduction to Organic and Biochemistry), Chemistry 304 (Analytical Chemistry), or Chemistry 306 (Computational Chemistry).

4. **Mathematics**
   A student must make a B or above in any two of the following selection of courses: linear algebra, differential equations, discrete structures, multivariable calculus, number theory, or abstract algebra.

5. **Computer Science**
   A student must make a B or above in any two of the following selection of courses: data structures, programming interaction and visual design (processing language), game design, database design, artificial intelligence, C++ language application, computer networking, or robotics.
6. **Economics and Finance**  
To earn a concentration in Economics and Finance, a student must earn a B or above in at least three of the following courses: Technology Ventures, Quantitative Financial Analysis, International Economics, AP Microeconomics, and AP Macroeconomics.

7. **Humanities**  
The student will complete four term electives, distributed among or concentrated in the English, Foreign Languages, or History Department. Electives may be chosen only after required courses in the department have been completed.

C. **Courses and Schedules**

1. **Course Descriptions**  
A listing of course descriptions is published separately in the GSSM Course Catalog.

2. **Course Load**  
The minimum course load is five classes for seniors and five classes for juniors each semester. Juniors are also required to take and pass one-hour per week seminars in the areas of Life and Leisure (Fall), Academic Transition (Fall), College Planning Seminar I (Spring) and additional seminar(s) (Spring) during their junior year. Seniors are also required to take and pass a one-hour per week College Planning Seminar II (Fall). The maximum number of laboratory courses each semester is three. If students wish to take over five courses, which is referred to as an overload, they must receive permission from their Academic Advisor.

3. **Add/Drop**  
The last day for adding a course is *seven school days after classes have begun*. The last day to drop a course without it appearing on the transcript is four weeks. Courses may be dropped until midterm with a notation of withdrew passing (WP) or withdrew failing (WF) on the transcript.

4. **Course Placement**  
Every effort is made to place juniors in courses that are at the correct level based on their previous academic experience. Occasionally, a student may be misplaced. In such cases, the Senior Vice President for Residential, in consultation with the subject teacher and faculty advisor, may shift a student to a different level course. The deadlines and recording rules noted above are waived in these unusual circumstances.

5. **Auditing**  
Students will be allowed to audit a class, with prior approval of the instructor and consent of the Senior Vice President for Residential, without receiving a grade or credit, provided there is space available. Specific requirements about completion of homework, projects, tests, etc., are at the discretion of the instructor.

6. **Dual Enrollment Courses with Coker University**  
Some courses at GSSM will be offered as dual enrollment courses with Coker University. These courses will earn students college credit that may be transferred to the university or college in which they eventually enroll. The exact credit awarded at the enrolling university or college depends on that university or college’s policy.

7. **College Credit Agreements**  
GSSM has memorandums of understanding with Clemson University and the University of South Carolina to grant college credit for certain GSSM courses that are closely aligned with the university’s courses. Students must earn at least a B in the GSSM course and a passing grade on the challenge exam, which will serve as the final exam for the course, in order to
receive college credit if admitted to the university. Some courses in the initiative are in the Advanced Placement (AP) program while others are beyond this level. Students may continue to take the AP exams where applicable. Details regarding the course equivalences and credits granted by each university can be obtained from the Registrar and found in the back of the course catalog.

8. **Transfer Credit**
GSSM gives credit for all courses on the home school transcript. After entering GSSM, students may not take summer or online courses in lieu of GSSM requirements or for credit on the GSSM transcript without permission from the Senior Vice President for Residential.

9. **Grade Reporting**
Grades are given to students and sent home to parents after the mid-term of each semester and after semester exams. Instructors are encouraged to provide feedback, especially for juniors, throughout the year. At any time, students can ask their instructors about their grades; however, we encourage students to take responsibility for knowing what their grades are in courses by recording them and referring to the syllabi for their courses.

10. **Semester Exams**
Exams are given in most courses in December and May. A few courses do not lend themselves to final exams and a project may be assigned in lieu of an exam. For seniors with A’s in a course, a teacher may elect to exempt them from the May exam only.

11. **Meetings with Instructors**
If an instructor requests that a student meet with him or her, the student is expected to attend the meeting. A missed meeting will result in a Level 1 Offense (2m. Missing an appointment or required meeting).

12. **Course Instructors and Course Times**
Students do not have the ability to select instructors or course times. It is important to learn how to learn in all situations and from a variety of teaching styles. Learning from our diverse and talented instructors will prepare you for learning in the college setting and beyond. In order to provide the best educational experience, we try to balance classes as best possible (i.e. similar number of students in each class). Since a number of our courses are taught in one semester and since we allow students to add and drop courses at the beginning of semesters, there is sometimes a need to rebalance classes for instructors at the beginning of each semester and sometimes after a few weeks into a semester.

D. **Textbooks**
GSSM provides textbooks for all students. It is the responsibility of the student to return the books in good condition at the end of the course. Damaged or lost books will be charged to the student. No grades or transcripts will be available to a student until all outstanding financial obligations are met. Books borrowed from the Coker University Library are similarly the responsibility of the student.

E. **Academic Advisors**
Academic advisors work with their advisees, teachers, the Senior Vice President for Residential, and the Vice President for Student Development to help solve specific academic problems that arise during the school year. It is essential that the advisor communicate with the teachers of their advisees and with the administration. Teachers can usually provide much more information and insight concerning the student’s performance than is given in a formal grade; in return, the advisor can often help other teachers understand their apparent success or lack of success in individual cases by sharing appropriate, non-confidential information. The advisor should also contact coaches, residence life staff, and extracurricular
advisors to get a broader insight into the advisee’s attitude, behavior, and degree of success or failure and extent of cooperation.

F. Independent Study

Independent Study at the South Carolina Governor’s School for Science & Mathematics is designed to provide additional opportunities for highly motivated students to pursue areas of their special interest. Independent Study courses are student-initiated and allow students to explore areas of interest beyond what is offered in the catalog. It is aimed at enhancing the quality of our program by adding a customized course in an area of interest to a student and expertise of the instructor beyond what is already offered. Independent Study Course proposals will only be considered for 0.5 Carnegie unit (equivalent time commitment required as a regular semester-long course). In some rare cases, Independent Study Courses could be considered for 1.0 Carnegie unit.

Independent Study courses must be approved by the Curriculum Committee. Independent Study proposals should be completed and submitted to the Dean of Curriculum and Assessment at least by December 1st for a spring semester Independent Study and May 1st for a fall semester Independent Study.

Students wishing to enroll in an Independent Study course must meet at least one of these criteria:

- A student wishes to extend knowledge in a discipline where all relevant existing courses have been completed with a grade of 90 or above or with the permission of instructor and approval of the Curriculum Committee. The Curriculum Committee reserves the right to determine if all relevant courses have been taken in an area of study in order to warrant an Independent Study course. In some cases it will be advised that a student take an existing course instead of an Independent Study course.
- A student needs to complete a requirement for graduation (normally only in the spring semester of the senior year) when there is no course available in the specific subject that the student may schedule or an unavoidable scheduling conflict exists, provided that the Independent Study is not being used to replace a failed regular class. In special circumstances the instructor and student may request an exemption from the Curriculum Committee.

Please note:

- Faculty members are under no obligation to teach an Independent Study.
- No faculty member may teach more than two Independent Study courses per academic semester.
- Independent Study courses are student-initiated and are considered to be a contract between the student and teacher to complete a course of study.

Procedure to follow for approval of an Independent Study:

1. To receive approval for an Independent Study, the Independent Study instructor and student will provide the Curriculum Committee with an Independent Study Proposal Form, which includes the course description, course syllabus and a student’s individual academic information.
2. The Curriculum Committee will evaluate the request along with the other course requests for that semester and will give pre-approval, deny the request or seek additional information in order to make a decision.
3. Final approval of an Independent Study is contingent on final student grades for the semester prior to when the Independent Study will occur and the final schedule for the instructor and student for that semester.
G. Attendance, Absences, and Makeup Policy

To receive the full benefit of the academic experience at GSSM, participation with their classmates and teachers in all classes and labs is essential. Students are required to attend all of their classes and labs at GSSM unless they have excused absences. Excused Absence Forms must be completed three days prior to the planned absence.

1. It is the responsibility of the student who is absent from class or other mandatory activities to ensure that all obligations are fulfilled. For excused absences, the following makeup work policy applies:

   a. Students should email their instructor reminding them or informing them in the case of an unexpected absence (i.e. illness) that they will not be present for class.
   b. Prior to returning to class, students should ask the instructor via email or in person what was covered and if any assigned work was given. The student should also check Canvas or use other methods to determine what was covered and what was assigned.
   c. Work that is assigned prior to the excused absence and due the day of an excused absence must be turned in within two (2) class meetings from the day the student returns to class. The first of those two days is the day the student actually returns to class.
   d. Work that is assigned during a class period in which the student has received an excused absence must be completed within five (5) calendar school days (Monday – Friday), not class meetings, from the day the student returns to class. The first of those five days is the day the student actually returns to class.
   e. If a student is excused for three (3) or more consecutive classes in a course, the student must meet with the instructor to determine an appropriate time frame to complete work due during the classes missed as well as new assignments. This meeting should occur before or on the day the student returns to class. The appropriate Department Chair and/or the student’s academic advisor can assist in coming up with an appropriate plan if necessary.
   f. Long-standing assignments should be submitted prior to the excused absence, on time via online submission or by some other appropriate form of delivery. When this is not feasible, work should be submitted on the first class meeting when the student returns to class. A long-standing assignment is defined as one that is assigned two weeks or more in advance of the date of the student’s first day of an excused absence.
   g. The instructor has the discretion, but not the obligation, to work with the student to extend any of these make-up policies. It is in the student’s best interest to communicate with the instructor as quickly as possible during times of planned excused absences or times of illness or other unexpected absences.

2. In the case of illness, students must see the School Nurse, a Residence Life Coordinator, or the Dean of Students prior to missing a class or the absence will be recorded as unexcused. The procedure for reporting illness is as follows:

   a. If a student is ill, he/she must go to the School Nurse. If the nurse is not in the office, the student should call the Residence Life Coordinator on duty.
   b. If a student is in class and becomes ill, the student should ask permission from the instructor to leave class to see the nurse.
   c. When the student sees the nurse, the nurse may determine the student needs to see a doctor and will make the appropriate recommendation to the student. If a visit to the doctor is recommended, the nurse, in consultation with the student’s parent, will schedule the appointment.

3. There are three categories of excused absences:
A. **Category I:** This category includes absences for illness, doctor appointments, events sponsored by GSSM, scholarship interviews, funerals, and other situations that GSSM staff determine to be of a similar nature. Although there is no official limit to the number of days for this type of absence, please make plans that avoid missing classes when possible.

B. **Category II:** Students may take up to five academic days for college visits during their two years at GSSM. Please use long weekends, holidays, and summer breaks to minimize the loss of academic days.

C. **Category III:** Up to three days each year may be taken for family and personal matters. This category includes various family activities, traffic court, and similar reasons. Save these days for unanticipated events when possible.

4. **Excused Absence Form procedure:** Completed requests for planned excused absences must be submitted to the Program Assistant for the Senior Vice President for Residential and the Vice President for Student Development at least three full class days prior to a planned absence. A completed request consists of an Excused Absence Form with teacher signatures and a letter from the parent, which includes reason, dates/times, and vehicle/driver/travel details. The same process applies and should be followed for any students attending field trips, academic competitions, athletic events, missing academic Saturdays, etc. For any Friday and/or Monday absences that will include a weekend not designated as a long weekend, a weekend leave request must be submitted to the Office of the Dean of Students in addition to the completed Excused Absence Form. (See Weekend Leave Request section of this handbook.) This advance notice is needed to ensure the safety of our students as well as to efficiently manage school operations. Advanced notice will be waived for emergencies only. Excused Absence Forms not submitted on time may not be processed, and the absence(s) may be recorded as unexcused regardless of signatures and parental approval.

5. Excused absences are not granted for the purpose of early departures or extensions of holiday periods. Please plan vacations and visits to prospective colleges accordingly.

6. Unexcused absences should be rare at GSSM.

7. All students should accept personal responsibility for attendance and understand its importance to their education. This includes unexcused absences. Teachers may assign academic penalties for unexcused absences based on the missed opportunity for learning in the particular course, lab, or presentation (e.g. Colloquium and SCJAS) as outlined in the syllabus for the course or lab. The penalties will be imposed separately for each course or lab and will not exceed the following guidelines:

   a. **Missed quizzes, tests, late work or required presentation:** A reduction of up to 3 points on the Uniform Grading Scale (UGS) for the semester grade. Daily work (i.e. pop quizzes) will be made up at the discretion of the teacher as described in the course syllabus. Students should ask the instructor via email or in person about what was covered and if any newly assigned work was given prior to returning to the class if possible, and if not possible before returning to class, then during the class period when the student returns. Make-up of major tests and labs is mandatory. Please note that participation in Colloquium and SCJAS are required and attending both should be prioritized. Providing make up opportunities may be difficult; and the academic penalties for not participating significant.

   b. **First absence:** The teacher may warn and counsel the student about missing class.

   c. **Second and each subsequent occurrence:** Reduction of up to 3 points on the UGS for the semester may be imposed by the teacher.

   d. The combination of penalties stated above for missing a class and for graded work during the same class may not exceed 4 points on the UGS.
e. Successful completion of the three Junior Seminars and the mini-seminars is a graduation requirement. Attendance policies and consequences are outlined in the syllabus for each seminar. Students are responsible for adhering to these policies.

8. Absences in excess of the limit in a category will be recorded as unexcused. There will be a few academic days when Category II and III absences are not permitted (for example Research Colloquium and SCJAS annual meeting) due to the importance and uniqueness of these days. Such days will be announced well in advance to parents and students.

a. No credit will be given for a course if a student is absent from a class or lab more than 10 of the scheduled meetings (total of excused and unexcused absences). For extraordinary circumstances, waiver requests may be made by the parents to the Senior Vice President for Residential.

b. Students are expected to be on time for all scheduled classes. Tardies in a course that add up to 20 minutes during the semester may be counted as an unexcused absence.

c. A deficiency form will be mailed to parents if a student has three unexcused absences in a course or two unexcused absences in a science lab during a semester. The necessity to schedule language labs in the evening creates a unique set of circumstances. Therefore, the policy for language labs is determined by the foreign language teachers and posted separately. The policy will be in the spirit of the overall GSSM policy for absences.

H. Instructor Absence

In case of the unplanned absence of an instructor, a note dated and signed by a faculty or staff member will be posted on the classroom door and/or through email. If there is no note and an instructor has not arrived for class within 5 minutes of the start time, one student should verify that the instructor is not in his/her office and then inform the Senior Vice President for Residential or another member of the staff. All students will remain in the classroom until a staff member has given them further instructions or dismissed them.

I. Grades/Academic Credit

1. By South Carolina law, all high schools, including GSSM, must use the Uniform Grading Scale (UGS), which is Appendix A. All courses are weighted as Advanced Placement/Dual Credit or Honors. (See chart of UGS at the end of this section.)

2. There is no failing grade at GSSM; however, a grade of D does not receive academic credit and is considered unsatisfactory. A grade of D will transfer to the home school as a passing grade with credit.

3. For any course that must be retaken due to a grade of D, the student’s record will record that the course was taken twice and the grade earned each time. Only the higher grade will be used in GPA calculations.

4. Grades of incomplete (INC) will only be recorded in cases of illness or extreme family emergencies. The Academic Review Committee must approve a grade of INC and set a deadline for course work to be completed. Failure to meet this deadline will result in the INC being converted to a 69.

5. Progress grades are reported to parents and guardians once during each semester as well as at the end of each semester.
J. Academic Eligibility

At the end of each grading period, the Academic Review Committee (ARC) will review the report card of any student who has one or more D’s and/or three or more C’s to determine if the student should be allowed to remain at GSSM. The ARC consists of the Senior Vice President for Residential, Vice President for Student Development, the Dean of Curriculum and Instruction, and the Director of the Center for Academic Success. The ARC will recommend to the President of GSSM whether the student should be separated from GSSM for unsatisfactory academic performance. The President, after consultation with the student and parents, will make the final determination. Earning a final grade of D in any class that is a prerequisite for a required class as a rising senior or second semester junior or senior will prevent a student from continuing on at GSSM (e.g. either semester of MAT 101, 102/103, or 111/112 or ENG 102).

The ARC may require a returning senior to accept academic probation as a condition for return. These students will have Pre-QUEST mandatory study hall at the start of Fall semester.

K. Class Rank

The South Carolina Governor’s School for Science & Mathematics does not rank its students. Because the student body represents a cross section of the brightest and highest-ranked students from the state, ranking is neither fair nor appropriate.

L. Class Testing and Assignments

1. Tests requiring the entire class period should be announced to the class in advance of the test date. No student is required to take more than three full-period tests on any day. Short (less than 20 minutes) quizzes may be given without prior notification. Major paper assignments and due dates should also be announced in class in advance of the due date.

2. Faculty members should assign a minimum amount of homework over a long weekend or after a major school event (all-day trip, convocation, prom, etc.). If at all possible, these assignments should be made well in advance of the weekend or event. No assignments should be made over vacation breaks, such as Thanksgiving, Christmas, winter, or spring break.

3. No quizzes or tests should be given on the first class day after a long weekend or vacation break.

M. Plagiarism and Cheating

A student must always reference the use of non-original material. Failure to acknowledge that one has borrowed ideas or words from an external source, including the Internet, is dishonest and impairs an instructor's ability to accurately evaluate a student's ability. Without reliable input, an instructor cannot adequately assist the academic development of a student.

If a student is unsure about the use of some material or about the appropriateness of its use, that student should consult the instructor supervising the assignment. The following list provides an overview of some situations that are considered cheating and/or plagiarism at GSSM:

1. The verbatim reproduction of the content of any source that is not original as if it were your own.
2. The reproduction or rephrasing of an article, essay, document, idea, or any other non-original source as if it were your own.

3. The use of any thought, research, organization of material, presentation, or phrasing of another person as if it were your own.

4. The use of another person's laboratory data or conclusions without documenting that use.

5. Any collaboration on assignments that are supposed to be completed independently.

6. Copying the work or answers of others on assignments or tests.

7. The use of crib sheets or other resource materials that are not permitted by the instructor. This includes using material that is not permitted and representing yourself as having read the required text rather than abbreviated material.

8. The assimilation of ideas from many sources is basic to academic research and intellectual development. At GSSM, it is imperative that students identify all sources used in the development of an idea. Only when students provide credit where credit is due can their instructors do the same for them. Faculty will routinely use tools such as Turn-It-In, etc. to check for plagiarized material.

9. Writing or stating information the student knows to be untrue.

N. GSSM Research & Inquiry Program

One of the most distinctive learning experiences for GSSM students is student participation in a mentored research experience. Most students spend six weeks during the summer following their junior year conducting research under the mentorship of a professional researcher at a university, field station, government facility, or industry partner. All students, with the support of their GSSM faculty research advisor, complete a graded research portfolio to communicate their research experience and results. Students present their research presentations at both the GSSM Annual Research Colloquium and the South Carolina Junior Academy of Science.

O. Community Engagement

The Governor's School for Science & Mathematics views the Community Engagement service requirement as an appropriate and essential response on the part of GSSM students to the generosity of the state in providing an exceptional GSSM education. Service, whether within the context of the residence hall, faculty/staff assistance, or community, is emerging as one of the evidences of maturity sought in college admissions and has become an important requirement of many public and private secondary schools.

Satisfactory completion of this service is a GSSM graduation requirement. Students are required to complete 50 hours during their junior and senior years for a total of 100 hours during their time at GSSM. These hours can be earned through participation in a number of approved service activities. Students should be as faithful to community engagement as they are to their classes and other commitments. The Community Engagement program is administered through the Office of the Dean of Students. Questions regarding this requirement should be directed to this administrator.
P. Classroom Cell Phone Policy

Cell phones must be turned off or students must follow the instructions of the teacher during instructional time. Refer to the cell phone policy under Life on Campus for more discussion.

Q. Meetings and Assemblies

Unexcused absences from required meetings and assemblies will be considered an infraction and will be sanctioned accordingly. Decorum for attendance at meetings and assemblies includes the following:

1. Students may not wear hats/baseball caps.
2. Students must remain awake and alert for the entire program.
3. Students must exhibit courteous and appropriate behavior that includes, but is not limited to, no talking, eating, drinking, whispering, passing notes, or feet up on chairs or railings, etc.
4. Students may not wear or use headphones and should not bring electronic devices to an assembly meeting.
5. Students are expected to attend all mandatory assemblies and to be on time.
6. Faculty and/or staff members may cite a student for inappropriate behavior during an assembly.

R. January Interim

As part of the GSSM graduation requirements, students are required to enroll and successfully complete two interim courses, one during their junior and senior years. The courses vary in content and cost. If a student registers for a course that has a fee, the student is responsible for payment in full for the course, even if he/she later withdraws or is dismissed from GSSM prior to or during Interim. If this occurs, there is no reimbursement for payments made and the student remains responsible for the full payment.
IV. STUDYING ON CAMPUS AND LIBRARY USE

It is important that students make studying a priority. The Academic Transition Seminar assists students in developing the time management and study skills necessary to navigate GSSM’s academic rigor. The section below will acquaint students with study policies and resources related to the use of the Coker Library.

A. QUEST

QUEST is defined as Quality Uninterrupted Enforced Study Time and is required for all students. QUEST is from 8 pm – 10 pm, Sunday – Thursday. Non-academic activities may not be held during QUEST. During QUEST, quiet co-ed study is allowed in the dining hall, B186 (if available), North lobby, and South lobby. Students may also QUEST quietly in the residence hall rooms, lounges or silently in the Reading Room.

During QUEST, the entire building should be like a library where the environment is conducive to academic pursuits, and all students should be engaged in some sort of academic work. This means that students can be studying quietly alone or in groups. Working in groups and talking at a low volume is allowed, but it should not disturb those around them. It is unacceptable for any student or groups of students to impose on their peers or impede their ability to study.

QUEST for juniors during the start of the Fall Semester may include some evenings where students QUEST in classrooms in order to understand and gain the benefits of concentrated study time during this designated period. This initiative will encourage opportunities for students to access the multiple peer tutoring labs available for additional support during QUEST.

The Academic Success Coordinator and members of the residence life staff monitor QUEST. The Senior Vice President for Residential asks that any faculty or staff member who happens to be on campus during this period help ensure that the campus is conducive to studying and focused on academic activities.

For students who choose to study in their rooms, the expectation is that they are indeed studying. Therefore, the residence hall room door should be at least 45 degrees (halfway) open to completely open to provide the staff who may be monitoring the floor the opportunity to ensure that academic activity is occurring.

All music should be listened to on headphones. Students are not permitted to talk on phones, watch television or movies, play games, etc. when they are QUESTing. Activities distracting to others (playing music audibly, socializing in hallways, etc.) are not permitted. Students are allowed to do laundry during QUEST, as long as the time spent in the laundry room is limited to starting or removing laundry. Students may not QUEST off campus.

Optional QUEST is a senior privilege during the spring semester given to seniors based on their grades. More information about Optional QUEST can be found under the Senior Privileges section of the handbook.

Studying takes precedence over all social activities during QUEST (e.g. senior privileges during Spring Semester). If someone asks you to be quiet, turn off TV/game, or move loud study groups, you must comply. This includes all lounges, classrooms, and public areas.

Failure to comply with QUEST or ConQUEST guidelines will result in QUEST violations and the following consequences will apply:
**First violation** – Student meets with the Academic Success Coordinator at the time designated via an email to the student. Student will be required to QUEST in the room the evening after the meeting. This will be considered a Level 1 violation.

**Subsequent violations** – Student meets with the Director of the Center for Academic Success at the time she designates via an email to the student. Student will be required to QUEST in the room two evening after the meeting and parents will be contacted. This will be considered a Level 1 violation.

**B. ConQUEST (CONcentrated QUEST)**

To help our environment be more conducive to study in the building during finals, the following ConQUEST guidelines will be in effect each semester from 8:00 pm on Reading Day until all students have finished exams:

1. 'Lights Out' is suspended for study purposes only during ConQUEST. If one roommate is sleeping, the other must go to the lounge to study to allow ‘lights out’ in the room for sleeping. 'Lights out' may be reinstated if the noise level gets too loud and students are not able to get sleep or study. (See Lights Out section on page 27.)

2. The computer network is available during the same hours as academic nights during the semester.

3. The only time acceptable for NORMAL noise level is from 7:00 - 8:00 pm and 10:00 - 10:30 pm.

4. All games and outdoor activities must be held away from the building in the grassy area behind the building so that other students are not disturbed or distracted.

5. Any excessive noise that can be heard outside an individual room (with the door open or closed) or is distracting is not permitted. This includes loud talking, music, computer games, video games, physical activity, etc. Areas include (but are NOT limited to) hallways, lounges, the lobby, stairways, and in front or in back of the building.

6. Studying takes precedence over all social activities during ConQUEST. If someone asks you to be quiet, turn off TV/game or move loud study groups, you must comply. This includes all lounges, classrooms, and public areas.

7. Students may not watch TV during normal QUEST hours and after 10:30 pm or before 6:00 am.

8. If you wish to listen to music in the lounge you will need to use headphones and the volume should be low enough so another person cannot hear the music.

9. Lounge and cell phones should not be used during normal QUEST times.

10. Violation of ConQUEST is considered an infringement of another’s right to study and will be responded to and sanctioned appropriately.

**C. Pre-QUEST Study Hall Policies**

The purpose of the Pre-QUEST Study Hall is to reduce distractions, intensify efforts, and encourage better study habits so grades will improve.
1. **Procedure**
   a. After each grading period (Fall and Spring mid-terms, Fall and Spring Semesters), all students with a D and/or three or more C’s will automatically be placed in the Pre-QUEST Study Hall.
   b. Instructors or the Director of the Center for Academic Success may place students in the Pre-QUEST Study Hall at any time by submitting a written Academic Deficiency Report of unsatisfactory progress in a course to the Senior Vice President for Residential. Students so assigned must remain in Pre-QUEST until its conclusion.
   c. Written notice via email and/or report card will be given to the students who are placed in the Pre-QUEST Study Hall. Parents will receive notice via the report card.
   d. The Senior Vice President for Residential or designee will report the names of all students who are in the study hall to appropriate faculty and staff.

2. **Effective Dates**
   After the mid-terms of both semesters, Pre-QUEST will begin after all grades have been reported and distributed to students which will most often be during the week following the end of the grading period and continue for four weeks. Pre-QUEST after the Fall Semester will begin the first night of Spring Semester after Interim and continue for four weeks. For returning seniors, Pre-QUEST after the Spring Semester will begin during the second full week of classes the following Fall Semester. The study hall will be suspended only by scheduled GSSM events such as holidays, Interims, or school-wide activities. In such case(s), the study hall will resume one the normal GSSM schedule resumes.

3. **Requirements**
   a. The student will be assigned to Pre-QUEST for four (4) consecutive weeks. Pre-QUEST will run Monday through Thursday for an hour and 15 minutes sometime between 4:00 p.m. and 8:00 p.m. based on scheduling developed by the Director of the Center for Academic Success, with the exception of long weekends or holidays.
   b. Students will be excused from Pre-QUEST to attend astronomy lab. Students may also attend teacher-led study sessions in any of their courses if the teacher turns in their names to the Academic Success Coordinator in advance with date, time, and location listed.
   c. Failure to meet attendance requirements is subject to the discipline code as a Level 1 disciplinary offense. Missed time in Pre-QUEST will result in having to attend make-up Pre-QUEST days at the end of Pre-QUEST.

4. **Limitation of Activities**
   We recognize that significant benefits can be derived from being a member of a club or an athletic team. These activities complement students’ growth as individuals and scholars. It must be understood that academics take precedence over extracurricular activities and athletics at GSSM. Therefore, some flexibility has been considered regarding PreQUEST to support students’ holistic development. Any considerations beyond those delineated below must go through the Director of the Center for Academic Success. Be mindful that if a student is allowed to continue participation while on PreQUEST, the opportunity may be revoked if significant academic progress is not noted or for failure to comply with the guidelines outlined by the Center.

**Athletics:** Students on Pre-QUEST who are on a GSSM athletic team must work with the Academic Success Coordinator to ensure that they miss as little study and class time as possible due to athletics. These students can not miss Pre-QUEST to attend team practices or meetings. They may attend home games. Participation in away games is at the discretion of the Director of the Center for Academic Success in consultation with the Athletic Director and the Academic Success Coordinator.
Clubs/Organizations: Students on PreQUEST may not miss these study sessions to attend club meetings or activities. They may attend competitions with the permission of the Center Director.

Community Engagement: While service is a graduation requirement, students on PreQUEST who have made community engagement commitments that may conflict with associated requirements (e.g. projects that require travel and extended hours away for campus) may have to adjust their participation on class days. Coordination needs to be reviewed with the Director of the Center for Academic Success and the Dean of Students if such conflicts arise.

D. Guided QUEST

Guided QUEST is monitored study time within the QUEST time block assigned by a student's teacher for a specific number of days. This is a reserved hour in a designated academic wing room during which a student will do assigned homework, study, or otherwise prepare for a course in which a teacher has determined additional attention is required. Guided QUEST is not designed to be punitive. Rather, it is set up to ensure that students are devoting enough time and effort to successfully complete the designated course.

An example of a Guided QUEST might be 4 PM – 9 PM Monday, September 18 – Thursday, September 21. Guided QUEST is NOT assigned on Sunday nights.

E. PUG QUEST

Potential for Unsatisfactory Grade Reports (PUGs) are issued by the faculty any time between four weeks before final exams and the commencement of final exams. These reports are sent if a faculty member is concerned that a student may not earn a satisfactory (passing) grade in a particular class. Students who receive one or more PUGs will attend PUG QUEST: designated study time in the late afternoon or early evening in the weeks prior to final exams. PUG QUEST is not designed to be punitive. Rather, it is set up to ensure that students are devoting enough time and effort to successfully complete and receive credit for the designated course.

Students on PUG QUEST may not participate in any organized athletic team or club activities, competitions, or other extracurricular events Sunday – Thursday during PUG QUEST. Students may petition the Director of the Center for Academic Success for an exception to this rule. If the petition is granted, it can be rescinded if the student fails to abide by the conditions set forth in the agreement with the Director. In addition, any student on PUG QUEST may work to complete only the minimum number of Community Engagement hours during this time frame.

F. Lights Out Extensions

On occasion, students may have a need to stay up to study past Lights Out. If this occurs, students may request Lights Out Extensions for group study or to study outside of their rooms. Students may request up to 12 extensions a semester, which averages approximately one per week. In order to receive a Lights Out Extension, the student must email the RLC on Duty directly or sign up for one in the RLC Office before 11:15 p.m. on the night they wish to receive the extension. If granted, the student will then be allowed to stay up until a designated time as long as it does not interfere with the roommate's ability to sleep or prove disruptive to other residents. More specifically, extensions will be granted until 1:00 a.m. or 2:00 a.m. if they are requested as noted above. Students with approved Lights Out Extensions may study in the common areas on the residence hall floors and outside of their rooms in the hallway. Group study must be held in the common areas as to not disturb other students. Once the extension is over, the student must turn out all lights and follow all guidelines for Lights Out. If students feel they need more than the allotted number Lights Out Extensions a semester, they should meet with their Academic...
Advisor, the Director of the Center for Academic Success, or the Senior Vice President for Residential for academic or time management counseling.

G. Library Use

GSSM students may use the Charles W. and Joan S. Coker Library-Information Technology Center at Coker University for research and other academically related purposes. This 40,000 square foot facility hosts an expanded print collection, electronic databases, WiFi, computer kiosks, and a café. Instructors and/or advisors are to communicate to the Campus Life staff when their classes/students are approved for Coker Library use. This generally applies to specific assignments, but is not limited to them.

Research librarians are available at the Coker University library during mornings and afternoons to assist with locating resources and devising research strategies. Students are encouraged to use this valuable resource in the early phases of their research projects.

GSSM students may use all print and electronic resources in the library. Up to five items may be checked out at any time, with the exception of DVDs, CDs, and reference materials, which must be used in the library. Students may renew checked out items once, but all materials must be returned to the library by their due date and prior to the end of the GSSM semester in which it was borrowed.

An extensive collection of research databases and electronic catalogs are available online in the library and via the Internet. Accessing these resources via the Internet requires a username and password provided by the school.

Students may use library computers for research and catalog access, but may not use them to compose or edit assignments. However, students may bring their own computers for this purpose. See the library staff at the circulation desk for information about how to connect to the college's wireless network.

Students visiting the Coker Library are representatives of GSSM and should conduct themselves accordingly. All GSSM rules concerning conduct remain in effect when visiting the library. Coker University rules and policies are also applicable to visiting GSSM students. Coker University may deny access to its library facilities to anyone who violates their published rules and policies.

GSSM students will exercise care with all library materials and will return all materials checked out when they are due. Students are responsible for paying any fees or fines assessed by the library. Coker’s circulation policies may be found online at http://www.coker.edu/library.

Students who visit the library will observe GSSM policies regarding walking off-campus described in Chapter VII, Leaving Campus, in this handbook.

As with most colleges and universities, Internet access at Coker University is not filtered to prevent access to pornographic or other inappropriate content. GSSM rules prohibiting student access to pornographic or other inappropriate content also apply when using the Coker University library or any other college or university when the student is representing GSSM.

H. Academic Wing Access

Access to the academic wing is limited in the evenings and on the weekends. After 5:00 pm and any time on the weekends, students are not allowed on the second floor of the academic wing unless they are meeting with teachers in a classroom or lab. When the Reading Room, which is housed in the Boardroom, is open, students are allowed to access the second floor to study in that space.

After 5:00 pm on school nights and on the weekend, student access to the first floor is limited to going to and from the computer lab, tutoring centers, and scheduled meetings with teachers or other staff members. Unauthorized access to the academic wing will be considered a Level 2 offense (unauthorized entry into/use of facilities or equipment).
V. LIFE ON CAMPUS

The residence hall (GSSM Houses) is your home away from home at the Governor’s School. Students are expected to keep their living areas and the common areas clean. Each student shares responsibility for maintaining these spaces. The information outlined in this chapter focuses on health and safety in the Houses and building a sense of community in the residential environment as well as the campus.

Living in a residence hall offers students the opportunity to learn to balance their personal wishes and those of others. Learning to compromise and negotiate in various situations is an important part of the GSSM journey. Every student contributes to the spirit of the House where he/she resides through cooperation, consideration of others, and civility.

A. Residence Life Staff

The Residence Life staff members, who live in the residence hall, are responsible for supporting the school’s mission by directing, guiding, and supervising the students, particularly in areas of non-academic development. Their mission is to support the students’ academic efforts and to guide their mastery of the art of combining rigorous work with a rewarding, healthy, and balanced life. The staff provides emotional support and social and recreational opportunities. They also respond to student concerns, set standards for acceptable behavior, interpret and enforce school policies, respond to problems and conflicts, and administer discipline when necessary. The residence life staff is in charge of the day-to-day operation of the residence life program and, with administrative support, has responsibility for decision-making in this area.

The Residence Life Coordinators (RLCs) are professional full-time staff members who live in the residence hall. They participate in faculty/staff meetings and are charged with representing the concerns of students regarding residential life. In addition to the professional staff, Resident Assistants (RAs) serve as mentors, plan hall activities, help enforce guidelines, and act as liaisons between the students and staff. RAs are local college students and are chosen for their maturity, leadership, communication skills, and interest in working with teenagers.

B. Room Check

Room check occurs Sunday – Thursday at 10:30 pm and Friday and Saturday at 12 midnight. The following are the guidelines for room check:

1. Students must be at their room door for room check. (This applies to the first few weeks of school. After convocation students may be at their suitemates’ door.)

2. Students must stand at the door for room check until the Resident Assistant verifies their presence.

3. Students who go to sleep prior to room check must put a note on the door for the RA. RAs will verify that the student is indeed in his/her room asleep.

4. Information on students who are late for room check will be documented by the Residence Life Staff. This is a violation of GSSM policy and will be handled accordingly.

5. Students will be asked to present their student identification cards during the first two weeks of the school year. Afterwards, student IDs may be checked periodically during the day. Whenever asked, students are required to present the cards upon request.
C. Lights Out

Lights Out begins at 12 midnight and ends at 6:00 a.m. the following morning on Sunday through Thursday. Students may not be outside of their rooms during these hours, and it is the expectation that rooms be in a state conducive for sleep (e.g. overhead and obtrusive lights out, music off, etc.). All students are expected to respect the rights of community members regarding sleep and quiet. Students are also reminded of the importance of getting proper sleep and its impact on their health and overall wellness. They are strongly encouraged to be in bed during these hours. GSSM acknowledges that there may be occasions when a student's academic workload requires that they work beyond midnight. With proper time management, these occasions should be rare and generally avoidable. Students are encouraged to maximize their time between classes, planning ahead and not waiting until the last minute or QUEST to begin their out-of-class academic preparation.

Again, students are not allowed out of their rooms after midnight and it should be completely quiet in the residence hall. Exceptions will be Lights Out Extensions, which can be requested through the residence life staff on duty any evening (see page 24).

If students are found outside of their rooms without authorization, being loud, and not maintaining the spirit of Lights Out as outlined above, staff will address this conduct. Additionally, if reports are made that indicate that students are not adhering to this policy (e.g. complaints from other students, concerns regarding class attendance, tardiness, lack of engagement, etc.) from community members including parents, members of the staff will follow up and periodically check on them, exercising GSSM’s responsibility to address policy violations in keeping with the school’s honor code. Students who have been reported by community members will be notified prior to this follow up.

Internet and email access is turned off Monday through Friday from 1:15 a.m. until 5:30 a.m. There is no "off" time from Friday at 5:30 a.m. until Monday at 1:15 a.m.

D. Quiet Hours and Consideration Hours

During Quiet Hours, students are to be quiet and residents undisturbed, specifically from 12 midnight to 6:00 a.m. This also includes QUEST and the time between Room Check and Lights Out. All other hours of the day, 6:00 a.m. until 8:00 p.m. are Consideration Hours where everyone is expected to be respectful and considerate of his/her neighbor, including those on the hall and in areas above and/or below student rooms. Students socializing in lounges and other common areas are expected to be mindful of Quiet Hours and Consideration Hours.

E. Student Visitation

GSSM students are welcome to have guests visit them in keeping with the Guests on Campus section (H, pp. 39-40) noted in the chapter on Safety and Security. Guests, including alumni, must be properly signed in and out. The visitation hours for students are as follows:

- **Sunday through Thursday – Noon to 7:30 p.m.** Students may not have guests when they are scheduled for classes, residence hall meetings, QUEST, and other GSSM sponsored and/or required events.

- **Friday and Saturday – Noon to 10:30 p.m.** Students may not have guests during certain scheduled and/or required events.

Parents are always welcome, but should be mindful of students' class schedules and other commitments. They too must in at the front desk.
F. Residence Hall and Common Area Shared Housekeeping Responsibilities

1. Each student is responsible for the upkeep of the residence hall floors, including rooms, hallways, bathrooms, and lounges.

2. Students will be placed on a “suite rotation” for common areas upstairs. Areas to be cleaned on a rotation include the stairwells and elevators, lounges, hallways, and laundry rooms.

3. Clean common areas are the responsibility of all GSSM residents. Lounges determined to be excessively dirty or “trashed” (i.e., food remnants not properly thrown away, scattered newspapers, dirty dishes left in the lounge) will be closed for no less than 24 hours. The lounge may be closed for longer periods as deemed appropriate by the RLC or RA on the floor. While suite rotation is assigned to the lounges for general clean up, residents are expected to clean up after themselves.

4. Students’ personal items left in the hallway should be moved by midnight. Any items left after Lights Out may be picked up by staff and students might be required to assist with hall cleaning or other community chores before items are returned.

5. The Clean Campus Committee (CCC) shall oversee the tidiness of the downstairs area of the GSSM campus, as well as to raise student awareness concerning the need to take responsibility for personal belongings and to maintain clean surroundings.

   a. If a student assigned CCC duty for leaving an item downstairs misses the night after his or her item(s) was (were) found, he or she will have to complete two nights of CCC duty. Students will be informed by the RLC on Duty each evening via email if they have been assigned CCC.

   b. If a student assigned CCC duty for leaving an item downstairs misses two nights after his or her item(s) was (were) found, he or she will have to complete three nights of CCC duty.

   c. If a student assigned CCC duty for leaving an item downstairs misses three nights after his or her item(s) was (were) found, a Level 1 will be given to him or her for failure to follow instructions.

   d. Special cases
      i. If a student assigned CCC duty falls ill, is not at the school during the designated time when CCC is to be performed, or is being disciplined in some way that impedes his or her attending CCC, the student will not be punished, but will be allowed to complete their duty the first night they are free from the aforementioned restrictions. If they fail to attend, they will be subject to the consequences mentioned above.

      ii. If a student who has missed one or two nights of CCC completes their duty, yet his or her belongings are found the same night, he or she shall again be required to complete CCC duty, with the same consequences for missing nights.

G. Room Inspections and Cleanliness

1. Room and Hall inspections will be conducted at least once a week to ensure student rooms and halls meet the health, safety, and cleanliness standards established by the school and health and fire safety authorities.

2. Students are required to pass these inspections. They will be scheduled on a regular day and time to be determined at the beginning of each school year. Students on each hall will be informed as to whether or not they passed inspection in a manner to be determined by the hall staff at the beginning of the school year. Students may review the inspection records if they have questions about past inspections. Whenever possible, they will not conflict with suite rotations. Closed areas and refrigerators may be opened for visual inspection (see
Room Inspection Form). Note that failure to pass room inspections may be subject to disciplinary action.

3. For reasons of health and safety, GSSM reserves the right to conduct inspections in students’ rooms during any vacation period (see details in #5 below).

4. Roommates and suitemates are responsible for their shared living areas. When individual responsibility cannot be easily determined, students will be held equally responsible for substandard cleanliness or illegal items in their living areas. If a student is aware of a problem in their shared living area, he/she should notify a Residence Life Staff member promptly.

5. Pre-inspections will occur on the evenings prior to breaks for all residents. All items on the Room Inspection Form will be reviewed. Custodial closets will also be checked.

6. White glove inspections will occur during Long Weekends and the closing day for all other breaks. Resident Assistants will conduct the inspections after all students have left for Long Weekend or break. Requirements for white glove inspection extend beyond what students must complete for routine room inspections.

H. Residence Hall Room Decorations and Furnishings

1. The names of room occupants must be clearly displayed on the room doors during the entire year with the nametags furnished by Residence Life.

2. Arrangement of furniture must meet basic safety requirements and guidelines established by the Residence Life staff. All furniture must remain in the room and on the floor at all times. No cinder blocks are allowed in the rooms.

3. No obscene, offensive, or pornographic materials may be displayed.

4. Road and/or building signs are not permitted in student rooms or common rooms and will be confiscated if found.

5. The Residence Life staff reserves the right to determine appropriate decoration of rooms, doors, and hallways. Community-wide posters and notices are to be mounted on bulletin boards only.

6. Lounge, lobby, activity room, and classroom furnishing must not be moved from their designated areas.

7. Command Strips, thumbtacks, or push pins are to be used to hang posters, photos, etc. on room walls. It is not recommended that thumbtacks or push pins be used to place short-term things on walls or doors (e.g. notes, etc.). Heavy duty tape like Duct Tape or nails should not be used on the walls or doors. This includes other adhesives.

8. Thumbtacks, push pins, or nails should not be used in the hallway. Command Strips can be used in the hallway.

9. Televisions are provided in the student lounges. Students may not move TVs from the common areas. Student may opt to use TV monitors versus a computer monitor. If students elect to use TV monitors, note that the purpose of this monitor is primarily academic and not designed to be recreational.

10. Nintendo, Playstation, XBOX, Wii consoles, etc. may be hooked up to televisions in the TV Lounge; students should avoid leaving their equipment unattended.
11. Each student is permitted to have a refrigerator, but it must be no larger than a “dorm size” or personal refrigerator.

12. Stereo equipment is allowed and students are encouraged to bring headphones to avoid noise violations.

13. Residence hall rooms are not to be used for music practice. Amplifiers should never be used in the residence hall rooms. GSSM does not provide storage for musical instruments; however, some arrangements may be considered for larger instruments.

14. Students are allowed to keep and use personal computers in the residence hall; however, monitors are limited to 36 inches and only two monitors (e.g. the monitor associated with a notebook computer and one additional monitor) are permitted per student. Requests for exceptions to this expectation must be made in writing to the Senior Vice President for Residential who will consult with the chair of the math and computer science department for consideration. An explanation as to why a larger and/or multiple monitors is/are necessary for academic purposes will have to accompany the request. Approval is necessary and required before this equipment is brought to campus. The senior academic officer will communicate any exceptions to this requirement and approvals of additional equipment to the Dean of Students.

15. Fish and small fully aquatic animals are the only pets permitted for students living in the residence hall. They are restricted to living in a 10-gallon aquarium and must be taken home over long weekends and breaks. These pets must be incapable of surviving outside of their bowls or tanks. Pets must be registered with Residence Life and qualify based on the criteria outlined above. Students' personal pets cannot be stored or maintained in science laboratories or in any place on GSSM property. GSSM reserves the right to not allow certain fully aquatic animals based on what might be necessary to maintain them. Additionally, both roommates must agree to share their living space with a fish or other qualifying pet.

16. High lofts are not allowed. Bunking and low lofting the beds as they are designed is permitted with the use of steel pins provided by the Residence Life Coordinators. In bunking beds, two pin openings above the level at which the bed is bunked must be left.

17. Athletic and recreation equipment (including, but not limited to, footballs, baseballs, water guns, nerf guns, potato guns, and basketballs) cannot be used inside the building.

18. Candles, incense, irons, heating elements (e.g. hot plates, woks, coffee makers, hot pots, etc.), electrical appliances, halogen lights without protective screens over the bulb, or any kind of open flames producing device are not allowed in the residence hall.

19. LED lights (string lights) are permitted if they are approved by the residence life staff before they are hung. They must meet the Standard for Flexible Lighting (UL2388) and may not be UL588 seasonal or holiday lighting. Electrical cords leading to lights must be UL approved and may not be damaged or frayed. Extension cords may not be used and lights must be mounted in keeping with guidelines for room decorations and furnishing. Lastly, they must be turned off when leaving the building and they are not permitted in the suite’s bathroom or permitted to obstruct doors or the room in any way.

20. Students should not cover more than 10% of any one wall with printed materials. Posters and other printed materials may not be placed in the hallways.

21. Sprinkler systems, smoke detectors, or light fixtures must be left free of things hung on them or covering them.
22. Curtains and other wall hangings may be used for decorative purposes, but must be treated with a fire retardant solution before hung in the residence hall. Black out curtains are not permitted and will be confiscated upon discovery.

23. Ceiling tiles should not be removed and items are not to be stored in the ceiling.

24. The use of empty alcohol containers or drug paraphernalia as decorations is prohibited.

I. Cell Phones

GSSM students are allowed to have cell phones for personal use. All students are responsible for following the cell phone guidelines established by GSSM.

1. All cell phone numbers must be reported to the Residence Life Staff to keep on file in case of an emergency. GSSM staff may call students on their cell phones when necessary. In addition, GSSM's emergency notification system may send voice and SMS messages to student cell phones during emergencies and drills. Contacting students via cell phone is necessary for student safety; therefore, if such calls and alerts cause students to incur additional cell phone charges, GSSM will not provide reimbursement.

2. Responsibility for appropriate use of cell phones lies with the student; responsibility for monitoring use for appropriateness lies jointly with the GSSM staff and parents of the

3. Possession of a cell phone on the GSSM campus is a privilege that may be lost if abused.

4. The right of a student to have a telephone conversation is subordinate to the rights of other students to have quiet and undistracted times for study and sleep. Therefore, cell phones may not be used in classrooms, during QUEST, or during sleeping hours. Cell phones may be used outside, or in rooms or common areas if those areas are not in use by others for incompatible purposes. Cell phones are not to be used after midnight Sunday through Thursday in keeping with GSSM's "Lights Out" policy.

5. Telephone conversations are private and may not be monitored, as governed by state or federal law.

6. Without being unduly intrusive into residence hall life, GSSM cannot monitor all cell phone usage. Therefore:

   a. GSSM is not responsible for loss or theft of cell phones.
   b. GSSM is not responsible for unauthorized use of a cell phone.
   c. Cell phones are the financial responsibility of the student and his/her parent or guardian.

7. Most parents are well aware that teenagers sometimes feel the need to have extremely long telephone conversations, even at the expense of sleep or study time. GSSM is also aware that students can be very persuasive; they may get roommates to tolerate these conversations, even though the roommate gives up sleep or study time as well, to the detriment of the health and good academic standing of both. For this reason, parents are urged to monitor the monthly cell phone statement, to determine the times at which calls are placed. A timely discussion with the student can prevent academic difficulties before they start. Students should also be coached on how to get help if a roommate persists in inappropriate behavior.

8. Cell phones are not allowed in classrooms during instructional time unless authorized by the instructor. Violation of this rule is a Level 2 offense. If a cell phone is discovered during a test or quiz, the student may also be found in violation of our Honor Code, as it may not be clear whether the student was using the phone to share or store information related to the test.
9. Students who are QUESTing may not use their cell phones.

10. Students should not use their cell phones or similar devices to provide Internet access to themselves or others after Lights Out, or otherwise circumvent the school’s Appropriate Use Policy (AUP).

11. Violation of cell phone use is categorized as a Level 2 offense. These matters will be addressed in keeping GSSM’s Discipline and Honor Code.

J. Mail Service

GSSM students will receive mail and packages at the GSSM campus. You must use your given name in the address. Improperly addressed mail, including use of parents’ names, etc., will not be delivered. Your address will be: Student Name, GSSM, 401 Railroad Avenue, Hartsville, SC 29550

Each student has a campus (in-house) mailbox and each room is assigned a USPS mailbox, which will be shared with his or her roommate. USPS mailboxes are located in Room A141 near the Nurse’s Office. US mail will be delivered to boxes once a day. If you receive a package, you will be notified by email. You may also check the package delivery list at the front desk for any received packages.

Campus (in-house) mailboxes (cubbies) are located in A136 and are for internal communication only. No other items may be stored in or on top of the mailbox (e.g. books, calculators, etc.). Because this is the main source of communication, these mailboxes should be checked every day.

K. Personal Finance

Students are encouraged to open a personal bank account with one of the banks in Hartsville. Local merchants may not accept out-of-town checks, and there may be other occasions where a local account would be beneficial to the student. Students are strongly encouraged not to keep large sums of money in the residence hall. Students with significant financial concerns are encouraged to discuss their concerns privately with a Residence Life Coordinator, the Dean of Students, or the Vice President for Student Development.

L. Inter-visitation (Interviz)

Interviz is supervised visitation on the male and female sides of the residential sections of the GSSM building.

The following are guidelines for Interviz:

1. Resident Assistants will be posted at the hall door during Interviz. All students participating in Interviz must surrender their student ID card while participating. When a student is ready to leave Interviz, he/she must see the RA on the floor to have his/her ID returned.

2. All rooms with students participating in Interviz must have the doors completely open.

3. A light source needs to be on in the room at all times. A computer monitor does not count as a light source.

4. Bunk beds cannot have sheets or coverings hanging that block the view of the bottom bunk.

5. Students may not use the restroom in an opposite gender suite.
6. Ten minutes before the conclusion of Interviz, students will be notified that ten minutes of Interviz remain. All students of the opposite sex must check out with the RA as they leave the hall.
7. Students are responsible for ensuring that other students do not enter the rooms of those not participating in Interviz.
8. All Public Display of Affections (PDAs; see next section) and visitation guidelines are in effect during Interviz.
9. After three violations of Interviz, the privilege may be revoked from the entire student body.

M. Public Displays of Affection

Inappropriate public displays of affection (PDA) are not permitted because they are embarrassing to students, faculty, and staff members who have to view them. Engaging in inappropriate displays will result in disciplinary action. Ordinarily, students will not be permitted to sit in public areas or student rooms with the lights off. Public areas include, but are not limited to: all lounges, classrooms, the lobby, the activity area, or any area visible to the public. During Intervisitation, student room doors must be open completely and a major light source must be on. A major light source (excluding televisions and computer monitors) must also be on in all lounge areas. The following guidelines are not all-inclusive, but are to be used as a guide for permissible behavior. While violation of PDA guidelines is a Level 1 offense, subsequent recurrences of PDA violations may result in more severe sanctions than listed as Level 1, and some displays of affection may rise to higher levels of offense with correspondingly more severe sanctions (see Discipline). Inappropriate PDAs include:

1. Petting or caressing.
2. Prolonged kissing.
3. Inappropriate massages (any area other than the back, shoulders, and neck).
4. Being in a horizontal position with another person.
5. Having your head on or in someone's lap. Sitting on someone's lap.
6. Any kind of physical contact that may be perceived as sexual in nature.
7. Sharing a blanket with another student.
8. Any other type of unlisted display that causes the viewer discomfort or embarrassment is considered inappropriate.

N. Sunbathing

GSSM does permit students to sunbathe on the campus. Sunbathing is limited to the area behind the building, which is the soccer field. The front and sides of the building are not designated for sunbathing. Cover-ups (t-shirts and/or shorts) must be worn at all times when not sunbathing, including walking to and from the building and inside the building. In the case of cover ups, the GSSM dress code is applicable. Students are not permitted to play sports or activities while wearing swimwear on the GSSM campus. Additionally, policies related to Public Displays of Affection are also applicable when sunbathing.

O. Movies and Video Games

The GSSM Board of Trustees, Administration, Faculty, and Staff are committed to providing a wholesome atmosphere for everyone in the GSSM community, as well as complying with laws related to age for viewing movies and other similarly rated material. GSSM students may not view “R” or “Unrated” materials or play “M” rated video games in public areas. These materials may not be viewed in the dining hall, television lounges, or the Student Activity Center. R-rated material may be used in the classroom if the instructor deems such material appropriate for the course or during a program sponsored by Residence Life. The instructor or staff member will be present at the viewing of all R-rated material.
Parents are encouraged to give students who are 17 years or older guidance on viewing R-rated movies on their personal computers, in television lounges, or at local theaters, as well as the use of M-rated video games on their personal computers. **THE VIEWING OF X AND AO RATED VIDEO MATERIAL IS PROHIBITED.**

In addition, GSSM recognizes the potential for a student to play video games excessively, to the detriment of the student’s academic standing and good health through loss of study time, exercise, and sleep. Parents are encouraged to keep video game consoles at home, and to prohibit students from loading games onto their personal computers. GSSM does not disallow video games; we will encourage students to monitor themselves and others to support healthy, limited use of these leisure activities.

**P. Employment**

Due to the rigorous curriculum, students may not hold full or part-time jobs while attending GSSM.
VI. SAFETY AND SECURITY

Our top priority is the safety of our students. In addition to the information reviewed in the previous and subsequent chapters related to safety, this section includes information on emergency procedures, fire safety, building security, and guests on campus. It is important that all students understand how to respond in various situations.

A. Emergencies and Parent Contact

In case of an emergency, parents should contact the Residence Life Coordinator cell phone at 843-858-1603, 24 hours a day while school is in session. Depending on the emergency, you may also contact our on duty Security Officer at 843-992-0377. All parents and GSSM students should enter these emergency contact numbers in their cell phones in case they are needed. For non-emergencies the Residence Life Coordinator on duty can be contacted at 843-383-3901, extension 3931 from 9 am to 12 midnight on weekdays and 6 pm to 12 midnight on weekends.

1. Throughout the year, the Residence Life staff and/or the Dean of Students will contact parents when appropriate. For example, parents might be contacted if a student receives medical attention beyond what is provided by the GSSM nurse or if there is a gross violation of the disciplinary code.

2. Students are expected to communicate with their parents on a regular basis to keep them informed on personal, academic, social, and discipline issues. We encourage all parents to set up a calling schedule with their student so there are clear expectations set prior to attending GSSM. At times, it may be necessary to contact the RLC on duty to request that your son or daughter call home, but this should be done on a very limited basis.

3. GSSM uses an emergency contact service to communicate critical safety information to students and parents if needed. It is important that students and parents notify the school of changes to home, work, and cell phone numbers so they can be informed in the event of a campus emergency.

B. Emergency Actions and Drills

1. Crisis Intervention Procedures
   It is vitally important that every student knows what to do in the event of an emotional crisis or medical emergency. You are to follow the procedures as outlined below:

   a. The most important priority is to get help for the victim. Send someone for help or use your cell phone to call for help. Don't leave the person unattended unless there is no other means of getting help. It is vital to the individual's health and safety that they not be left alone.

   b. You must get in touch with the Nurse, Residence Life Coordinator on duty, the Dean of Students, Psychologist, or the Vice President for Student Development. As soon as one of the above or their designee arrives, you are released.

2. Fire Drills/ Fire Alarm Procedure
   Fire drills will be held monthly. The Residence Life staff will provide detailed instructions. Respond seriously and promptly to these emergency procedures. Students should familiarize themselves with the fire alarm procedure as posted on their door. When the fire alarm sounds, students should do the following:

   a. Immediately exit the building using nearest stairwell and report to the front of the building.
   b. Girls should report immediately to the grass near the C Wing.
c. Boys should report immediately to the grass close to the student parking lot.

d. Students with mobility issues who cannot or should not use the stairs should communicate with Security via the intercom. Someone will be designated to assist to them.

e. Remain at your designated location until a member of the Residence Life staff takes roll and gives you further instructions.

3. **Go to a Safe Place – Tornados, Severe Weather, and Evacuation**

When dangerous weather is imminently approaching GSSM, school officials will determine the course of action by carefully monitoring weather reports. If it is determined that GSSM students could be in danger, we will announce over the school-wide intercom system to “GO TO A SAFE PLACE.” For these dangerous weather occurrences our designated “safe places” are the inside stairwells leading to the residential wings of our building. While not particularly comfortable, these areas are structurally among the sturdiest and they are free of window glass.

If the need for an evacuation of GSSM arises, we will announce “GO TO A SAFE PLACE.” The interior stairwells will serve as our staging area in the event that we must relocate to a safer location. Exceptions could occur so it is important that everyone listens to official announcements and follows instructions.

“GO TO A SAFE PLACE” drills are held each semester. When you hear the “GO TO A SAFE PLACE” announcement, you should:

a. Immediately report to the inside stairwells. (Boys should report to the "A" side stairwell and Girls should report to the "B" side stairwell.)

b. Roll will be taken in the stairwells.

c. Remain calm and in the stairwells until you are given further instructions from a GSSM official.

4. **Armed Intruder Alert**

In the unlikely event that there is an armed intruder at GSSM, we must be prepared to deal with this unfortunate situation. Active shooter situations are dynamic and evolve quickly. Each person must be prepared to act quickly based on the information he or she has at the time. Everyone must know how to respond in case there is an active shooter in your vicinity. GSSM will utilize the US Department of Homeland Security’s protocol and respond accordingly. If anyone hears on the public address system, “Armed Intruder! Armed Intruder,” or anything that could be taken for gunshots, or if you observe anyone displaying a weapon, the following responses should be utilized immediately:

a. **RUN** – If you are in an open area (e.g. hallways, lobbies, gym, dining hall, bathroom), the person should run with caution to the nearest exit and proceed to the YMCA. GSSM officials will reunite with you there. Leave your belongings behind and keep your hands visible when exiting the building and campus.

b. **HIDE** – If you are in a classroom, residence hall room, office, or other lockable area, the room should be locked down utilizing the lock button or key. Everyone should, if practical, barricade the door and remove themselves from view of the door window. Lights should be turned off and those present should remain quiet, silence cellphones, and wait for help to arrive. Do not open the door! An official with a key and law enforcement will announce themselves and alert you when it is safe.

c. **FIGHT** – This should occur only as a last resort and only when your life is in immediate danger. Attempt to incapacitate the active shooter by acting with physical aggression including throwing items at the active shooter.

d. **CALL 911 WHEN SAFE TO DO SO!!!**

When law enforcement arrives:
• Remain calm and follow the officer’s instructions
• Immediately raise hands and spread fingers
• Keep hands visible at all times
• Avoid making quick movements toward the officers
• Avoid pointing, screaming, and/or yelling
• Do not ask officers for help or directions when evacuating; just proceed in the direction from which the officers are entering the premises
• When speaking with law enforcement or 911, give them all of the information you have (location of victims and shooters, number of shooters, description or shooter, number and type of weapons, and number of potential victims at the location)

Alert messages to all students’ cellphones will be dispatched through our emergency notification system. Active shooter drills will be conducted at minimum, twice a year or as often as deemed necessary. An “ALL CLEAR” will be given over the public address system when the drill or event is over.

All students, faculty, and staff should remain cognizant and vigilant to potential threats. Unsolicited comments about violence, firearms, dangerous weapons, and violent crimes should be reported to GSSM public safety as soon as possible.

5. Lockout
In the event there is a hazard or nearby threat from GSSM, students will not be allowed to leave the security of the GSSM building. A “Lockout” procedure will be executed. The procedure will consist of all students, faculty, and staff remaining inside the GSSM building with all doors and windows closed and locked. If students are outside of the building, they should get indoors as quickly as possible. Students off campus should find a secure shelter immediately. Visitors may not be allowed inside the building, depending on the event. Classes and activities inside GSSM should continue as normal, but situational awareness should be heightened. Examples of times where a Lockout could be utilized are: a vicious dog on the premises, a dangerous or suspicious person near GSSM, a nearby manhunt by law enforcement, or a local emergency that could compromise GSSM safety. Note that these are only examples.

The announcement that will be given out via the public address system is “Attention, Attention Please. GSSM is now in Lockout. No one should leave the building. If you are outside, please come inside promptly. Maintain normal activities.” The announcement will be repeated. Alert messages via text, voicemail, and email may also be sent that are similar. If this message is given, please comply immediately. The “All Clear” will be given when the situation is deemed safe.

C. Campus Security

Everyone plays a role in campus security. Students are to report any suspicious persons to a member of the faculty or staff immediately. The faculty or staff member will alert Public Safety immediately. When school is in session, a Public Safety Officer is on duty from 7:00 a.m. until 11:00 p.m. A security guard is on duty 24 hours a day 365 days a year. The security guard is posted at the desk in the main lobby and makes rounds throughout the campus monitoring the safety of the campus. Security can be reached at 843-992-0377. All exterior doors are secured at all time. The rear fire exit stairwells are alarmed continuously. The main lobby doors are the primary and preferred means of entering and exiting the building.

Residence hall rooms should be locked unless a student is present in the room. Please note the Residence Life staff does not condone leaving your door open or unlocked for any reason. Locking your door adds to student safety and security of person and property. Students should avoid entering another student’s room without permission.
A multi-camera digital recording system is installed throughout the GSSM campus for the protection of the students and to provide a safe residential environment. The system in common areas upstairs is not monitored in real-time. Access to this system is extremely limited and all students’ rights to privacy are protected. The Public Safety Coordinator is responsible for conducting periodic checks of the system to ensure it is operating properly. The upstairs monitoring system will be accessed if there is an event that makes looking at the footage necessary (fire alarms, vandalism, thefts, etc.). If the footage is viewed, the viewing will be only of that segment of time in which the event likely occurred. The initial review will be conducted by either a Public Safety Officer, the Dean of Students, the Vice President for Student Development, or their designees. The initial screening will be to determine if there are any images that need to be isolated. These frames will then be provided, as necessary, to appropriate school officials, the Judicial Council, and any students and/or parents involved when it is deemed appropriate. Should any event require the involvement of the fire or police departments, those agencies will have access to the unedited version of the images. The downstairs system is monitored in real time by Public Safety and Security.

All recordings automatically erase after a determined period of time. Videos that are saved for official use will be kept until they are no longer needed. The Public Safety Coordinator will periodically check saved videos in GSSM’s video system and eliminate those that are no longer needed.

D. Privacy, Search and Seizure

A student’s right to privacy is respected at GSSM. However, GSSM also has a responsibility to maintain standards of safety and behavior that are reflected in GSSM regulations and policies, and local, state, and federal statutes.

In the event that a staff member needs to check on a student (e.g. illness, not showing up for class, violation of lights out, etc.), staff members are permitted to enter a room to locate a student. Staff members will knock and announce themselves prior to entering the room. If there is no answer, the staff member is authorized to enter the room to locate the student.

GSSM may authorize searches, based on “probable cause” and the “reasonableness standard” applicable to public schools, of a student's residence hall mailbox, room including personal belongings, automobile, and other areas, when there is suspicion that violations have occurred. If possible, such entry and search will be made in the presence of the student or students involved, provided the students can be located in a timely fashion. When a student’s room is to be searched, appropriate members of the GSSM staff will be assigned to perform the search. When such a search is deemed necessary, parents will be contacted as soon as possible.

Persons conducting the entry and search will not enter a student’s room or access a student's property without first knocking on the door, identifying themselves, and announcing the purpose of their visit. If they are not admitted, a master key will be used. If the student or students cannot be located, the person authorized to do the search will be accompanied by another GSSM official and a student witness or the room will be completely sealed until contact has been made. However, it should be noted that a GSSM official may enter any GSSM premise or search GSSM property at any time when the immediate safety of persons or property is involved.

If contraband items used in criminal acts or stolen property is found during the search, it will be confiscated and a written receipt will be given to the room’s occupants.

Should local, state, and/or federal law enforcement officers present a duly authorized warrant, or when such officials have determined that circumstances exist which justify an unwarranted search, GSSM will cooperate in allowing such a search. A GSSM official will be present during the search unless otherwise ordered by the law enforcement officers.
E. Fire Safety Regulations in the Residence Hall

1. Candles, incense, irons, heating elements (e.g. hot plates, woks, coffee pots, water boilers, etc.), electrical appliances, halogen lights without protective screens over the bulb, and any kind of open flame or flame-producing device (including matches, lighters, lit cigarettes, cigars, or pipes of any kind) are not allowed in the residence hall.

2. Irons and ironing boards are located on each floor in the television lounges.

3. Potentially dangerous scientific equipment must be stored in the academic building under the supervision of the instructor.

4. LED lights (string lights) are permitted if they are approved by the residence life staff before they are hung. They must meet the Standard for Flexible Lighting (UL2388) and may not be UL588 seasonal or holiday lighting. Electrical cords leading to lights must be UL approved and may not be damaged or frayed. Extension cords may not be used and lights must be mounted in keeping with guidelines for room decorations and furnishing. Lastly, they must be turned off when leaving the building and they are not permitted in the suite’s bathroom or permitted to obstruct doors or the room in any way.

5. Christmas trees and other naturally cut vegetation are not allowed in student rooms.

6. Students should avoid covering more than 10% of any one wall with printed materials and may not place anything on the walls in the hallways. Doors may be decorated; however, the 10% rule must be followed.

7. Curtains and other wall fabric hangings are allowed for decorative purposes, but must be treated with a fire retardant solution prior to being hung in the residence hall. Black-out curtains are not permitted and will be confiscated upon discovery.

8. Nothing may be hung, placed on, or cover the sprinkler systems, smoke detectors, or light fixtures.

9. Students are permitted to have two surge protected in their rooms.

10. Students should keep their doors locked at all times. Doors must be closed after midnight and anytime a student is not in the room. For your safety, if a door is left open and there is no occupant in the room, Residence Life staff members who are making rounds will close the door. Doors are not to be propped open with the deadbolt lock. The deadbolt should not be covered in an attempt to leave the door unlocked. Tape cannot be used to cover the deadbolt or used on the door frame to keep the door from locking when closed. Other means may not be used to “weight” the door handle preventing the door from locking. This is a violation of fire and safety regulations.

11. Hallways must remain free from obstructions. Leaving personal items such as chairs, laundry, trash, etc. in the hallways is not permitted.

F. Building Access

Within the building, selected doors will be programmed to auto-unlock during blocked periods of time. No card is needed to access these areas at these times. The following is the schedule for open access in the building on class days (Monday – Friday):

7:00 am – 5:00 pm – Front and Back Doors of Main Lobby
8:00 am – 5:00 pm – Campus Life/Administration Wing
Students are requested to use the main lobby doors when entering and exiting the building since the sign-in/sign-out areas are at the front desk. The exterior doors in the north and south lobbies and other areas of the building are to be used after the proper sign out procedures have been followed when leaving the campus. All community members have to use their ID cards at all times to gain access to the building.

G. Student Identification Cards

Each student will receive a picture identification card, which serves as the student’s room key. This card will also need to be used to sign in and out, and access the elevator and stairwell lobby on the first floor and the main lobby after business hours. The student identification card is used to identify the student as a representative of the Governor’s School on other occasions. Students should have their ID cards with them at all times. Students should immediately report damaged, lost, or stolen cards to the Dean of Students or the Residence Life Coordinator on duty. Replacement student identification card cost is $10.00. The student identification card is the property of GSSM. Over the course of the year, staff may check periodically to ensure students are keeping up with their ID cards and that they are functional.

The identification card is non-transferable and to be used only by its owner. Improper or fraudulent use of the identification card, which includes borrowing or lending, is an infraction of the discipline code.

H. Guests on Campus

Anyone who is not currently a GSSM student or faculty/staff member is a guest. Guests, other than members of the student’s immediate family, are NOT permitted on the residence hall floors. Opposite sex siblings are permitted on residence hall floors only if parents are present. Same-sex siblings are permitted on residence hall floors with permission from RLC on Duty.

Students are not permitted to sign in guests for other students. Students are only permitted to sign in guests they know personally. It is considered a violation of building security to sign in a guest you do not know.

The following restrictions apply to visitation at GSSM:

1. Unauthorized guests (guests who are not properly signed in or who do not have business with a community member) are not allowed at GSSM. GSSM reserves the right to prohibit visitation by anyone other than the student's parents or guardians.

2. All guests, including their family members and GSSM alumni must register at the front desk in the main lobby.

3. Only family members as guests of students are allowed upstairs and they must always be accompanied by their student or a staff member.

4. Students may have guests on campus from noon until 8:00 p.m. Sundays through Thursdays except during scheduled classes, hall meetings, and QUEST. On Fridays and Saturdays, students may have guests from noon until 11:00 p.m. The Residence Life Coordinator on duty must promptly be made aware of the presence of all guests. Guests must leave campus when their host is participating in the aforementioned activities and/or once signed out by their host. Guests must leave campus during a host’s scheduled classes, QUEST, and any other time periods when the host cannot be with the guest. Hosts must gain permission from the Residence Life Coordinator on duty for guests to attend GSSM school-sponsored activities. Off campus guests are not allowed Interviz privileges or to attend informal dances.
5. Students are responsible for the actions of their guests and are accountable for any damages accrued or policies broken. Visitors are expected to abide by all rules governing student life, and it is the host's responsibility to inform the guest of all rules and regulations.

6. Students must accompany their guest(s) at all times while they are on the GSSM campus.

7. Parents are encouraged to participate in campus activities, but for reasons of privacy and personal comfort of students, parents, siblings, and friends will not be allowed to stay overnight in the residence hall. Parents are requested to consider the impact of frequent visitation on the academic demands of the students' time. Parents are welcome to visit classrooms with advance notice given to the instructor.

8. Guests whose actions are deemed inappropriate by the Residence Life staff will be asked to leave campus.

9. In consideration of hall members, parents should avoid visitation to opposite sex floors before the noon hour. Parents must request permission from the Residence Life Coordinator on duty before accessing any hall unless it is a normal check-in or check-out time.

10. Any unauthorized visitor or suspicious person in or around the residence hall must be reported to a Security Officer or Residence Life staff immediately.

11. The Residence Life staff may alter any policy concerning guests at any time that such a change is warranted. In cases when these changes impact the entire campus community, every effort will be made to communicate these changes via email and/or the posting of signs.

I. Visitor Sign-In Requirements

All visitors must report to the Center Lobby desk upon their arrival to campus. The receptionist and/or security guard will welcome the visitor, inquire as to his/her business, and review the requirements to determine if the visitor needs a Raptor ID. If the guest is 16 or older, he or she will be processed through the Raptor system, which will require a government issued identification card. Once the check is completed, the visitor will be given a visitor's ID to place on his or her shirt or jacket.

The following individuals must be processed through the Raptor system:
- Parents of students or prospective students who are visiting on a day that is not deemed a special event;
- Anyone coming to visit a faculty or staff member;
- Contractors who have come to bid on work or perform work;
- Prospective students;
- Prospective employees.

The following are examples of individuals who do not need to be cleared through Raptor:
- Visiting parents who are not moving beyond the Center Lobby;
- Official delivery personnel (USPS, UPS, food delivery) who will not be moving past the Center Lobby or the dining hall loading dock;
- Local police officers;
- Campus visitors participating in special events (e.g. Move-In and Move-Out Days, Convocation, Graduation, Preview Days, Interview Day, Research Colloquium, Long Weekend pick up, Athletic Events, and the like). It will be the responsibility of the person coordinating the event to ensure that the Public Safety and Security staff have information about these programs and activities. For most special events, visitors will enter through the North Lobby and will restrict their activity to that area and the radius hallway.
J. Property Loss

Parents and guardians should examine their homeowner’s insurance coverage to determine if they cover the student’s property while attending GSSM. GSSM is not responsible for and does not provide personal property insurance for students, nor is it responsible for any personal property loss or damage.
VII. LEAVING CAMPUS

Hartsville is a growing city that is proud to have the Governor’s School as a part of its community. To fulfill our commitment to our students’ parents and to support personal safety, policies related to leaving campus on a day-to-day basis and the weekends and specified walking boundaries are important to respect. It is our responsibility to be able to account for you and your cooperation is critical in facilitating this goal. We have to ensure you are accounted for in situations as necessary.

A. Signing Out and Campus Curfew

Any time a student leaves campus (campus is defined as the property between Railroad Avenue, Coker Avenue, Emmary Street, and Jordan Avenue), the student will record his/her departure in the sign-out book or via the computer sign in/out process in the lobby of the residence hall. To properly sign out, a student will legibly record the following information: full name, time of departure, expected time of return, exact destination(s), indicate whether you are riding in a vehicle or walking, name of driver (if applicable) and list all companion(s). Immediately upon return to campus, each student is to document their return by signing in.

After campus curfew and before room check, students are permitted to be outside on the front lawn in the court year and/or on the soccer field. The designated area for the courtyard is up to the end of the academic wing and the end of the Student Activity Center, interior sides only. These perimeters are designated for “Happy Half” on Sunday through Thursday evenings and Friday and Saturday evenings after 11:00 p.m. up until Room Check. Students are not permitted to be on the Jordan Street or Railroad Avenue sides of the building during “Happy Half” or after campus curfew or past the small parking lot at the end of the courtyard.

Students must sign in immediately upon return to campus. Students are required to be on campus at 8:00 pm Sundays through Thursdays. The curfew on Friday and Saturday nights is 11:00 pm. These policies are designed to ensure student safety and to ensure any student can be located quickly in the event of an emergency. Violations will result in disciplinary action.

B. Required Weekends

All students must remain on campus during any weekend when a required academic activity or school-wide function is scheduled.

1. Required weekends include, but may not be limited to, the first weekend in the fall semester, the first weekend in the January Interim, Colloquium, SCJAS, and weekends during exam periods.

2. Students under disciplinary sanctions, with academic deficiency, or delinquent in their community engagement service obligations may be required to stay on campus during some weekends.

3. Juniors are required to remain on campus all weekends until the first Long Weekend and may have unlimited weekend leaves for the remainder of the year except during special academic weekends, during which students will be required to stay on campus.

4. Seniors are allowed one weekend leave before the first long weekend. Seniors may take unlimited weekend passes after the first long weekend except during special academic weekends during which students will be required to stay on campus.
C. Long Weekends (LWE)

Long Weekends are designed to offer a much needed (required) break from academics and residence life at GSSM. Approximately once a month, a Long Weekend is scheduled. Long Weekends begin immediately after a student’s last class on Thursday and end the following Sunday. The Residence Hall at GSSM closes at 6 pm on the Thursday of LWE and reopens at 2 pm that following Sunday. All students must report back to the Residence Hall by 7:30 pm on Sunday. Students who have not vacated the building by 6:00 p.m. are required to wait in the main lobby. Weekend leave requests (see below) are not required for LWE since it is a required leave from campus and the Residence Hall will be closed.

D. Weekend Leave Request (WLR)

Weekend leave requests are submitted electronically by parents or guardians using the online form on the GSSM website under current students, then parents. Weekend leave requests are then reviewed and approved by GSSM staff. Parents who have difficulty accessing the electronic weekend leave request should call the RLC office at 843-383-3901, ext. 3931 or the RLC cell phone at 843-858-1603. The RLC will advise you regarding your request. If it is necessary to confirm weekend travel plans with parent, a GSSM staff member will be in contact by phone or email.

1. Students who are signing out for the weekend must speak to the RLC on Duty before leaving. They are expected stop by the RLC office or call the duty phone before signing out of the building.

2. After students leave campus, parents assume full responsibility.

3. It is assumed that students recognize the importance of weekend study time and will use the weekend privileges judiciously.

4. Appropriate sign-out procedures must be followed when leaving for the weekend.

5. If a student returns to campus prior to the date approved on the weekend leave, they must also notify the RLC on duty immediately and note that their weekend leave ends at that time.

6. All requests for weekend leave must be made prior to 5 pm on the Thursday before the designated weekend.

7. Parents should contact the Residence Life Coordinator on duty at the earliest convenience if a student needs to be late returning from a Weekend Leave Request, Long Weekend, etc.

E. Off-Campus Regulations and Vehicle Riders Policy

1. GSSM does not regulate with whom a student may ride during weekends. Parents must communicate directly with the student their rules for riding in vehicles. In these cases, GSSM would like notification from the parent as to who their student has permission to ride with.

   a. Students visiting with family and friends on weekends will restrict travel to a 30-mile radius of Hartsville unless the student is on an approved weekend leave.
   
   b. Policies pertaining to Signing-out/Signing-in, Campus/Town Boundaries, Student Companions, and Vehicles on Campus as found in this handbook must be followed.
   
   c. Questions concerning this policy should be directed to the Dean of Students.

2. Sundays through Thursdays, students will not be permitted to travel in motor vehicles with anyone other than GSSM faculty/staff, family members, drivers contracted by GSSM, or other
persons designated by the parents or guardians of the student. Students must always inform a Residence Life Coordinator of their need to leave campus in a motor vehicle.

3. By enrolling students in the school, parents extend permission for them to travel in school vehicles or in private vehicles of faculty, staff, or other adults who participate in school programs.

F. Student Trip/Event Behavior

Student participation in any GSSM sponsored trip, event, or Interim program will be solely at the discretion of the sponsor or chaperone.

Any inappropriate behavior will be addressed with the student, the parents, the Vice President for Student Development, and/or the Dean of Students. When considering students for participation in future trips, events, or Interim programs, past behavior will be considered.

G. Leaving Campus with a Family Member

Students must complete an Excused Absence Form (see someone in the Student Development wing for assistance) three days in advance if they plan to leave campus with a family member for an overnight trip or any length of time in which classes, scheduled events, or QUEST will be missed. (In emergency situations, parents may request an exception to this policy from the on-duty Residence Life Coordinator. Students are to follow the normal sign-out procedures upon leaving campus.)

H. Student Companion Policy

The following guidelines outline the times and number of people required for walking off campus:

1. Students are strongly encouraged to walk in pairs during daylight hours. Students may walk alone within the approved town boundaries between the hours of 6:30 a.m. and 5:30 p.m. Eastern Standard Time (EST) and 6:30 a.m. and 7:30 p.m. Daylight Savings Time (DST), if classes or community engagement responsibilities require it, but they must stay within the prescribed town boundaries. A map of town boundaries is provided in the back of this handbook. NOTE: GSSM prefers that students travel in pairs/groups whenever possible, including these time periods.

2. Sunday – Thursday evenings after 5:30 p.m. during EST, students who leave campus should sign out in groups of two or more and must return to campus by 8:00 p.m. Students are not permitted to leave campus between 10:00 p.m. and 10:30 p.m. (“Happy Half”) on Sunday through Thursday or between 11:00 p.m. and midnight on Friday and Saturday.

3. Friday and Saturday evenings after 5:30 pm EST and 8:00 pm DST students who leave campus must sign out in groups of two or more and are expected to return to campus by 11:00 pm, which is the weekend curfew (Friday and Saturday evenings).

4. Students are expected to sign out when going to and from community engagement and to sign back in when they return.

5. Students are expected to remain within the GSSM campus perimeter and/or authorized walking boundaries.
I. Walking Boundaries

1. When walking south, students can use Coker Avenue to Fourth or Fifth Street. Students must indicate specific destinations through the designated system. “Town, bank, store, ATM,” etc. are not specific destinations.

2. Students should not walk alone or in groups/pairs, to destinations which are out of walking boundaries. The only exception would be athletic training related to cross country and track practices or other athletic conditioning approved and communicated by the athletic staff.

3. Where a sidewalk is provided, it should be used. When a sidewalk is not available, one should walk on the shoulder as far as possible from the edge of the roadway. GSSM advises that students not walk in areas where there are not sidewalks or shoulders, but if you must, walk as near as possible to an outside edge of the roadway and if on a two-way road, walk on to your left.

4. When walking, please do not suddenly leave the curb or other place of safety and walk or run into the path of a vehicle.

5. Students are not permitted on the Coker University campus unless they have official business, which might include: athletic practices or events, visits to the library, or appointments related to music practices or other authorized and approved activities.

6. If students are signing out to walk and are not going to a particular location, they should list the general vicinity of their walk by using landmarks (i.e. walking toward Sonic, Wal-Mart, Downtown, IGA, around Coker, etc.). The revised sign-in/sign-out system provides specific options in many cases, but when the system is not available, please use the following:

   **Street Boundaries:**
   - Second Ave. – South to the GSSM Campus.
   - Fourth St. – South to the Wal-Mart and north to Home Avenue, before dark only.
   - Coker Ave. – South to Fourth Street.
   - Fifth St. – Businesses between Taco Bell and Sonic Drive-In (exception: Barber shop on Sixth Street—access via Laurens Avenue off Fifth Street).
   - Home Avenue – West to the First Presbyterian Church and east to Second Street.
   - College Avenue – West to Hartsville Memorial Library.
   - Carolina Avenue – West to Sixth Street and east to Second Street.

J. Bicycling Guidelines

Students who wish to ride a bicycle at GSSM must have a completed release from liability form signed by the student and parents and all bicycles must be registered with the Dean of Students.

1. Proper sign-out procedure must be followed. The bicycle route and direction must be documented in the sign-out book. Students are expected to ride with, not against, the traffic.

2. A helmet must be worn at all times. A water bottle, some type of ID (driver’s license, GSSM ID, etc.), emergency telephone numbers, and a repair kit (supplied by you) should always be carried.

3. Students may ride anywhere within the GSSM walking boundaries (see map in the back of the handbook).

4. All riding must be completed during daylight hours prior to campus curfew.
5. No required activities or meetings may be missed.

6. Cycling is a privilege. It may be revoked for abuse or other inappropriate behavior.

7. Students are not permitted to ride outside of walking boundaries unless they have prior approval from the Director of Athletics or the Dean of Students.

8. All bikes must be stored on the outside bike racks and secured with a **U LOCK**, except over holiday breaks when they should be taken home or stored in your room.

**K. Student Vehicle Policy**

While attending GSSM, students may park vehicles on campus and use them in specific circumstances as space allows. Student use and parking of vehicles at GSSM is a privilege, which may be revoked if vehicle policies are violated. It is intended to assist parents in the task of transporting students to and from GSSM, and to and from interviews and other activities necessary for college application and selection. Parents are encouraged to consider all other transportation options, including carpooling, before requesting that a student be allowed to keep a vehicle on campus. **Parents and students should plan routine doctor visits, college visits, family visits and vacations, etc., during long weekends and holidays.** Preference is given to seniors first. Juniors will be considered if spaces are left.

1. Parking approval is required.
   a. Parents and students must complete and submit a Vehicle Registration/Approval Form prior to August 1st due to limited space. Forms may be obtained through the Dean of Students’ office. Parents/students will be required to remove any vehicle from campus if approval is not obtained or approval is revoked for any reason.
   b. A fee is charged for parking student vehicles at GSSM. The fee is $100 per semester, or $200 per year.
   c. Should the number of requests exceed the number of spaces available, spaces will be assigned on a first come first served basis.
   d. Once approval has been granted and fee paid, a registration sticker will be issued by the Dean of Students and must be displayed on the rearview mirror of the vehicle.

2. Only those vehicles holding a current valid student permit may be parked at GSSM. Vehicles may be parked only in the designated student parking area.

3. All pertinent GSSM rules regarding conduct and prohibited substances apply to permitted vehicles. Vehicles are subject to search when reasonable suspicion warrants. The student is usually present during the search.

4. **Parking on campus is a senior privilege.** Seniors who do not apply for spaces in May are eligible to apply for remaining spaces during the summer. Spaces will be assigned on a first come first serve basis.

5. GSSM is not liable for damages caused through natural disaster, weather-related circumstances or vandalism to any student vehicle parked on the GSSM campus.

6. Mechanical problems such as dead batteries, flat tires, locked keys, no fuel, etc. are solely the responsibility of the vehicle owner. **GSSM does not provide service for such incidents** and we ask that students check to ensure that cars are operating properly before long weekends and extended breaks.
7. Students must comply with the following:
   a. All vehicles will be parked in the GSSM designated parking area.
   b. Students may not access vehicles in the lot except when removing or returning them after approved and required leaves.

L. Permissible Student Vehicle Usage

1. Except for long weekends and holidays, approval must be obtained prior to each use of the vehicle by the student. Student vehicles may be used for the following:
   a. To travel to and from home on free weekends, long weekends, and holidays. Loading and unloading is limited to 15 minutes at the rear of the residence hall. A Weekend Leave Form must be approved by the Residence Life Staff for vehicle use on weekends.
   b. For approved college visits and college admissions or scholarship interviews:
      • Student must provide written confirmation for all college visits and college or scholarship interviews.
      • Visits and interviews are approved by the Vice President for Student Development.
   c. Special conditions will apply on certain occasions: for example, dinner during Winter Formal and Prom. Approval from the Dean of Students must be obtained on these occasions.
   d. For unscheduled, non-routine, and emergency situations, approval must be received from the Vice President for Student Development or the Dean of Students. An example would be a family matter related to illness or death. Students may not access their vehicles for same day appointments or activities not outlined above.

2. Vehicle pickup procedure:
   a. Approval: No approval is required for vehicle use on long weekends or holidays. All other use, including free weekends, requires specific approval as noted and approval must be secured before the vehicle is accessed.
   b. Pickup time: For routine departures for weekends, long weekends, and holidays, the designated parking area can be accessed from 2:00 pm – 6:00 pm. Students must coordinate their departure plans to conform to this schedule.
   c. For unscheduled or non-routine usage, students must make pickup arrangements at least 24 hours in advance with the Residence Life Coordinator on duty. Emergencies will be handled as quickly as approval can be obtained.
   d. Once the student has picked up the vehicle, the student may drive to the rear of the residence hall to load his/her vehicle. The student must then leave the campus until the approved leave has ended.

3. Vehicle return/parking procedure:
   a. For routine returns on free weekends, long weekends, and holidays, the designated parking area can be accessed from 2:00 pm – 7:30 pm on return days. Students must coordinate their return travel times to conform to this schedule.
   b. For any unscheduled or non-routine vehicle returns, students must make arrangements at least 24 hours in advance with the Dean of Students.
   c. Once a student returns to campus in their vehicle (whether returning early or on time) the weekend leave and driving privileges end immediately. Therefore, students may not leave campus again in their car for any reason (i.e., a student may not drive to Wal-Mart, to a restaurant, to get gas, etc.). Vehicles must be parked in the designated parking lot immediately upon return or prior to 7:30 pm.
M. Student Vehicle Policy Violations

Students who do not comply with all of the above may lose their vehicle privilege. Parking fees for the current semester are not refundable if parking privilege is lost for any reason. Violation of Vehicle Policy will result in sanctions as follows:

1. Pick-up or Return Violation – Level 2 Discipline Code Violation
   - 1st offense – loss of vehicle privilege for one month.
   - 2nd offense – loss of privilege for the remainder of the year, including special events.

2. Use of vehicle without approval – Level 2 Discipline Code Violation
   - Loss of privilege for the remainder of the year, including special events.

3. Accessing the vehicle without permission – Level 2 Discipline Code Violation
   - Loss of privilege for the reminder of the year, including special events

4. Parking a vehicle off campus – Level 2 Discipline Code Violation
   - Loss of privilege for the reminder of the year, including special events
VIII. ACTIVITIES, CLUBS, AND LEADERSHIP

In keeping with the Division of Student Development’s vision to make the out-of-class experience as educationally purposeful as the in-class experience, GSSM promotes leadership in the residence hall, athletics, and the co-curricular experience. Our commitment is to develop life skills that will serve our students far beyond their time at the Governor’s School. Because of the diverse interests of our students, we offer a variety of clubs, organizations, and affinity groups, which we refer to as societies. We work to support any group of students who may want to start an organization.

A. Philosophy and Vision

The philosophy of student engagement at GSSM is to support student success and excellence. Under the leadership of the Dean of Students and with the holistic development of the student at the forefront, we sponsor and implement engagement through participation in clubs and organizations, community service, and leadership development.

The vision is to foster an institutional culture that facilitates learning through student centered programming that promotes meaningful campus and community involvement through student organizations and activities. Student Engagement seeks to support its philosophy by

- Challenging students to excellence in their academic, civic, and cultural pursuits
- Promoting an environment of respect, support, and appreciation for community
- Providing students with opportunities to grow and develop new skills
- Affording students leadership opportunities that develop their collaborative and communication skills

B. Student Council

The GSSM Student Council is the principle voice for the student body to the school’s administration, faculty, and staff on matters of school policy. In a spirit of cooperation, loyalty, and school spirit, the Student Council stresses good citizenship, works to encourage worthwhile activities within the school, and strives to improve the quality of life for everyone in the school community. The Student Council represents, at all times and to the best of its ability, the ideas, wishes, and attitudes of the student body. More specifically, the Student Council serves as a bridge between the student body and the school’s administration, faculty, and staff by which student concerns can be heard and addressed. The school’s administration depends heavily on the Student Council for student input on policy matters directly affecting the student body. The Student Council consists of 14 members (8 seniors and 6 juniors) who are elected annually by their respective classes.

The duties and responsibilities of the Student Council are as follows:

1. To act as a barometer of student opinion
2. To assist the school’s administration, faculty, and staff in gathering student opinion on new policies that directly affect the student body
3. To suggest to the school’s administration ideas for the betterment of the school
4. To promote the general social life in the school
5. To stimulate student interest in school activities
6. To assist the Dean of Students in the chartering and monitoring of clubs and organizations
7. To promote respect for the school and for private property
8. To organize and promote general and special elections
9. To interpret the Constitution and Bylaws as necessary

C. Student Activity Board

The Student Activity Board (SAB) is made up of two elected students representing each floor and is advised by the Student Activities Coordinator. The Board has regular meetings with the advisor to plan activities for the student body. The members are responsible for planning dances, campus-wide events, and large off-campus trips. Students are involved with all aspects from planning, preparation, and advertising to cleaning up for SAB events.

D. Student Organizations

Organization development and registration are determined at the beginning of each school year and driven by student interest. Most organizations at GSSM are social, cultural, academic, competitive, or service oriented (e.g. National Honor Society, Math Team, Robotics Club, French Club, Beta Club, Interact, etc.). Some organizations have local, regional, or national affiliations and GSSM students will often represent the school through service or at competitions at these various levels. To join an organization, students should express interest, attend club meetings, and be a contributing member. Some organizations have specific criteria and when joining those groups, that criteria must be met. While many clubs have remained active since their inception, participation fluctuates from year to year.

Students may also charter new organizations. When a group of students desire to establish an organization or continue a club, they are required to register through the Office of the Dean of Students. Once the registration materials have been submitted, they will be reviewed and approved by the office and the Student Council Interclub Council (ICC). Student organizations that wish to be recognized and desire to be considered for funding must complete the following process:

1. Complete the club registration form obtained from the Office of the Dean of Students
2. Obtain a faculty or staff advisor who is willing to attend all meetings, activities, and functions
3. Provide a membership roster to include all officers and members
4. Develop a mission statement and/or constitution
5. Project anticipated organization activities to include a community service project during the fall and spring semester
6. Hold meetings at least twice a month
7. Submit monthly reports to the Student Activities Coordinator and Student Council through the Interclub Council (ICC)

E. Societies

Societies are formed when groups of students with a shared interest in music, film, fun, sports, recreation, etc. seek to gather to share in their common interest (e.g. Society for the Easily Amused, Fancy Tuesdays, Rain Society, Football, Guitar, and Cheese Society, etc.). Being recognized as a Society is much easier and more flexible than registering as a club. For example, a Society is not required to have
a faculty or staff advisor, elected officers, or hold regular meetings. However, Societies cannot request ICC monies or represent the school in any way.

To create or register a society, complete the society registration form from the Dean of Students. After the society has been approved by the Dean of Students or his/her designee, the society can begin meeting. Societies may be registered at any time throughout the school year.

F. Student Ambassadors

Student Ambassadors represent the school in various ways such as speaking with parents and students at information sessions on campus and virtually, helping Admissions and other GSSM departments as needed, serving as hosts for prospective students, guiding campus tours for prospective students and parents, and assisting with GSSM’s Preview Days. Ambassadors must complete an application and interview and are carefully selected by a committee of GSSM staff. Ambassadors should exemplify the best qualities of GSSM, academically and interpersonally, and they must be in good standing in all areas of campus life.

Ambassadors are expected to attend meetings, actively volunteer, and maintain positive behaviors in and out of the classroom and on and off campus.

G. Natural Helpers

GSSM Natural Helpers are an informal “helping network.” They are the “front line” in assisting the Counseling and Campus Life staffs in meeting the physical, emotional, and psychological needs of our students. These peer counselors and campus leaders complete an application that includes faculty/staff and student recommendations. Feedback on applicants is sought from their peers and they are carefully selected by a staff committee. These students must be in good standing in all areas of campus life as they are expected to be role models.

A Natural Helper is a facilitator in developing a relationship with his/her peers, helping to solve problems and guiding new students in their adjustment to the GSSM environment. The mission of a Natural Helper is to instill a “sense of belonging” in the new students and a renewed sense among their fellow seniors. Their goal is to assist new students in adjusting to the academic and social transition from their home high school to life at GSSM and to provide assistance to any student in need. Natural Helpers are selected each year by early March and are involved in promoting and fostering community for the entire student body assisting the residence life staff. They are actively involved in the life of the school, especially May and August Orientation and various campus programs.

H. House Captains

The residence hall at GSSM is set up on the House System. Each house is led by a house captain. These residential leaders set an example for the others students in their House, which is their residence hall floor. House captains should embody the values, mission, and goals of the GSSM Community. They encourage and motivate fellow house members, work with Campus Life team members to implement programs, assist with the coordination of activities in the House, and encourage school spirit.

I. Student Activity Center

GSSM students, faculty, and staff are welcome to reserve the Student Activity Center or specific rooms in the Center for programs, activities, study sessions, or individual use. Please contact the Student Activities Coordinator or the Dean of Students to make a reservation.

Hours of Operation
Sunday – Friday: 3:00 p.m. to 10:30 p.m.
Saturday: 12 noon to 11:00 p.m.
IX. ATHLETICS

Good sportsmanship is an emblem of GSSM Athletics along with the values of teamwork, discipline, and persistence. Our teams are competitive and many of our students try organized sports for the first time here. We encourage interested students to become academic and athletic champions. As our teams represent GSSM in the State, communities are often surprised by their athletic success. Additionally, many students choose to stay fit through their athletic participation or by becoming involved in the fitness classes and intramural offerings of the department.

A. Athletics

GSSM has sport programs sanctioned by the South Carolina High School League, which includes volleyball, basketball, cross-country, soccer, swimming, tennis, and track. Some sports have separate girls’ and boys’ teams, and others are co-ed depending upon the level of student interest. GSSM has produced multiple Region Champions/State Champions (Individual/Team).

To participate on athletic teams, students must:

1. Be in good academic standing (students on Academic Probation may not participate)
2. Have an updated physical (valid from April 1 through the following year) on file at GSSM
3. Have health and accident coverage (a basic accident policy is available through the school)
4. Submit an official, original birth certificate. The school will make a copy and return the original to the student.

Students may earn an athletic letter in any of the GSSM sports programs. At various times during the year, sports recognition programs may be held and letters and other honors awarded. Students with disciplinary records (extensive Level 1s, a Level 2, or Level 3) may not be permitted to participate in athletics. The Athletic Director and coaches will determine if students will not be allowed to participate in athletics for disciplinary reasons.

B. Physical Activity

The Governor’s School for Science & Mathematics believes strongly in our students’ need for physical activity. The purposes of the physical activity program are to:

1. Promote good health
2. Provide a means for releasing tension
3. Encourage lifetime fitness activities.

There are systems in place to support and encourage the overall wellness of all GSSM students. Details can be provided by the Athletics staff.
C. Seasons

<table>

<tr>
<td>Volleyball</td>
<td></td>
<td>Golf</td>
</tr>
</tbody>
</table>

D. Classes and Playoff Schedule Conflicts

Athletes participating in the playoffs are permitted to leave class or miss class based upon the location and time of the scheduled event. The High School League, not GSSM, determines where and when the playoffs will be played. The Athletic Director and/or coaches will provide athletic rosters and request for dismissals.

E. Overlapping Sports Participation

Students participating in dual sports that have overlapping seasons will be reviewed by the Director of Athletics on an individual basis. No student should participate in overlapping sports if he/she has substandard academic reports even if he/she is not required to attend Pre-QUEST (e.g. a student has three C's and plays basketball and soccer that overlap. He/She may be removed from one or more sports based upon their academic standing). Students who commit to athletics should participate as much as possible, but academics are always first.

F. Performance Enhancing Drugs

Any student athlete who has tested positive or has been observed using illegal or performance enhancing drugs may be suspended or terminated from participating in athletics. He or she may also be subject to other disciplinary action based on the results of a full investigation.

G. Gym Usage during the Academic Year

1. GSSM students are permitted to utilize the facility during the allotted time period. (Weight room usage requires at least two individuals in the room whenever feasible. Students should not use weight room without supervision.)

2. During the academic school year, GSSM Security will open and close the gym according to the following schedule:

   a. Monday – Thursday  6:00 am – 10:30 pm
   b. Friday             6:00 am – 12 midnight
   c. Saturday           8:00 am – 12 midnight
   d. Sunday             8:00 am – 10:30 pm

3. GSSM faculty and staff members are permitted to utilize the gym and weight room during the allotted time period. However, faculty and staff members are responsible for securing the building if used outside of published operating hours. GSSM faculty and staff members are expected to maintain a safe environment by cleaning up and replacing equipment to the proper areas.

4. Special events must be arranged, in advance, through the gym coordinator at 383-3901 ext. 2109.

5. Priority of Use:
a. Academic class schedule
b. Athletic team game/practice – GSSM
c. GSSM intramurals/free play – All GSSM students
d. GSSM assembly/Foundation assembly
e. Athletic team game/practice – Coker and/or Community

H. Gym Usage During the Summer

GSSM faculty and staff members are permitted to utilize the facility. (Students are not permitted to use the weight room during the summer.) GoSciTech (formally Summer Science Program) faculty and staff members are permitted to utilize the gym and weight room. GoSciTech students are permitted to utilize the gym with proper supervision, but they are not permitted to use the weight room.
X. SENIOR PRIVILEGES

Like most high schools, seniors have certain privileges that are associated with their classifications. GSSM is no exception. These privileges are earned and exercised in the context of the school’s academic and community standards.

A. Optional QUEST

Seniors with final grades in all semester and full year courses of at least an 80 may exempt QUEST during the Spring Semester, provided they have no serious disciplinary infractions. Should a senior with optional QUEST be placed on PreQUEST during the Spring Semester, the optional QUEST privilege is forfeited for the remainder of the semester. This privilege is given to encourage students to learn to manage study time on their own in preparation for college. This privilege is not to suggest that seniors do not need to study, but to offer a more flexible study schedule set by the student.

If necessary, this privilege may be modified or revoked at any time without advance notice; therefore, you should be careful to follow the guidelines and Student Handbook closely.

1. Seniors who do not QUEST may not have lights out extensions on the same evening. If you think you may need an extension, you must inform the Residence Life Coordinator at the beginning of QUEST that you are QUESTing. Otherwise, they will not know that you have participated in QUEST, and therefore, will not be able to grant you a lights out extension.

2. We need to continue to provide study environments for students; therefore, TV, videos, NINTENDO, XBOX, Wii, Playstation, and other games may not be played in the lounges during QUEST.

3. Seniors who are not QUESTing may use cell phones during QUEST but not in silent student areas as long as it does not interrupt other students’ study time. If this becomes a problem, this privilege will be taken away.

4. Seniors may not disrupt any other student's QUEST, either through distraction or by noise.

5. No other rules or policies are superseded by this privilege (i.e., visitation).

6. Seniors may go off campus if they have earned the privilege of Optional QUEST. They must return to campus no later than 10:00 pm. Properly signing in and out as dictated by school policy is required to maintain this privilege.

B. QUESTing Outside

During Daylight Savings Time, seniors are allowed to study in the patio area outside of the Cafeteria, and the semi-circle lawn in front of the school until 9:00 pm. (The study time may be adjusted by the Administration.) Seniors QUESTing outside must sign up on a special sign-up sheet for the patio and the front lawn so that all students are accounted for during QUEST. Outdoor QUESTers must follow all current noise guidelines for QUEST. Students studying in groups must not disturb other students who are studying around them. The following guidelines are in effect for outdoor QUESTing:

1. All relative rules that apply to indoor QUEST also apply to QUEST outdoors.

2. Students may not leave the designated outside areas. Violators of outdoor QUEST rules will lose the privilege of outside study for one month. This penalty will carry over from Fall to Spring or Spring to Fall Daylight Savings Time periods.
3. Students or groups who are disrupting others will be asked to return to their room(s) and may be subject to the GSSM Discipline Code.

4. Seniors who are supposed to be QUESTing who are not engaged in study will be asked to go to their rooms.

5. Students may not move inside furniture to the outside (e.g. dining hall chairs, tables, lobby furnishing, etc.).

6. Students may not use CD, MP3 players, etc. without headphones during outdoor QUEST.
XI. DINING SERVICES

GSSM contracts with Aramark for its dining services. The food services manager works closely with various departments in managing meals and accommodating special dietary needs, especially in the case of our students, faculty, and staff.

A. Meal Schedule

Students will be provided breakfast, lunch, and dinner seven days a week in the GSSM dining Hall. GSSM dining services are contracted annually. The current provider is Aramark. Hours for dining are as follows:

<table>
<thead>
<tr>
<th></th>
<th>Monday-Friday</th>
<th>Saturday-Sunday</th>
</tr>
</thead>
<tbody>
<tr>
<td>Breakfast</td>
<td>7:30 am – 8:30 am</td>
<td></td>
</tr>
<tr>
<td>Lunch</td>
<td>11:30 am – 1:00 pm</td>
<td>11:00 am – 2:00 pm (brunch)</td>
</tr>
<tr>
<td>Dinner</td>
<td>5:00 pm – 6:30 pm</td>
<td>5:30 pm – 6:30 pm</td>
</tr>
</tbody>
</table>

B. Dining Hall Guidelines

There are guidelines for the dining hall to ensure that all students, faculty, and staff can have an enjoyable dining experience. All dining services staff have the right to reprimand anyone for not following the guidelines for the dining hall. All write-ups received in the dining hall for inappropriate actions will result in work detail in the dining hall.

1. Dispose of all personal trash, whether dining inside or on the patio. Return all chairs to their proper positions after use.

2. Everyone is expected to wait in line for meals. No cutting in line is allowed. Allow yourself plenty of time to get your meal and eat before your next class.

3. Throwing food, utensils, plates, bowls, cups, napkins, etc. is strictly prohibited.

4. No carry out meals or drinks are provided, although when necessary, students may take a piece of whole fruit or cookie.

5. Meals will be provided for students who are ill and excused from classes. An RLC or other staff member will get your meal for you and deliver it to your room.

6. Everyone is to take his/her trays and dishes to the dish window after each meal.

7. Anything deemed inappropriate by the dining hall staff or any GSSM faculty or staff member may result in a write-up.

8. The Dining Hall is not to be used during non-dining hours for study, socializing, or meetings, unless given prior permission by the dining services staff or the Dean of Students.

9. Guests are required to provide payment for meals unless given permission by the Dining Services Director.
XII. WELLNESS SERVICES

Student health, safety, and fitness are fundamental to the overall well-being of our community. The Health Services department is the center of physical health programs at GSSM. Ensuring compliance with HIPAA (Health Insurance Portability and Accountability Act) and the DHEC (Department of Health and Environmental Control), nurses are committed to providing excellent care to the students as they partner with parents and local health care providers.

A. Health Services Office

The Health Services office is currently open (when school is in session) from 7:00 am – 11:00 pm Monday through Thursday; from 7:00 am – 11:30 pm on Friday and 7:30 am – 11:30 pm on Saturday. Sunday hours are 11:00 am – 11:00 pm. The Sunday schedule is adjusted on the Sundays after the Long Weekends and Breaks and on the Saturdays when we have major programs and activities to accommodate the needs of the students. The Health Services office is located on the first floor of the GSSM building in room A137 and is staffed by nurses contracted through our local hospital.

B. Emergency Services

Emergency medical services are provided by Carolina Pines Regional Medical Center, 843-339-2100. The student and his/her parent or guardian are responsible for any medical or dental expenses not covered by personal health insurance. Please request an additional/duplicate insurance and/or prescription card for your child. If a student is treated and released from the hospital, the parent should contact the School Nurse, the Dean of Students, or the Residence Life Coordinator on Duty prior to bringing the student back to GSSM.

C. Health Records

Every student must have the Medical Examination/Self History Form on file in the Health Services office. The information provided on this form is vital to our staff so the best possible care can be given to our students. Please note that the Self History portion is on the front of the form and it must be reviewed by the student’s physician in addition to the physician filling out the back of the form and signing the same.

A parent or guardian is responsible for updating the nurse if there are any changes regarding medications or the physical, medical, or psychological conditions of your child. Please do not send your child back to school with new medications or conditions and expect them to relay this information. Also, if any information changes regarding your contact information, such as a phone number or address, please inform Health Services directly and immediately. Health Services files are confidential and kept separate from the main files; therefore, changes must be relayed directly to the School Nurse. Health Services is also responsible for maintaining the student’s Release of Information form kept at the hospital. Correct information is important in the event of an emergency.

D. Insurance

All GSSM students must have accident and health insurance. Parents/guardians must provide proof of health insurance. Those families who do not carry such a policy will be required to purchase a policy to cover their child for medical treatment while at GSSM. Parents and guardians should examine their health insurance coverage to determine if it covers their child’s health while attending GSSM. GSSM is neither responsible for, and does not provide health insurance for students, nor is it responsible for any health or medical costs. We encourage parents to make $100 accessible to their student at all times for unplanned doctor visits and prescriptions. (If the prescription card is separate from the medical insurance card, please make a copy of it as well, front and back, and write the student’s name on all copies.)
Please make sure your child’s **INSURANCE INFORMATION** is **ALWAYS** up to date and **CURRENT**. A copy of your insurance card (front and back) must be on file in Health Services.

### E. DHEC and GSSM Immunization Requirements

1. **SC State Law requires:**
   - Any student transferring from one school to another must transfer the immunization records to the receiving school. **Only the new DHEC 2740 form is acceptable in the public schools in South Carolina for any vaccines given after January 1, 2014. The previous DHEC form 1148 is acceptable if no new vaccines have been given after January 1, 2014.** A copy can be obtained from your county Health Department, pediatrician’s office, or current school. Please be specific that you are asking for the DHEC immunization record required for public school admission. Doctor’s records and pink shot record cards are not acceptable documentation. Additional vaccines such as meningitis or HPV may be put on a separate sheet as they are recommended, but not required.
   - Religious exemption from receiving immunizations is DHEC form 1126, available from your county health department.
   - Students who do not have a current immunization record on file after 30 days from the first day of school will be dismissed until such time as the school receives the proper immunization record.

2. **GSSM requires:**
   - All students in attendance must have a current Tetanus shot. (Current means within the last ten years; however, if it has been 5 years or more, please request the Tdap vaccine, which offers additional protection from Pertussis, also known as Whooping Cough.)
   - Documentation from a health care professional of current PPD (Tb skin test) is required (within the last 12 months).
   - Indication, **ON THE IMMUNIZATION FORM,** whether a student has had the Chicken Pox disease or the Chicken Pox Vaccine. Please have your health care provider write it on the form. **DHEC requires a minimum of one dose of the Chicken Pox Vaccine or documentation of having had the disease, noted on the DHEC Immunization form.** A second dose of the vaccine is recommended by the CDC and is required by most of the universities where students are assigned for the Summer Program for Research Interns (SPRI).
   - GSSM highly recommends students receive the Meningitis vaccine prior to admission. Please explain to your health care professional that your child will be attending a residential school and living in a residence hall just like in a college setting.
   - GSSM also highly recommends that our students receive the flu vaccine when it becomes available in the fall. It will be made available through Health Services at cost. Parents and students will be notified when the vaccine arrives.

### F. Medication Policy and Doctor Information

GSSM requires notification of all medications (prescription and over-the-counter) needed by students.

1. All oral prescription medications will be retained by the nurse, kept in locked cabinets in Health Services, and given by a health care professional or designated trained staff member.

2. The only prescription medications designated as “**self-administered**” medications and allowed to be retained by the student are Insulin, topical creams/lotions, eye/ear drops, inhalers/nebulizers, and emergency Epi-pens. These medications still have to be reviewed by and registered with Health Services.
3. Each student must have on file in Health Services:
   a. A **Medication Policy** signed by the student and the parent or guardian
   b. **Permission for Administration of Prescription Medication** forms signed by the
      prescribing physician and a parent or guardian for each prescription medication brought
to GSSM
   c. **Physician’s Over the Counter Medication Permission** forms signed by the student’s
      health care provider and a parent or guardian

4. Limited over-the-counter (OTC) medications may be retained by the student **after review** by
   Health Services. Controlled OTCs include, **but are not limited to**:
   a. Robitussin DM (or generic equivalent with dextromethorphan)
   b. Cold/Sinus medication containing pseudoephedrine
   c. Any medication with Diphenhydramine/Benadryl
   d. Melatonin

   Students are not allowed to retain these medications, but they can be retained and
   administered through Health Services.

5. Students who purchase OTC medications must show them to Health Services for review.
   OTCs are to be taken in accordance with the medication label or package insert, unless
   prescribed otherwise in writing, by a health care practitioner. The parent or guardian shall
   indemnify and hold harmless GSSM and its employees and agents against any claim arising
   from a student’s self-monitoring or self-administration of medication. CBD oil, topicals, and
   related substances are not permitted.

6. A limited number of OTC medications will be available in the Health Services office and given
   in accordance with your child’s physician’s orders, per the **Physician’s Over the Counter
   Medication Permission** form.

7. Requests from parents/guardians for administration of experimental medications and
   herbal/alternative medicinal products at GSSM will be evaluated on a case-by-case basis by
   the School Nurse and the School Administrators.

8. As specified by GSSM policy:
   a. All prescription medications and controlled OTC medications will be locked in the Nurse’s
      office, except those designated as “self-administered.” The prescription and controlled
      OTC medications will be dispensed on a daily, or as needed basis – depending on the
      medication and each individual student’s needs.
   b. The School Nurse must be notified immediately via phone, email, or in writing by a
      student’s parent/legal guardian, of any new medications, changes in dosage, or
      eliminations/additions of a medication. This includes OTC medications. If a student
      purchases an OTC, he/she must show it to the nurse for review. A corresponding
      **Prescription Permission Form** completed by the prescribing physician must
      accompany any change in dosage or new medication as soon as possible after any
      adjustment in treatment. If a prescription is discontinued, Health Services should receive
      notification from the prescribing physician verifying this discontinuation.
   c. **All new medications brought to GSSM must be given to the School Nurse for
      review. If the Nurse is unavailable, the medication must be given to the Residence
      Life Coordinator (RLC) on duty.**
   d. All oral prescription medications must be turned in to Health Services on the day you
      return from the Long Weekend, the weekend home, or a school break. If a nurse is not
      available, the medication should be left with the RLC on duty. Failure to do so may result
      in disciplinary action.
e. When possible, parents may be notified if a student fails to comply with the medication policy and/or his/her medication regimen. Parents are encouraged to contact Health Services for updates regarding their children’s compliance as it is not always feasible for the nurses to contact them. Non-compliance could result in disciplinary action.

f. GSSM reserves the right to refuse to honor medication requests that are not consistent with professional standards (e.g. manufacturer’s guidelines, Physician’s Desk Reference) and/or are deemed unsafe for the school setting. If this occurs, GSSM’s School Nurse, School Administrators, the prescribing health care practitioner, and the student’s parent/guardian will discuss alternatives for meeting the student’s needs.

9. All prescription medications must be in the original bottle labeled with the student’s name.

10. All OTC medications must be in the original container. We ask that the student’s name be written on the bottle with a Sharpie pen.

11. Please schedule any doctor appointments needed for your child, on the Friday of Long Weekend. If/when prescription refills are needed, the new medication can be sent with your student when he/she returns. If your pharmacy has a location in Hartsville, you can transfer the prescription to Hartsville if you choose.

12. Health insurance is required. Please contact your insurance company regarding physicians and your approved provider(s) in Hartsville. Upon request, your insurance provider will send an additional insurance card, as well as a prescription card, for you to give to your child.

The Medical Group (843-383-5191) at Carolina Pines Regional Medical Center sees our students on Monday through Friday if needed. The nurses scheduled the appointments.

Local pharmacies:
CVS Pharmacy – 843-332-4191
Hartsville Drug Company – 843-332-6581
Walgreens – 843-332-4523
Wal-Mart Pharmacy – 843-332-8111

G. Student Illness

Students must see the School Nurse, a Residence Life Coordinator, or the Dean of Students prior to missing a class for illness or the absence will be recorded as unexcused. Students may not be excused after the fact. The procedure for reporting illness is as follows:

1. If a student is ill, he/she must go to the School Nurse. If the nurse is not in the office, the student is to call or see the Residence Life Coordinator on duty or the Dean of Students.

2. If a student is in class and becomes ill, the student should ask permission from the instructor to leave class to see the nurse but then must follow the procedures as listed above.

3. The nurse may determine the student needs to see a doctor and will make the appropriate appointment for the student after consulting with a parent/guardian. Transportation to and from a local physician will be provided. If no appointment is deemed necessary, it is the student’s responsibility to notify a parent of his/her illness.

4. Students are required to see the nurse after returning from medical appointments and/or the hospital. All prescriptions must also be turned in and logged.
H. Excused Absences

The student must come to the Health Services if he/she is too sick to attend classes. The student will be assessed and the nurse will make a determination as to whether he/she may be excused. The faculty and staff will be contacted so they are aware the absence is excused. A student should not stay out of class without an excuse. An unexcused absence may result in the student not being allowed to make up missed assignments. A maximum of (3) excused absences will be permitted per semester. If additional absences are needed, permission will be made on a case-by-case basis. The student will not be excused for a class after the fact. In other words, he or she may not come down at 10:00 am and be excused for a 9:00 am class. No exceptions will be made to this policy.

1. A student who is excused from class must remain in his/her room for the remainder of the day and night. Whether contagious or not, once excused from classes, students are restricted until the next morning.

2. A student may leave his/her room only to seek additional medical attention or to heat food in the lounge microwave.

3. Meals will be brought to sick students. A nurse will also check on sick students who have been excused from classes.

4. A student may not have visitors in his/her room or visit another student’s room on a day he/she is excused from class(es) for illness. We also ask his/her roommate to limit visitors to support the roommate’s recovery.

5. A student may not participate in athletics or other school events on a day he/she misses class for illness.

6. A student who misses two or more class days in a week due to illness must have medical clearance (Nurse and/or Dean of Students) before participating in a student activity or athletic activity. Based on the situation, this may require a doctor’s release.

7. A student with a temperature >102º or with an illness that will take them 2 days or longer to recuperate will be sent home for the duration of the illness. A student must remain at home for 24 hours after his/her temperature has returned to normal without the use of medication. Also note that there may be times in the life of the school when students are required to leave campus outside of these circumstances.

8. A student who is hospitalized or taken to the emergency room due to an accident, illness or injury may not return to campus without the Nurse or Dean of Students’ approval.

9. A student who was excused for illness the previous day should see the School Nurse the next day before attending class.

These guidelines are in place to allow the student to rest and get well. Additionally, we want to decrease exposure to other students. Students who do not follow these guidelines will be referred to the Dean of Students or the Vice President for Student Development.

I. Counseling Services

Enriched academic programming for high school students brings many opportunities, but not always without its challenges and stressors. GSSM is pleased to offer on-site counseling as a part of the support
services of our school. Students are able to access the resources of licensed mental health professionals in a setting that is convenient and comfortable to them, while being completely confidential.

Students may seek assistance for a variety of issues including relationships, homesickness, transitioning to community living, stress and/or time management, anxiety, grief, depression, etc. These services are free to all enrolled students.

Students who need counseling beyond what can be reasonably provided by our wellness counselors are expected to arrange for therapeutic services in their home communities under the supervision of their parent/guardian. This protocol is designed for the safety of the student. It also ensures that the entire family is engaged to support the overall wellness of the student. These mental health professionals work closely with our staff in partnering toward student success.
XIII. COLLEGE COUNSELING AND ADVISING

The quality of college advising is a hallmark of the GSSM journey. What students receive through this office is comparable to the services provided by private consultants. The professionals in this office are committed to best practices and individualized attention. Students are encouraged to invest themselves in this process and fully utilize the resources this department provides as this is one of the most important in their educational journeys to date.

“College admissions is a match to be made, not a prize to be won.”
Frank Sachs, director of college counseling at the Blake School in MN and the past president of the National Association for College Admissions Counseling (NACAC)

A. College Counseling and Advising

The Office of College Counseling and Advising focuses on post-secondary opportunities for students at GSSM. Our primary goal is to assist students with finding "right fit" colleges for them: academically, socially, personally, and financially. We do this through collaborative work with students on the college search, application and admission process, as well as seeking and applying for need and merit-based financial aid. As part of our outreach, students learn more about their aptitudes, interests and why a good fit college is more than name recognition or prestige – it’s about learning where you can succeed and launch your career and/or graduate school preparation.

Each entering junior student is assigned a college counselor upon enrollment, who will work with the student and parent through the senior year on the college planning and matriculation process.

Student may take up to five academic days for college visits during their two years at GSSM (Excused Absences-Category II). We encourage student and parents to use long weekend, holidays, and summer breaks to minimize loss of academic days.

In addition to one-on-one session with students through the year, we offer the following program to assist student with college planning:

College Search and Application Process
• College Planning Seminar I course (all juniors, spring semester)
• College Planning Seminar II course (all seniors fall semester)
• Naviance Student for students and parents
• Parent-student meetings via Skype, conference call, or in person at GSSM

Interaction with College Admissions Representatives
• More than 50 colleges and universities visit GSSM each year to meet with prospective students for individual college information sessions
• GSSM College Fair (fall)
• Bus trip to Charlotte NACAC College Fair (spring)
• Campus visits to SC colleges (Clemson, College of Charleston, USC Columbia)
• Annual College Admissions Dean’s Panel

Career Planning
• YouScience Profile to determine aptitudes and interests (juniors)

The Office of College Counseling and Advising is a member of the National Association for College Admissions Counseling (NACAC) and abides by NAACA’s Code of Ethics and Professional Practice (CEPP) in interactions with students, parents, and colleges.
B. PSAT, SAT, ACT and AP Testing

To assist students in their preparation for applying to college, the dates of the PSAT, SAT, ACT, and AP exams are published in the school calendar and on the College Counseling webpages. All juniors are required to take the PSAT in October and the ACT in April (sponsored by the SC Department of Education). It is strongly recommended that students take the SAT and ACT at least once in the spring of junior year and again in the fall of senior as the vast majority of college and universities will consider the highest test scores submitted by a student for college admissions. Where applicable, the student bears the responsibility of the cost of tests and the sending of official test scores.

All students enrolled in an Advanced Placement (AP) course are expected to take the AP exam. The state of SC currently pays the costs of AP exams for courses students take at GSSM. If a student chooses to take an AP exam for a course which s/he has not taken at GSSM, the student will be responsible for the entire cost of the exam, which is currently $94.00. Students are expected to complete some level of independent work outside of class in order to fully prepare to sit for AP exams. Information on how to prepare for AP exams is available from the subject instructor or the Office of College Counseling and Advising.

C. College Application Procedures and Deadlines

1. The Office of College Counseling and Advising will take responsibility for sending the documents listed below to college(s) on behalf of a student upon receipt of a Document Request Form. All documents are sent electronically through a secure server, unless the college/university requires that documents be sent via US Mail.

   - An official high school transcript, which includes all courses, grades, units earned for high school credit, and unweighted and weighted cumulative GPAs
   - A mid-year and final high school transcript and grade report
   - Secondary School Report or Counselor Recommendation Form
   - Recommendation letter from the college counselor
   - Teacher recommendation letter(s)
   - GSSM School Profile

Students are responsible for submitting the following materials to their colleges:

   - A completed application form and application fee (where applicable)
   - Essays and supplemental essays (as required for admissions and/or Honors Programs)
   - Official SAT and/or ACT scores sent from the testing agency directly to the college(s)
   - Applicable financial aid applications and requested supporting tax return documents: FAFSA (www.fafsa.gov) available October 1st and CSS Profile (css.collegeboard.org) available October 1st

2. Students are encouraged to work in tandem with their assigned college counselor to confirm the colleges to which a student applies includes a balance of “reach,” “mid-range,” and “likely” colleges on his/her list.

3. Updated on-line college applications are typically available by August 1st, including the Common Application. The single most important step in completing a college admissions
application is the simplest: Read the instructions before filling out the form. Colleges expect you to read and follow directions.

4. Students may begin working on their application over the summer and must confirm the application deadline under which they plan to apply with their counselor.

5. Carefully proofread your application and sign all appropriate areas, securing a parent’s signature if required. Make sure your grammar and spelling are correct. Students are strongly encouraged to save an electronic or paper copy of their completed applications submitted to colleges.

6. Be sure to have application fee payment available, usually a credit card number, prior to submitting your applications.

7. Teacher letters of recommendations requested in the spring will be available to send to colleges after October 1st. Earlier requests for letters of recommendation must be shared with the counselor and/or teacher at least two weeks in advance.

8. For each transcript request, students must complete and submit a Document Request Form and give it to their college counselor. The deadlines to submit this form are below:

- All October, Early Decision (ED), or Restrictive Early Action (REA) college deadlines: September 15th
- All November college deadlines: October 15th
- All other application deadlines (rolling, regular): November 15th

Please note: The internal GSSM deadline for the submission of all college applications is December 1st. Many institutions use December 1st as their published or unpublished merit scholarship deadlines.

D. Counselor’s Responsibilities

1. All college counselors are available to assist students with completing college applications upon request.

2. The counselor will ensure that each transcript/teacher letter of recommendation is processed according to stated deadlines, provided the student has met departmental deadlines.

E. Discipline Disclosure Policy

Adhering to NACAC’s Code of Ethics and Professional Practice, it is GSSM’s policy for the Office of College Counseling and Advising to disclose Level 2 and/or 3 infractions and the relating judicial outcomes, including but not limited to suspension, expulsion, withdrawal pending disciplinary action or any other probation status to the colleges to which a student applies. Whether the offense occurred before or after the time of application, or if a student has received an offer of admission, will not preclude an infraction from being reported.

A student facing disciplinary action is encouraged with work with his or her college counselor to report accurate and timely information in a student reflection paragraph sent prior to the counselor’s report.
XIV. STUDENT DRESS CODE

The way we choose to present ourselves makes a statement about us. The GSSM Student Dress Code is designed to remind students that we are an educational institution and that their attire should not pose a distraction to other community members. It should also be appropriate for the occasion. Students should expect to be addressed if their attire is deemed inappropriate based on the outlined code.

Students are expected to adhere to the GSSM dress code at all times. When in their rooms with the doors open and during check times (hall meeting, rounds, room check, etc.), students are to be fully clothed. For special events and programs, faculty and staff may predefine their dress code expectations 72 hours in advance whenever possible. The assumption for an altered dress code is that it adheres to all dress code expectations as defined in the sections below.

A. General Dress Code

(This is the dress code at all times.)

1. Messaging on Clothing
   Profane or obscene language on articles of clothing is not allowed. Exemplary and non-exclusive examples are vulgar, libelous, or pornographic materials, or clothing which displays statements or symbols that promote drugs, alcohol, or are insensitive to race, sexual orientation, ethnicity, religion, or gender differences.

2. Outer Wear
   Clothing that is distracting, inappropriate, or too revealing is not allowed. Undergarments such as boxers, “A” shirts, and leggings/tights are not permitted to worn as outer wear and should be only be worn in the appropriate context. Leggings may be worn as outerwear only if they are designed for that purpose. They should not be too tight or revealing, regardless of body type and should not reveal underwear or skin about the mid-thigh. No see-through clothing is allowed.

3. Footwear
   Footwear with soles must be worn in school facilities and on school grounds.

4. Sleepwear
   Wearing of sleepwear as outer clothing is not permissible during the academic operating hours of 8:00 am – 5:00 pm Monday through Friday or during official school-sponsored events, regardless of time or day. This policy is relaxed during exam week to allow sleepwear/lounge pants during the academic operating hours, but is still not permissible in class. School-sponsored events such as spirit week, which may include “pajama day,” are an exception to this policy. Sleepwear is permissible upstairs in the residential community in the same sex side of the build.

5. Swimwear
   Swimwear is not permitted as clothing except during certain athletic or other previously-defined activities and in certain defined areas. All swimwear must be appropriate. Thong suits, string bikinis, Speedos, etc. are not permitted. If you are not sure of the appropriateness of a suit, please ask a staff member prior to wearing it. When in the building, females must wear a cover-up over swimsuits and males must wear a shirt with swim shorts. A towel is not considered an appropriate cover-up.
6. **Other**
   Anything that is distracting, inappropriate, or dangerous is not allowed.

**B. School/Weekday Dress Code**

(From Monday to Friday from 7:00 am until 5:00 pm and all school-sponsored events except school-sponsored dances, where the weekend dress code may apply.)

1. **Shorts/Skirts**
   Shorts/Skirts should meet the ‘fingertip’ rule, meaning when a student stands straight and holds his/her arms down by their side, their skirt/short should be no shorter than their fingertips. Laboratories may involve special requirements. Individual instructors will determine on the basis of safety whether shorts/short skirts are appropriate for their laboratories. Prior approval to wear shorts/short skirts must be obtained from the lab instructor.

2. **Shirts**
   No skin should show above pants/skirts under normal conditions. No skin should show below the students’ hand when placed palm down on your chest and the first finger is touching the collarbone. No cleavage should ever show. Shoulder straps should be at least 2” wide.

3. **Body Piercing**
   No exposed body piercing jewelry is allowed, except earrings as designated below. While under GSSM supervision, which includes school sponsored trips, students are not allowed to get a body piercing or tattoo, even with parental permission. Earrings in the ear and certain styles of nose piercings are allowed. If students have nose piercings, only small studs are allowed and should be no larger than 3mm. Body piercings, including micro-dermal piercings, on other visible areas of the body (e.g. lips, eye brow, etc.) are not permitted. Again, students are not allowed to get piercings or tattoos anywhere when on school sponsored trips or in the care and custody of GSSM.

4. **Hats and Caps**
   Hats are permitted in hallways, the residence hall, and other informal areas of the school and outside. No form of hats or caps may be worn in classes, offices, or in formal settings. When entering these areas, students may be asked to remove them.

**C. Weekend Dress Code**

(After 5:00 pm Monday through Friday and all weekend through Monday morning at 7:00 am)

1. **Shorts/Skirts**
   Shorts/Skirts should meet the ‘fist’ rule, meaning when a student holds his/her arms down by their side and make a fist facing the floor, their skirt/short should be no shorter than where the end of their first touches their legs.

2. **Shirts**
   No skin should show above pants/skirts under normal conditions. No skin should show below the student’s hand when placed palm down on your chest and the first finger is touching the collarbone. No cleavage should ever show. Shoulder straps should be at least 1” wide.

3. **Body Piercing**
   No exposed body piercing jewelry is allowed with the exception of earrings in the ear and small studs (3mm or smaller) in the nose.
4. **Hats and Caps**
   Hats and caps may be worn in buildings.

D. **Informal Dance Dress Code**

   (Including dancers and attendees)

1. **Shorts/ Skirts**
   Shorts and skirts should reach the end of the fists when arms are held at the sides.

2. **Shirts**
   Spaghetti straps of all widths are allowed, though strapless or one-strap tops are not.

3. **Midriff/Cleavage**
   Midriff should not show with arms held at sides. No cleavage may show.

4. **Shoes**
   Shoes are not required within the perimeter of the dance.

E. **Special Occasion Dress Code**

1. **Business, Formal Event Dress**
   This is the dress code for special events such as convocation, colloquium, SCJAS, senior banquet, concerts, recitals, and plays. Additional occasions that require this type dress may be designated and announced during the school year. Students are required to keep this type of attire at GSSM at all times. For males: dress slacks, dress shirt, tie, sports jacket, brown or black dress shoes and dress socks; for females: nice (business) dress, skirt or pants suits, dress skirt and blouse, and dress shoes. No clogs, Birkenstock style shoes, platform shoes over 1” high, hiking boots, or athletic shoes are allowed. This is considered “GSSM Dressy.”

2. **Prom and Winter Formal**
   Appropriate formal attire is acceptable for the Prom and Winter Formal Dance. If a student is unsure if his/her clothing is acceptable, he or she should ask the event sponsor for clarification before the event.
The Appropriate Use Policy (AUP) pertains to all users of GSSM networks, contracted services, and any and all other technologies provided by and on behalf of the school. The term user includes, but is not limited to, employees, students, alumni, visitors, contractors, program applicants, job applicants, program participants, and volunteers.

GSSM’s computer network supports school operations, communications, research and education by providing access to useful shared resources and facilitating collaborative work. Uses that support this purpose and facilitate school operations receive the highest priority. Other uses that interfere with GSSM objectives are prohibited. This includes using email lists in ways that can be perceived as disrespectful and disruptive to other community members.

By definition, a network is a shared resource. GSSM’s network is shared by its students, teachers, and administration. Those who use the network accept the responsibility to use it appropriately. This Appropriate Use Policy describes those responsibilities and the rules that apply to users of the GSSM computer network.

A. Ethical and Behavioral Standards

Those who use the GSSM network are expected to follow the same standards of conduct and communication that would be expected in face-to-face encounters. These standards are described in the GSSM Student Handbook. Some responsibilities are unique to the environment created by computer networks and are addressed here:

1. **Online Safety**
   GSSM cares about the safety of students and is deeply concerned about the increasing incidents of assault by those who locate or arrange meetings with their victims through Internet-based social networking services. These services can be dangerous when personal information, particularly information that can lead to the identification or location of a person, is published openly. GSSM strongly encourages students to secure their profiles so that they are not visible to strangers.

2. **Online Harassment**
   GSSM’s policies against harassment are in effect whenever and however students encounter each other, including online encounters. The use of Internet services within and beyond the control of the school to harass another student is a violation of GSSM rules and will be vigorously investigated and prosecuted. When harassment involving non-GSSM services is observed or reported, the school may engage law enforcement agencies and the courts to compel the service provider to disclose identifying information about the harassing party.

3. **Protected Information**
   Education records, health information, confidential information, information which may be of a personal and private nature must be transmitted and stored in an approved encrypted format. Such information may only be accessed using authorized equipment maintained and authorized by GSSM and by GSSM authorized GSSM personnel. For more information, refer to the GSSM Information Security Policy.

4. **Online Identity/Login Credentials**
   GSSM provides network users with credentials (username and password) for the purposes of accessing network resources. These credentials are intended to be used only by the person to whom they are assigned. Credentials assigned by GSSM must be kept secret and may not be divulged to anyone else. The person to whom network credentials are assigned is
responsible for all activities that occur when those credentials are used. Further, it is a violation of GSSM rules for a person to impersonate someone else by either using their credentials, or any other means that might obfuscate identity. GSSM students and employees may be provided credentials to access online databases while using the Coker University library. While these credentials are issued by Coker University, their use is governed by this AUP. Unless otherwise authorized in writing, login credentials expire upon separation from the school (graduation, dismissal, withdrawal, or other termination).

5. **Intellectual Property**
   As an educational institution that values the contribution of research to the quality of life and civilization, GSSM strongly supports the rights of owners of intellectual property. Many Internet services facilitate the sharing and collection of digital content like music and movies in violation of the rights of their owners. Acquiring, possessing, or sharing digital content in violation of copyright is illegal and prohibited at GSSM.

6. **Prohibited Access**
   Attempting to access protected information without authorization is a serious violation of GSSM rules, in addition to applicable governing laws. Users are prohibited from all activities that could inappropriately reveal the existence or configuration of servers, databases, network services, or security features. Scanning to discover network resources is expressly prohibited.

6. **Pornographic & Other Objectionable Material**
   All persons who use the GSSM network are prohibited from viewing, accessing, sending, or possessing pornographic material on GSSM-owned computers, via the GSSM network, while on the GSSM network, or at a GSSM-sponsored event. Attempts to circumvent, disable, or otherwise render content filter measures ineffective are a violation of GSSM rules. It is important to note that when students use networks off campus, the school is unable to regulate the content available to them. Particularly during summer research internships and while conducting assignment research at the Coker University library or any other collegiate library, GSSM students will access networks not equipped to prevent access to pornographic material. Colleges and universities are only required to enforce their own published access standards, which will vary between institutions.

7. **Conservation of Shared Resources**
   Network resources may be overwhelmed when used indiscriminately. Therefore, it is the responsibility of each person who uses the GSSM network to conserve resources where possible so that they are always available for others to share:

   a. **Internet circuit capacity**
      GSSM utilizes a commercial-grade connection circuit to provide Internet access to the campus. Priority for using this service is given to educational and campus operation purposes. GSSM will manage this resource by prioritizing Internet traffic, limiting or eliminating interfering services, and other means as necessary.

   b. **Message and file storage**
      GSSM servers provide spaces to store messages and files. They are intended to support educational and campus operations. Therefore, they should not be used to store media collections or for other recreational purposes. GSSM servers may never be used to store illegal content.

**B. Using Your Computer at GSSM**

GSSM encourages students to bring computers to school for use in their rooms, classrooms (when allowed by their teacher), and around campus. Employees sometimes use the school’s WiFi system with their personally owned phones and tablets. Attaching a personally-owned computer to the GSSM network indicates acceptance of this AUP and places specific responsibilities upon the owner:
1. **Owner Responsibilities**
   Computer owners are responsible for ensuring that their computers are virus-free prior to connecting to the network. Computer owners may be held responsible for damage created by computer viruses, or other activity originating from their computer. When it is determined that a computer is threatening the stability of the network or other computers, it will be removed from the network immediately. Owners are also responsible for maintaining their own computers. GSSM does not have staff available for computer repair. Computers should be in good working condition when they arrive on campus. Owners should back up their important files often to prevent loss in the event of a computer failure.

2. **Antivirus Software is Required**
   Every computer that is connected to the GSSM computer network must have effective, up-to-date antivirus software installed at all times. This protects the computer owner as well as others on the network. Computers found to have out-of-date or no antivirus software installed maybe removed from the network.

3. **Dynamic Network Addressing**
   The GSSM computer network automatically assigns IP addresses to each connected computer. This address must not be tampered with or changed. While assigned IP addresses are dynamic and subject to change without warning, in practice these numbers will rarely change throughout the school year.

4. **Network Registration**
   Computers are registered to their owners when they log into wifi and present a username and password, or when they attached to a network port in a are student’s room. Attempting to conceal the ownership of a computer is a violation of school rules.

5. **Accessible Hours in the Residence Halls**
   The computer network in the residence halls is available Monday through Thursday from 5:30 am until 1:15 am, and from 5:30 am Friday through 1:15 am on Monday of each week. These hours may be modified in the event of an academic Saturday.

6. **Protected Information**
   It is a violation of state regulations for protected information to be copied to or stored on personally owned devices. Protected information includes education records, health information, or any other information that is considered to be GSSM Confidential or of a personal and private nature to an employee or student.

7. **Prohibited Devices**
   Certain network devices can interfere with network operation. Any kind of DSL/Cable router has this potential and is prohibited on the network. Wifi access points, hot stops, routers, and other devices that provide wifi network services to others reduce the number of channels available to the GSSM network, reducing performance in the area where they operate. Only wireless devices acting as clients of the school’s wifi network are allowed.

8. **Prohibited Software**
   Software that creates durable connections to Internet services, or that allow others on the Internet to access, share, or control computers on the GSSM network represent security risks and are therefore prohibited. Any software that scans networks or computers for vulnerabilities, any software that interferes with the GSSM network or devices attached to it, or any software that facilitates circumvention of any GSSM rule is prohibited.

9. **Wireless Network**
   Govienet is GSSM’s wireless network for students. The password for connecting toGovienet is distributed regularly. Once connected to Govienet, an additional username and password is required to gain access to the Internet. These credentials are requested infrequently.
Using another student’s credentials is prohibited as is using other wireless networks not intended for student use. A guest network is available for visitor use and for devices owned by employees. Instructions for connecting to it are posted in the main lobby. Only authorized employees using school-owned laptops and similar wireless devices may connect to the administrative WiFi network.

10. **Microsoft Office**

As part of its site licensing agreement with Microsoft, students and employees may download MS Office to their computers and portable devices. Each person may install the software on up to five personally owned devices which may include phones and tablets. The installation screen is accessed through the Outlook portal (https://outlook.office.com). GSSM provides this service as a convenience and makes no guarantees regarding compatibility, fitness, or availability for any particular task. Anyone who downloads and installs Microsoft products accepts any and all license terms applicable to their use. Access to Outlook, Onedrive, and any associated installations of Microsoft Office will stop working when students or employees leave the school, although documents created with the software will still be functional.

11. **Compatibility**

GSSM makes no guarantee of compatibility between personally-owned equipment and its networking equipment, services, software, etc.

C. **Privacy**

In order to protect the computer-using community and to enforce GSSM rules and policies, the school reserves the right to examine, restrict, or remove any material that is on or passes through its network. Such activities are not undertaken routinely or lightly. In addition, specific information about computer use is collected and preserved over time:

1. **Internet locations visited**
   This information is logged for each Internet user and device.

2. **IP addresses assigned to each computer**
   When an IP address is assigned, the hardware address of the computer, the IP address assigned, the date and time of the assignment and location of the computer requesting the address are recorded.

3. **Log in/out information**
   User name, network location, date and time are recorded when logging into or out of some network resources.

There are privacy issues associated with using public GSSM web sites that are described at: http://www.scgssm.org/privacy-policy.

D. **AUP Violations**

Violations of the AUP may result in temporary or permanent loss of network use privileges. Depending on the nature of the violation, additional disciplinary actions may be taken.

E. **Amendments**

These policies may change from time to time as circumstances warrant. The most current version will always be posted online at http://www.scgssm.org/aup.
XVI. IMPORTANT LAWS AND GSSM POLICIES

GSSM has a commitment to ensure that community members respect and abide by all state and federal laws. This chapter explains the school’s position on weapons, tobacco, alcohol, and substance use and abuse.

The use of illegal substances among the student body cannot be easily differentiated from abuse and suggests a significant error in judgment and lack of maturity. If and when this occurs, GSSM and the families must determine whether a student is emotionally and psychologically prepared for our program. In our close-knit environment, illegal substances and other contraband are a concern not only for individuals, but for the entire campus community.

A. Weapons

Weapons are forbidden at GSSM. Applicable state law describes such weapons. Please note that GSSM will abide by all SC state and federal laws as they pertain to our school. Articles such as knives needed for cooking, hatchets needed for camping, etc., must remain under the control of faculty or staff. All equipment pertaining to weaponry (martial arts, paintball and fencing paraphernalia, bows/arrows, etc.) must be stored with the Director of Athletics.

Relevant state law:
South Carolina Code of Laws
SECTION 16-23-430. Carrying weapons on school property.
(1) It shall be unlawful for any person, except State, county or municipal law-enforcement officers or personnel authorized by school officials, to carry on his person, while on any elementary or secondary school property, a knife, with a blade over two inches long, a blackjack, a metal pipe or pole, firearms or any other type of weapon, device or object which may be used to inflict bodily injury or death.
(2) A person who violates the provisions of this section is guilty of a felony and, upon conviction, must be fined not more than one thousand dollars or imprisoned not more than five years, or both. Any weapon or object used in violation of this section may be confiscated by the law enforcement division making the arrest.

B. Possession or Use of Tobacco

GSSM does not allow the use of any tobacco products by any student while they are GSSM’s responsibility. Smoking, possession of, or the use of any tobacco products by any student is forbidden while on and off the GSSM campus or at any GSSM activity or event. This also includes electronic cigarettes, paraphernalia used to facilitate the use of tobacco (e.g. pipes, cigarette paper), vaporizers, and other devices associated with nicotine and vaping use. Violations are Level 2 offenses, as described in the Discipline Section of the Student Handbook.

Relevant state law:
South Carolina Code of Laws
SECTION 16-17-500. Sale or purchase of tobacco products for minors; proof of age; location of vending machines; penalties; smoking cessation programs.
(A) It is unlawful for an individual to sell, furnish, give, distribute, purchase for, or provide a tobacco product to a minor under the age of eighteen years.
(E)(1) A minor under the age of eighteen years must not purchase, attempt to purchase, possess, or attempt to possess a tobacco product, or present or offer proof of age that is false or fraudulent for the purpose of purchasing or possessing a tobacco product.
C. GSSM Drug and Alcohol Policy

With the intent of supporting the overall health and wellness of the individual student and a safe school environment, the following policy has been developed regarding drug and alcohol possession and use by GSSM students.

In every case, policies developed by GSSM consider the health and welfare of the student of utmost importance. As a learning institution, GSSM always seeks to educate first. We believe that it is our mission and purpose to help students learn from every experience they have while in attendance with us.

When a student comes to a member of the GSSM faculty or staff indicating that he or she may have a problem with substance, we are committed to assisting the family in seeking appropriate treatment. This may constitute a medical withdrawal, but each situation will be considered on a case by case basis. Through our professional staff, and as necessary, outside agencies, a student who acknowledges a problem may be required to enter into counseling to assist in maintaining a clearer understanding of the dangers of drug and alcohol use and/or abuse and to help them design and implement a program for dealing with his or her problem. The GSSM psychologist and staff may work with the student and his or her family to develop a plan that is most effective for meeting the student's immediate and long term needs. In the student's best interest, this may require him or her to return home for appropriate treatment. If a student is found in violation of this policy, safety will still be the primary concern, but we will exercise our conduct procedures as outlined in this document.

Use, possession, or distribution of alcohol, illegal drugs, prescription medication not prescribed to the student, or paraphernalia is prohibited while enrolled at GSSM. Being present when alcohol or illegal substances are used or purchased or supplying them to members of the GSSM community also violates the school's community standards. GSSM will adhere to all applicable state and/or federal laws dealing with drug and alcohol possession and/or use. Law enforcement agencies will be notified in cases where it appears there have been violations of the law or when deemed appropriate for health or safety reasons. Any punishments levied by law enforcement agencies are separate from those given by GSSM.

Relevant state law:

South Carolina Code of Laws
SECTION 63-19-2440. Purchase or possession of beer, ale, wine, malt or other fermented beverages.
(A) It is unlawful for a person under the age of twenty-one to purchase or knowingly possess beer, ale, porter, wine, or other similar malt or fermented beverage. Possession is prima facie evidence that it was knowingly possessed. A person violating this section is guilty of a misdemeanor and, upon conviction, must be fined not less than twenty-five dollars or more than one hundred dollars.

SECTION 63-19-2450. Purchase or possession of alcoholic liquors.
(A) It is unlawful for a person under the age of twenty-one to purchase or knowingly possess alcoholic liquors. Possession is prima facie evidence that it was knowingly possessed. It is also unlawful for a person to falsely represent his age for the purpose of procuring alcoholic liquors.

In the event of reasonable suspicion that a student is under the influence or in possession of an illegal drug, alcohol, or prescription medication not prescribed to the student, the medical needs of the student will be evaluated immediately and the student may be transported to a medical facility at the discretion of the School. Alcohol and/or drug testing may be initiated, as appropriate and safe in light of a student's medical needs. Permission for medical personnel to conduct such testing, signed by the student and at least one of his or her custodial parents or guardians, must be on file before the student may be enrolled at GSSM. If testing is deemed necessary, it will be done in a private and confidential manner. Parents will be notified of the situation at the earliest practical opportunity.
1. **Possession**
   In the event a student is found in possession of an illegal drug, alcohol, a prescription medication not prescribed to the student, or related paraphernalia, the following measures will be taken:
   
   a. Parents will be notified to take the student home immediately.
   b. The student’s room and personal belongings will be searched.
   c. A Judicial Council will convene as soon as possible to assess the situation and determine possible action(s).

2. **Alcohol**
   In the event of reasonable suspicion (see “Terms Defined”) that a student is under the influence of alcohol, a Breathalyzer test may be administered onsite by appropriately trained GSSM Staff as a preliminary assessment. Based on this assessment, the student may be transported to a certified testing laboratory for testing and evaluation.

3. **Drugs**
   In the event of reasonable suspicion that a student is under the influence of an illegal drug or a prescription drug not prescribed to the student, the student may be transported to a certified testing laboratory for testing and evaluation. The student also may be suspended immediately.

4. **Testing**
   a. Positive test results: If the certified laboratory test result is positive for drugs or alcohol, the student will be required to leave the school immediately or as soon as the parents can pick him or her up from GSSM. (This includes testing positive for alcohol using a breathalyzer.) Pending receipt of the drug test results, a student may be asked not to return to school. Circumstances under which the student may return to classes are outlined below in the portion of this policy entitled “Conditions for returning to GSSM following a suspension for substance abuse.” Additionally,
      
      - Parents will be notified to take the student home immediately.
      - The student’s room and personal belongings will be searched.
      - A Judicial Council will convene promptly to assess the situation and possible actions.
   
   b. Refusal to submit to testing
      
      - The refusal will be interpreted as a positive result.
      - The student will be suspended immediately.
      - The administration will contact the parent.
      - The parent must pick up the student as soon as practical.
   
   c. Negative results
      
      - The student may return to normal activities unless either medical or other disciplinary intervention is necessary.

5. **Conditions for returning to GSSM following a suspension for substance abuse**
   a. In rare instances with unusual extenuating circumstances, the Judicial Council may assess an extended suspension rather than recommending an expulsion hearing.
   b. If a term of suspension is assessed by the Judicial Council, the suspension normally will be completed prior to the student’s return to school.
c. The student and his or her parent(s) must agree to a regular program of monitoring to ensure cessation of use prior to GSSM considering the student’s return. The family must sign a release allowing the technician/assessor, the Psychologist, and/or the School Nurse to exchange information regarding the incident and all test results and recommendations.

d. The student and family must reach agreement with the Psychologist regarding any necessary program of counseling to support the student’s efforts to return to health within a reasonable time following return.

e. Failure to complete the recommendations from the assessment and provide a drug/alcohol test indicating cessation of use may result in an expulsion hearing.

f. The family is expected to work in cooperation and in a timely fashion with the School Nurse and Psychologist/Wellness Counselor in completing any prescribed program of counseling and/or the recommendations from all drug/alcohol assessments and subsequent follow-up.

6. Possible Sanctions

a. 1st Offense: Possession, use, or distribution of alcohol, any illegal drug, prescription drug not prescribed to the student, or related paraphernalia constitutes a Level 3 violation as outlined in the Student Handbook.

- The student will be removed immediately. A Judicial Council will convene according to the Student Handbook to consider the matter further and an expulsion hearing should be anticipated. A request to withdraw from GSSM pending judicial action may be considered by the President. A withdrawal pending disciplinary action will be noted in the student’s record.

- The distribution or intent to distribute alcohol, illegal drugs, drugs not prescribed to the student, or drug paraphernalia on GSSM grounds or at school sponsored events will result in a recommendation for immediate expulsion.

- Additional restrictions may be imposed by a club sponsor or coach regarding participation in extra-curricular activities or athletics.

- Students who violate GSSM’s Drug and Alcohol Policy may be denied the GSSM diploma, although the student will receive a state diploma if he/she has earned sufficient credits.

b. 2nd Offense: The student will be immediately suspended. If the student is found to have committed a second offense, he or she will be recommended for immediate expulsion. The expulsion may be reflected in the student’s record.

7. Terms Defined

“Reasonable Suspicion” is based upon a belief that a student is using or has used alcohol or drugs in violation of this Policy drawn from specific objective and articulable facts and reasonable inferences drawn from those facts in the light of experience. Reasonable suspicion may be based upon, but not limited to, a student exhibiting behaviors consistent with drug or alcohol use such as erratic behavior, slurred speech, odor of alcohol or drugs on breath, body, or clothing, staggering, vomiting, bloodshot eyes, association in a situation involving drugs or alcohol, or reports of drug or alcohol use provided by reliable and credible sources. Suspicion could result in an immediate Breathalyzer test or an alcohol/drug screening by a certified technician at the certified testing laboratory or both.
“Use” means consumption of or being under the influence of alcohol, illegal drugs, and/or prescription medication not prescribed to the student while under the jurisdiction of GSSM during the period of student enrollment. Suspicion of use will result in:

a. A drug/alcohol test at the GSSM designated testing site (The Medical Group, 206 Swift Creek Road). Parents of the student are responsible for the cost of any recommendations made beyond the initial alcohol/drug assessment.

b. Refusal of drug/alcohol test will be considered the same as a positive drug/alcohol assessment.

“Alcohol and Illegal Drugs” are defined to include all alcoholic liquor and beverages; all controlled substances under the Controlled Substance Act except when prescribed for the student by a licensed physician and properly registered with GSSM Health Services; cannabis under the Cannabis Control Act; any “look-alike” substance; inhalants, hallucinogens, and mood altering chemicals or substances. This also includes prescription medication not prescribed to the student.

“Alcohol/Drug Test”: Test(s) administered for the purposes of determining the presence or absence of alcohol, illegal drugs, prescription medication not prescribed to the student, or their metabolites in a student’s bodily fluids, products, breath, or urine.

“Drug/Alcohol Assessment”: A screening done by a physician or certified technician to determine the presence of alcohol or any other illegal substance in a person’s system. The assessment includes a recommendation made by a physician, certified technician, or drug/alcohol counselor for action necessary to restore the individual to drug or alcohol-free state.

“Possession”: Includes alcohol, illegal drugs, and/or prescription medication not prescribed to the student being found on a student’s person or stored in the following locations: clothing, backpack, room furnishings and other personal belongings, or automobile. The production of or attempted production of alcohol or illegal, hallucinogenic, or mood altering chemicals or substances is also considered possession.

“Paraphernalia”: Includes empty alcohol bottles or cans, and drug articles including pipes, papers, or other materials used for drug use, storage, disguising use, or any materials considered to be intended for production, purification, diluting, or escalating the potency of any illegal substance.

“Certified Testing Laboratory” is a medical test facility employing technicians trained and certified by the National Alcohol and Drug Center.
XVII. DISCIPLINE AND HONOR CODE VIOLATIONS

Appropriate conduct, including respect for all persons and property within and beyond the school community, is required of all students at GSSM. All students are expected and required to accept responsibility for their actions. The guidelines established in this code pertain mainly to students while on campus, but objectionable behavior will always be considered grounds for disciplinary action, no matter where it occurs.

GSSM discipline policies are intended to provide the basis for fairness and equitability requiring appropriate conduct by all students. Most guidelines pertain to the host of relatively minor issues that arise among students living away from home, often for the first time, and might be viewed as the means to insist on responsible behavior without nagging. However, the policies are also designed to cover more serious issues of misconduct, although these are much less common.

The Vice President for Student Development, Dean of Students, and/or the GSSM Care Team periodically receive reports designed to assist students who may be having difficulty meeting the disciplinary standards of GSSM. Efforts are made to support the student in adjusting to the school’s behavioral expectations. Parents also receive a discipline report for their student each grading period.

The basic instrument of the discipline system is a written notification of misconduct called a “write-up.” The faculty or staff member addressing the conduct or making the referral should meet with the student to notify him/her that his/her behavior violates acceptable community standards. During the conversation, the student may provide an explanation for the behavior. After discussing the matter, if the student is going to be charged with a Level 1 infraction, the appropriate paperwork should be completed. During the first part of the junior year students may be addressed verbally regarding minor infractions. This allows them time to adjust to their new environment. In some cases throughout the first few weeks, reminding students of expectations is often a more effective way to garner cooperation. When a student receives a write-up, he/she will be notified in person at the time of the incident or via email. Offenses are divided into Levels 1, 2, and 3 in order of relative severity. Sanctions for these offenses are similarly scaled.

A. Disciplinary Offenses and Typical Sanctions

1. **Level 1 Offenses** are the minor incidents that are common in a residential community as students acclimate to living away from home. Once students adjust to living at GSSM, these infractions should be minimal. They include, but are not limited, to the following:

   a. Being barefoot downstairs
   b. Failing room inspection or white glove inspection
   c. Failing to clear dining items (utensils, trays, glasses, etc.) from dining hall tables and failure to return items to the dining hall
   d. Failing to follow instructions
   e. Failing to sign in upon return to campus
   f. Failing to sign out upon leaving the campus
   g. Inappropriate behavior
   h. Inappropriate displays of affection
   i. Inappropriate or disrespectful language, profanity, or actions
   j. Leaving for overnight without an approved weekend leave request or excused absence form
   k. Missing an appointment or required meeting including required school events

   1 This includes room check, hall meeting, Pre-QUEST, academic meetings [research and others] and Community Engagement if you do not contact your supervisor.
i. Tampering with others’ property, facilities or equipment
m. Habitual violations of the GSSM Dress Code
n. Use of recreation equipment\(^1\) inside building or outside of approved outdoor areas
o. Violation of lights out
p. Violation of Residence Hall Room Decorations and Furnishing guidelines
q. Violation of QUEST\(^2\), including excessive noise prior to room check

**Level 1 sanctions include, but are not restricted to the following:**

- A documented warning or reprimand
- Restriction from a specified place or event
- 8 pm curfew\(^3\)
- Work detail
- Essay
- Parent conference
- Restriction from extracurricular activity and/or loss of privileges
- Confiscation
- Restitution for damages
- Any combination of the above

Level 1 sanctions may be imposed by administration, faculty, or staff. The fourth Level 1 infraction in a grading period will result in communication with parents/guardians via email. The sixth Level 1 infraction in a grading period will result in a Level 2 violation and be handled in conjunction with the GSSM Discipline and Honor Code. A second set of six Level 1 infractions during a semester could result in a weekend suspension from school.

2. **Level 2 Offenses** are more serious in nature and must be reported to the Dean of Students or the Director of Academic Programs (if academic dishonesty) as soon as reasonably possible. These infractions often require an investigation. Reviews are generally conducted by the Dean of Students, but others may conduct the review depending on the conduct.

Level 2 offenses include, but are not limited to, the following:

- Accessing or using a vehicle without permission
- Any action likely to cause injury to self or others; horseplay
- Any behavior that discredits the school, either on-campus or off-campus activities\(^4\)
- Bullying/Intimidation including that done on social media platforms when reported
- Cell phone misuse
- Cheating, plagiarism, unauthorized collaboration, and other acts of academic dishonesty
- Damage and/or destruction of property
- Disregard for lab safety procedures
- Disrespect to persons in positions of authority
- Excessive noise after midnight on week nights and weekends
- Gambling
- Gross violation of Residence Hall Room Decorations and Furnishing Guidelines
- Gross violation of sign out policy and procedures
- Harassment and/or discriminatory behavior (verbal or actions) including but not limited to sex, race, and/or religion
- Honor Code violation

---

\(^1\) Basketballs, skateboards, bowling balls, soccer balls, hacky sack, etc.

\(^2\) This includes, but is not limited to, watching television, practicing musical instruments [without approval], “hanging out” in the lobby or in front of the residence hall, conducting club meetings, etc.

\(^3\) This may be given for any week or weekend night.

\(^4\) This includes activities on campus or field trips, as well as behavior away from the school.
p. Improper/fraudulent use of student identification card
q. Inciting or participating in a major disturbance
r. Indecent exposure
s. Injurious action without malice to a person
t. Intentional dishonesty (e.g. lying, forgery, falsifying any records)
u. Keeping an unauthorized pet in the residence hall
v. Keeping controlled substances in the residence hall without permission
w. Leaving campus without permission when required
x. Leaving residence hall after room check or prior to 6:30 am
y. Misuse of GSSM computers/violation of computer policy to include misuse of copiers and other technology equipment
z. Possession of or discharge of fireworks
aa. Possession of illegal appliances, flammable items or burning things in the residence hall
bb. Possession of a knife (or object) with a blade of two or more inches
c. Possession of sexually explicit or pornographic material
d. Pranks or practical jokes that may be perceived as offensive and/or disruptive.
e. Psychological and/or physical harassment
ff. Repeated failure to follow instructions or attend required meetings and/or programs
g. Slander/libel towards students, faculty, or staff
hh. Threatening a student
ii. Trespassing on Coker University
jj. Trespassing on GSSM property, facilities, or offices
kk. Unauthorized entry into/use of facilities or equipment
ll. Unauthorized use of a vehicle or riding in a vehicle of an unauthorized person
mm. Using another person’s or a fake identification card
nn. Use/possession of tobacco products and paraphernalia used to facilitate tobacco use (e.g. pipes, cigarette paper) including electronic cigarettes, vaporizers, and other devises associated with nicotine and vaping use
oo. Violation of GSSM Guest Policy
pp. Violation of imposed sanction
qq. Violation of Intervisitation guidelines
rr. Violation of movie and video game policy
ss. Violation of vehicle policy
tt. Walking or biking outside of established walking boundaries

**Level 2 sanctions include, but are not limited to:**

- Any combination of level 1 sanctions
- Restriction to campus
- Restitution for damages
- 48 Hour In-Room Restriction
- Loss of vehicle privilege for one month.
- Loss of vehicle privilege for the remainder of the year, including special events
- Probation
- On Campus Suspension (on campus conference with parents)¹
- Required counseling or other intervention activity

The Dean of Students or his/her designee will investigate most reports of Level 2 offenses during the school year and determine appropriate actions as described in the Section C, on Investigation and Imposition of Sanctions. Academic dishonesty violations or those associated with academic activities may be investigated by the Senior Vice President for Residential or his/her designee. Parents or guardians will be notified of Level 2 infractions.

¹ Psychological screening and/or counseling by a private counselor may be required before re-entry to GSSM. Any expense incurred will be the responsibility of the student’s parent/guardian.
3. **Level 3 Offenses** are the most serious violations and may result in separation from GSSM. Alleged infractions should be reported as soon as reasonably possible to the Dean of Students or the Director of Academic Programs (if academic dishonesty or associated academic activity). After a complete review of the incident, the appropriate referral is made if necessary. In some cases, students charged with Level 3 infractions may be required to return to their parents/guardians’ care while awaiting next steps. Violations include, but are not limited to, the following:

   a. Any action likely to cause serious injury to self or others
   b. Any action that may be considered illegal or a criminal offense
   c. Any action that may compromise campus or building security
   d. Assault (sexual or physical)
   e. Bomb threat
   f. Breaking and entering
   g. Cheating, plagiarism and other acts of academic dishonesty (2\textsuperscript{nd} offense)
   h. Consumption, use, or possession, of illegal drugs, alcohol, alcohol containers, and/or drug paraphernalia, etc.\textsuperscript{1} (This includes counterfeit illegal drugs, all drug paraphernalia, unauthorized prescription drugs, and CBD oils, topicals, and related products.) Being present when alcohol or illegal substances are used or purchased or supplying them to members of the GSSM community also violates the school’s community standards. Everyone involved or associated with the incident will be subject to disciplinary action.
   i. Egregious Honor Code violation
   j. Egregious Intervisitation violation
   k. Extortion
   l. Gross disrespect to persons in positions of authority
   m. Gross misuse of GSSM computers/violation of computer policy
   n. Harassing or hazing\textsuperscript{2}
   o. Having unauthorized keys and card access to GSSM or Coker property
   p. Having an unauthorized opposite sex visitor in the residence hall
   q. Intentional dishonesty during an investigation or a judicial proceeding
   r. Intentionally causing a false fire alarm
   s. Intentionally causing a fire, or causing a fire by personal negligence
   t. Offensive sexual behavior including sexual harassment and distributing sexually explicit materials
   u. Parking a vehicle off campus
   v. Possession or use of a weapon (including firearms)
   w. Repeated violation of vehicle policy
   x. Sexual Intimacy (defined as a broad range of sensuous activity)
   y. Sharing prescription medication with another student
   z. Signing in/having an unauthorized guest in the building or in the residence hall
aa. Soliciting with regard to any illegal activity
bb. Tampering with a fire alarm
cc. Theft or possession of stolen property
dd. Unauthorized attempts to access or alter any printed or electronic records or files
ee. Vandalism
ff. Violation of disciplinary probation

**Level 3 sanctions include, but are not limited to:**

- Any combination of Level 1 or Level 2 sanctions

---

\textsuperscript{1} Sharing any prescription medication or possessing any outdated prescription medication is forbidden.

\textsuperscript{2} Hazing is defined as any willful act done by a student, either individually or with others, to another student for the purpose of subjecting the other student to indignity, humiliation, intimidation, physical abuse or threats of abuse, social or other ostracism, shame or disgrace.
• Probation with or without restrictions
• On Campus Suspension (on campus conference with parents required)
• Suspension (on campus conference with parents required)¹
• Suspension with Probation
• Expulsion²
• Legal action
• Restitution for damages, if applicable, in addition to the above
• Required counseling or other intervention activity

All Level 3 offenses are adjudicated by the Judicial Council. Parents or guardians will be notified of Level 3 infractions.

B. Descriptions of Specific Sanctions

1. **Guidelines for 8 pm In-Room Restriction**
   An 8 pm restriction begins at 8 pm and lasts through 7:30 am the following morning. During this restriction, the student is expected to remain in his or her room and remain quiet.

   Specifically:

   • Students must meet with the Residence Life Coordinator immediately prior to serving this sanction.
   • The student may not leave his or her room.
   • The student may not be in his or her suitemates’ room.
   • The student may not have a guest or suitemates in his or her room.
   • The student’s roommate may not have a guest(s) or his or her suitemates in his or her room.
   • The student may not use the bathroom area for interactions/conversations with anyone.
   • The student may not have room doors open.
   • Emergency phone calls should be directed to the Residence Life Coordinator on duty so that the messages can be relayed.
   • The student may not go to club meetings, lounges, lobby, etc.
   • In case of an EMERGENCY, the student may contact the Residence Life Coordinator on duty directly. Please discuss what constitutes an emergency with the Residence Life Coordinator prior to the start of your restriction. Students should respond appropriately to fire alarms and related emergency procedures.
   • The student is required to report any violations of the guidelines that occur while you are serving this restriction.
   • Violations may result in repeating the sanction with additional nights as penalty, 48-hour in-room restriction, or immediate suspension to home.

2. **Guidelines for 48-Hour In-Room Restriction**
   This restriction begins at 8:00 pm on any night and ends at 8:00 pm 48 hours later.

   • All guidelines for 8 pm restriction apply.
   • The student will have 30 minutes for each meal. This time may be spent only in the cafeteria for meals. The student may not spend extra time socializing with other students. The student will be required to schedule these times with the Residence Life Coordinator on duty prior to the start of your restriction.
   • The student may be required to do several hours work detail during the sanction period including Suite Rotation.

¹ Psychological screening and/or counseling by a private counselor may be required before re-entry to GSSM. Any expense incurred will be the responsibility of the student's parent/guardian.
² Students who are dismissed for disciplinary reasons are not permitted to attend GSSM events.
• If there are problems or questions during the restriction, the student will have to either talk with/leave a note for the Residence Life Coordinator on duty during the 30-minute meal break OR send his or her roommate down with a message/note.
• Violations may result in immediate suspension to home.

3. Probation
A student may be placed on disciplinary probation if he or she has the following violations during an academic year:

• One set of 6 Level 1 violations and a Level 2 violation.
• Two sets of 6 Level 1 violations.
• At the discretion of the Dean of Students after any Level 2.
• Two Level 2 violations.
• Any Level 3 violation.

Students will remain on probation for the semester in which it was imposed, plus one additional semester, except in unusual circumstances as determined by the Dean of Students or the Judicial Council.

a. Violation of Probation: A student is in violation of probation if he or she has one set of six Level 1’s, a Level 2, or a Level 3 infraction while on probation. The violation of probation may result in suspension or expulsion from GSSM.

b. Possible Restrictions: Students on disciplinary probation may not be allowed to participate in certain school activities, athletic events, or trips based on the nature of the violation. These restrictions will be imposed by the appropriate administrator (e.g. participation in athletics events will be assessed by the Director of Athletics. School activities and Residence Life trips will be assessed by the Dean of Students, etc.). Any restrictions will be communicated to the student and the parents.

A student on probation should exercise great personal responsibility and integrity during this time of learning, growth, and consequence. Probation is best interpreted as a time to learn from mistakes while abiding by all GSSM community standards and related expectations as outlined in the Student Handbook.

4. On Campus Suspension
Students may be sanctioned to On Campus Suspension for any Level 2 or Level 3 infraction. This suspension allows the student to remain in residence and attend classes. When not in class, students serving On Campus Suspension will be required to remain in a monitored space during the academic day, and they will be restricted to their rooms after 6:00 p.m. until the next morning. Students serving On Campus Suspension will be required to sign out for the weekend during the period of the suspension. Additionally, students cannot participate in any extra-curricular activities including athletics, club activities, field trips, etc. In some cases, students with this status may be required to move out of their assigned residence hall room for the period of suspension. Like probation, a violation of On Campus Suspension may result in expulsion from GSSM.

5. Suspension
Students may be suspended for Level 2 or Level 3 offenses by processes described in the Section on Investigation and Imposition of Sanctions. The number of days of suspension will depend on the details of the infraction, but will not exceed seven academic days. The parent/guardian of the student is responsible for the student’s transportation. The student will not be allowed to drive his/her car home.

A class absence due to suspension will be unexcused. Suspended students must take the responsibility for missed academic work through self-guided, individual study. Teachers have no obligation to repeat lectures, class activities, or laboratory work. Academic penalties may be imposed by teachers and will vary depending on the nature of the course. Missed
quizzes, labs, and graded class activities may be recorded as “zeros” with the result a reduction of no more than one half of a full letter grade for the semester. Students are allowed to make up major tests and other significant assignments. Students must complete this work within one week after their return from suspension. Teachers may impose a penalty on this work not to exceed one full letter grade for the test or assignment. This policy for graded work seeks to balance the ultimate goal of student learning and its reflection as a course grade with the burden on teachers to prepare make-up assessments, and the lesson that personal behavior may affect one’s opportunities as well as other people. Teachers will not provide any remediation or extra help for missed lectures. Each student is required to attend counseling as assessed by the guidance office.

Records of student suspensions are retained as described in the section on Records Retention.

Suspensions may be appealed as outlined in the section on Investigation and Imposition of Sanctions.

6. **Recommendation for Expulsion**
A student may be recommended for expulsion for any Level 3 Infraction or for violations of disciplinary probation by processes described in Section C on Investigation and Imposition of Sanctions. If the designated hearing officer upholds the Judicial Council’s recommendation, expulsions may be appealed as described therein. The student’s records will be transferred to the institution designated by the family once a request from that school is provided. Records of expulsions are retained as described in the section on Records Retention.

**Important Note:** Disciplinary actions and sanctions that involve, but not limited to, probation, suspension, or expulsion will be reported to colleges and universities as referenced in the Discipline Disclosure Policy noted on page 67.

**C. Investigation and Imposition of Sanctions**

1. **Level 1 Offenses**
   Any member of the GSSM faculty or staff may investigate a situation and impose a Level 1 sanction with the oversight of the Dean of Students for consistency and fairness.

2. **Level 2 Offenses**
The Dean of Students will investigate all situations involving Level 2 offenses with the exception of academic dishonesty violations, which will be managed by the Senior Vice President for Residential or the Director of Academic Programs. Violations potentially resulting in suspension will be heard by a Judicial Council as described in Section E. For other violations, the Dean of Students will impose sanctions in most cases. In others, the Senior Vice President for Residential or the Director of Academic Programs will make the appropriate determination.

3. **Level 3 Offenses**
The Dean of Students normally investigates Level 3 violations. The Senior Vice President for Residential or his designee investigates Level 3 academic dishonesty violations. The Director of Academic Programs will (in most cases) investigate Level 3 violations that occur during Interim trips. During summer research, the Director of Research and Inquiry investigates conduct violations. Findings are reported to the appropriate entity as described below.
D. Academic Honor Code Violations

Academic honor code violations are violations of the Honor Code. Examples are academic dishonesty in or out of the classroom and any other infractions deemed by an instructor or academic administrator that are counter to the academic expectations of GSSM. Academic honor code violations can be reported by faculty members, staff members, and other students.

When students are found to have committed an academic honor code violation, the faculty member, staff member, or student will bring the issue to the Director of Academic Programs and the following actions will be given for first offense:

1. Letter or email sent home
2. Write-up for appropriate violation (e.g. Level 2 for academic dishonesty)
3. Zero for the assignment in question
4. An opportunity to submit the assignment again (optional; to be determined by individual instructors)

When the academic honor code violation is reported by another student, the student may choose to report the incident to either the teacher of the class or the Director of Academic Programs.

In instances where extensive evidence of prior intent is available (e.g. cheat sheet, etc.) or for second offenses, the matter is referred to the Judicial Council.

E. Judicial Council

The Judicial Council will hear all Level 3 violation cases of the GSSM discipline code and Level 2 cases when suspension is a possible sanction. The composition, duties, and procedures of the Judicial Council will be as follows:

1. Judicial Council Members
   a. The Judicial Council for each case will consist of three members: the Vice President for Student Development as Chair and two additional persons representing the faculty and/or staff. Six (6) members from the faculty and four (4) staff members will be trained and prepared to review cases when called upon. Committee members will be appointed by the President in consultation with the leadership team who will recommend members holding full-time positions. Certain faculty and staff members may be exempt from serving due to the nature of their positions (e.g. residence life staff, psychologist, etc.). Members of the leadership team many not serve, but may be called on to chair proceedings when and if the Vice President for Student Development is unable to convene the Council or if he/she has to recuse himself/herself.
   b. After the completion of the investigation by the Dean of Students, the Judicial Council will meet to review all documentation and other evidence in the case. (Note that in some cases, the Senior Vice President for Residential, the Director of Academic Programs, or the Director of Research and Inquiry may do the initial investigation.) At the discretion of the Chair, these materials may be distributed prior to the meeting to expedite the process. The Judicial Council will identify any witnesses who should be present at the hearing to clarify their previous statements or to provide additional information.

2. Responsibilities and Process
   a. The Judicial Council will convene as promptly as circumstances permit after it receives a case. The meeting(s) will continue in a timely manner until the case is resolved.
   b. The Chair of the Judicial Council will notify parent(s) of the student(s) about the alleged disciplinary infractions of their child and of the proceedings of the Judicial Council.
c. The Judicial Council will hold an evidentiary hearing of all Level 3 cases. The Judicial Council will convene an evidentiary hearing for all Level 2 cases if the Dean of Students or his/her designee or the President of GSSM determines that suspension is a possible sanction.

d. The Dean of Students, Director of Academic Programs (academic dishonesty and Interim trips), Director of Research and Inquiry (summer research) or another person designated by the President, Senior Vice President for Residential, or Vice President for Student Development carries out the initial investigation of Level 2 or Level 3 incidents. The Judicial Council may call witnesses to give testimony that has direct relevance to the case.

e. A hearing will then be convened where the accused student will have the right to present his/her case before the Judicial Council. The accused student may request that witnesses with information relevant to the incident be present and make statements on behalf of the accused. Judicial Council members may question all witnesses and the accused student. No one else, including parents, may participate in the hearing. After dismissing all witnesses, the Judicial Council will deliberate in closed session to reach a decision.

f. The accused student has the right to be informed of his/her alleged disciplinary infraction and will generally be provided the identity of the person(s) alleging the infraction. However, the Judicial Council reserves the right not to disclose the identity of the person alleging the infraction after considering all the circumstances of a particular case, including the possibility of retaliation if the student’s identity is revealed.

3. Outcomes

a. The Judicial Council shall reach its decision by majority vote. The deliberations of the Judicial Council, including individual votes of members, shall be confidential. The Chair will promulgate the decision of the Judicial Council, as well as any additional information about the case.

b. The Judicial Council will render one of the following decisions:
   - Not responsible for charges.
   - Suspension/expulsion not warranted, but lesser sanctions imposed.
   - On Campus Suspension; Judicial Council will determine dates and length along with additional sanctions if deemed appropriate.
   - Suspension; Judicial Council will determine dates and length of the suspension and any additional sanctions as deemed appropriate.
   - Suspension with a recommendation for Expulsion; student will be referred to the School Hearing Officer to schedule an Expulsion Hearing.

c. The decision of the Judicial Council is final. However, any suspension or expulsion decision is subject to the appeals process as outlined below. If requested by the accused student or his/her parent, copies of all written witness statements will be provided to them. These statements will be presented in a form that deletes the names and personal references to students other than the accused.

d. Parents of a student who is suspended will be notified in writing and will be offered a conference within three days of the date of the suspension.

e. The President of GSSM or his/her designee has the authority to have a student leave campus immediately during an investigation or pending the convening of the Judicial Council. This decision will be made if the President determines it is in the best interest of the student(s) or the school. The Judicial Council will not consider this action as a finding of guilt. The Judicial Council will reach an independent decision based on evidence presented in the case. If the Judicial Council determines that suspension is the appropriate sanction, the days the student has been away from campus may be considered time served by the student. To clarify, the panel can consider the time spent awaiting the hearing to count as part of the sanction. If the Judicial Council determines
that the suspension is not an appropriate sanction, the student will be allowed to make up all work without penalty, and the days missed will be recorded as excused absences.

F. Expulsion Hearing

1. Hearing Officer

If a Judicial Council recommends expulsion, the GSSM President will designate a Senior Administrator to serve as the Hearing Officer. The GSSM President has the authority to expel a student without judicial council approval.

2. The Hearing

a. The Hearing Officer will inform the student’s parent/guardian of the basis of the recommendation of the Expulsion Hearing. He or she will notify the student’s parent/guardian in writing of the time and the place of the hearing. The hearing shall take place within 10 days of the written notification of the expulsion recommendation and a decision shall be rendered within five (5) calendar days of the hearing.

b. At the hearing, an administrator will present the facts of the case on behalf of the administration, including the testimony of any relevant witnesses, if appropriate. At the conclusion of the administration’s presentation, the student and/or his/her parent/guardian may present witnesses with relevant testimony. Within the discretion of the Hearing Officer, either party may appropriately question the witnesses of the other party. In addition, the administrator may also ask questions. The student may invite a faculty or staff member to be present for personal support.

c. The student may be represented by counsel at the expulsion hearing. However, if a student is to be represented by an attorney, he must notify the Hearing Officer at least three (3) days prior to the hearing. Failure to notify the Hearing Officer that a student will be represented by counsel at an expulsion hearing may result in the postponement of the hearing. The Hearing Officer will inform the student and parent/guardian of the decision within 10 days after the hearing. An official letter of notification will follow the initial contact.

G. Appeals

1. Appeals of Sanctions – There are certain grounds that students and their families should consider in appealing sanctions. Generally, the basis for appeals are as follows:

a. Procedural error that prevented a fair, impartial hearing where prejudice can be proven;

b. Discovery of new information that was unavailable at the time of the hearing and could have reasonably affected the decision of the administrative or Council proceeding

c. Sanction imposed is disproportionate to the violation(s) committed considering relevant factors

2. Appeal of Expulsion

a. If a student or a parent/guardian wishes to appeal an expulsion decision made by the Hearing Officer, a hearing may be requested with the Executive Committee of the Board of Trustees of GSSM. Such a request must be made in writing to the attention of the President of GSSM within five days of receiving notice of the expulsion decision. The student may be represented by legal counsel during this appeal. During the appeal, terms of the original sanction will be enforced.

b. An appeal to the Executive Committee of the Board will normally be limited to the established record and no new testimony will be allowed unless the Board desires to hear additional testimony. The Board may reverse or alter the decision of the Hearing Officer.
If an expulsion is overturned, the student will be allowed to make up work without penalty and all reference to the expulsion will be removed from the student’s record.

3. **Appeal of Suspension**

   a. If a student or a parent/guardian wishes to appeal a suspension, the request must be made in writing to the GSSM President within five days of notification of the sanction. The GSSM President will designate a member of the Senior Administration to hear appeals of suspensions. The appeal will be conducted as an informal hearing. The administrator who investigated and/or imposed the suspension, parents, and student may be present. The parents, student, and administrator will be allowed to address the Hearing Officer. It is within the discretion of the Hearing Officer to permit others to attend, at the request of either party.

   b. Within 10 days of the hearing, the Hearing Officer shall render a decision in writing as to his/her decision.

   c. The decision of the Hearing Officer will be final. During the appeal, the terms of the original sanction will be enforced. If the appeal is successful, the sanction will be overturned and, in case of suspensions, the student will be allowed to make up all work without penalty and all reference to the suspension will be removed from the student’s record.

4. **Appeals Not Involving Suspension or Expulsion**

   If a student wishes to appeal a sanction, he or she may appeal to the appropriate person as follows:

   a. Level 1 infractions may be appealed in writing to the person who assigned the sanction. Appeals must be made within 24 hours of notification of the sanction. If it is decided the appeal should be upheld, the student’s record will be changed; i.e., the infraction will not count. If the appeal is denied, the sanction will be served on the date assigned, or, if the sanction has been postponed, a new date and time (the next day, if possible) will be set. The decision will be final.

   b. Level 2 infractions levied by a Residence Life Coordinator or any other faculty or staff member may be appealed to the Dean of Students (or the Senior Vice President for Residential for academic matters) or his/her designee in writing within 24 hours of notification of the sanction. The decision will be final. Appeals of Level 2 infractions levied by the Dean of Students must be made to the Vice President for Student Development or his/her designee in writing within five days of notification of the sanction. Verbal statements of intent to appeal are not acceptable.

   c. Students and parents who wish to appeal sanctions imposed by the Judicial Council that are not suspension should make their request in writing to the GSSM President within five days of notification of the sanction. The President will designate a member of Senior Administration to consider the appeal. In some cases, the President may decide to review the matter.

H. **Legal Charges**

Legal charges may also result from any offense noted above that is a criminal act. Any disciplinary action by GSSM may be in addition to any penalty imposed in the criminal courts.
CLOSING STATEMENT

As an institution dedicated to education, the South Carolina Governor's School for Science & Mathematics realizes the importance of growth and change. To accommodate new or different policies or regulations and in the interest of bettering the student's educational experience, the Governor's School reserves the right to alter this handbook throughout the year. In the event of an alteration of this document, students will be notified at once.

Appendix B

2019-2020 Academic Calendar
Student Edition
Updated July 15, 2019

Important notes about the calendar below:

- This is not an exhaustive list of events at GSSM.
- Class days missed due to inclement weather may require make-up classes on Saturdays. Class days missed due to prolonged inclement weather may require rescheduling planned days off throughout the year as normal class days.
- LWE stands for Long Weekend, which start after a student’s last class on Thursday. Students must return from LWE no later than 7:00 PM on Sunday.
- OCCA is the Office of College Counseling and Advising

Each week, the following times have been set aside for large group, or all-school meetings:

- Tuesday, 4:00 – 5:00 PM
- Wednesday, 1:00 – 2:00 PM

</table>
The Acute 12: GSSM Community Standards and Expectations that deserve particular emphasis and clarity.

The following policies and potential consequences are presented here to make absolutely certain that they are understood and their importance stressed. Students and parents are required to sign this contract at the beginning of the enrolling student’s junior year.

I understand and agree that:

1. The use, possession, and/or distribution of illegal or unauthorized prescription drugs, or otherwise illegal substances, while under the school’s jurisdiction is prohibited and will likely lead to separation from the school.
2. The use, possession, and/or distribution of alcohol on campus and while under the school’s jurisdiction are prohibited and will likely lead to separation from the school.
3. The creation of an open flame (match, candle, etc.) in the residence hall is prohibited and will likely lead to separation from the school.
4. Engaging in sexual intimacy on the campus or while under the school’s jurisdiction is prohibited and will likely lead to separation from the school.
5. Intentional dishonesty as a part of a judicial proceeding is prohibited and will likely lead to separation from the school.
6. Fighting or initiating physical violence against any member of the GSSM community is prohibited and will likely lead to separation from the school.
7. Use or possession of a weapon (firearm, knife that does not fall within specific guidelines or related materials) is prohibited and will likely lead to separation from the school.
8. Harassment, intimidation, bullying, or hate speech directed against a member of the school community are prohibited and will likely lead to separation from the school.
9. A consistent failure to cooperate with school rules and regulations over an extended period of time demonstrating a failure to accept the fundamental standards of community will likely lead to separation from the school.
10. Public conduct inconsistent with school values bringing public discredit to the school is prohibited and will likely lead to separation from the school.
11. Unauthorized use of facilities or the property of others, which includes destruction of property is prohibited and will likely lead to separation from the school.
12. Failure to meet academic standards and/or engaging in academic dishonesty will likely lead to separation from the school.

I further understand that these policies are designed to protect the safety of the individuals in the school community and to support our mission of student-centered excellence to include institutional values.

Lastly, I have read the Student Handbook and agree to abide by the policies therein.

Popular Destinations for GSSM Students

Dining
- Bowthai Cuisine
- Crema Coffee Bar
- Fuji Express
- Golden Dragon II
- Hoof and Hound
- The Midnight Rooster
- Pita Pit
- Sonic Drive-In
- Sophia’s Pizzeria

Shopping & More
- AMC Classic Hartsville 2
- Belk
- Dollar General
- Goodwill
- Hartsville Public Library
- Project Excape
- Indigo Salon and Day Spa
- Walgreens
- Walmart

Hartsville is a small town with a lot to offer – the list above is only meant to highlight some of the many businesses within walking boundaries. There are several churches within walking boundaries and some faith organizations in our broader community provide transportation for interested students.
